

Southern Demos Promise To Fight ADA's Domination

Washington — (U.P.) — Irate Southern Democrats promised Monday a bitter end fight to prevent the party's national convention from being "captured" by the militant Northern liberals organized under the banner of Americans for Democratic action.

The North-South schism, which Democratic National Chairman Frank E. McKinney has been trying desperately to close, gaped wide open again in the wake of the ADA's week-end meeting here.

Taking its cue from President Truman, who spoke to the 700 cheering delegates Saturday night, the ADA convention unanimously adopted a resolution opposing any "compromise" on the civil rights issue which led to a 1948 walkout by Southern Democrats.

The self-styled "non-Communist liberal" organization also blasted talk of a Democratic "harmony" ticket with Illinois Gov. Adlai E. Stevenson as the presidential candidate and Georgia's Sen. Richard B. Russell in the vice presidential spot.

Table Rock

Table Rock — Mrs. Eugene Narramore and three children of Klamath Falls visited here recently with relatives at the W. M. Howley home.

According to those working on the election board there were 843 registered voters on the poll books of Mound Precinct and 457 voted at last Friday's election. 231 Republicans and 226 Democrats. In Table Rock community there were some twenty-five eligible voters who for some reason or another failed to amble over to the polls and mark a ballot. However, there was one table rock lady, a grandmother, who voted for the first time.

Next meeting of Table Rock Ladies club will be held Wednesday, May 21, at the home of Mrs. Francis Russell on the Jacksonville highway.

Twenty-three pheasant eggs taken from nests broken up by farm equipment were placed under a bantam hen by Donna Neal, who reports she now has a flock of 22 little "Chicks" and a problem as to what to do with them.

Next meeting of the Table Rock Community club will be held Friday night, May 23, beginning at 7:30. The program will consist of a one-act play and numbers from the Crater high and local grade school. A box supper brought by the ladies will be paid for with prices graduated according to ages. A sort of cake walk with numbers will be used to determine ownership of boxes. Money taken in will be used for club activities and everyone is invited.

Vinty Beale, farmer, orchardist and stock man, of Beale Lane was a recent visitor here, and tried his luck at trout fishing.

Among Sunday visitors here were Mr. and Mrs. Moore Hamilton and two sons Alex and Robert, Mr. and Mrs. H. Fleischer, Mr. and Mrs. E. P. Leavitt and Mr. and Mrs. Eugene Ray and Mrs. Clara Gardner.

MONEY TO BURN

St. Louis — (U.P.) — It was a cool \$800 that went up in smoke. Mrs. Florence Neal told police she hid the cash in her refrigerator.

However, she forgot about it and a few days later her maid—while cleaning out the vegetable compartment—dumped the package into a wastebasket. No one was aware of the loss until after the trash had been tossed into the incinerator.

One five-gallon can of fuel oil will haul one ton of freight from New York to Los Angeles in one type of diesel locomotive.

Gold Hill

Gold Hill — Election of officers for the coming six-month term will be held by Amethyst Rebekah lodge at its meeting Wednesday at 8 p. m., in Odd Fellows hall. Members having birthdays during May will be honored. Refreshments will be served by Mrs. James Clement, assisted by Mrs. Hannah Routh, Mrs. John Novak, and Mrs. Maybelle Rains.

A session of the square-dancing classes sponsored by Amethyst Rebekah lodge was held Saturday night at Odd Fellows hall. Wilmer Bailey was caller and instructor. It was announced that, in order to have the Gold Hill dances on alternate Saturday nights with dances at Eagle Point, the next session would be Saturday night, May 24, and every two weeks thereafter. Bailey said an admission charge would be made hereafter, to raise funds for lights and janitor service, and to buy a loud speaker and record player. All women attending are asked to bring sandwiches or cookies, which will be served free with coffee furnished by the two hostesses, Mrs. John Novak and Mrs. Daniel Stewart were hostesses for Saturday night's dance.

Twelve members of the Gold Hill Health unit attended the meeting of the Jackson County Public Health association held Thursday at the Episcopal Guild hall in Medford. The Gold Hill group included Mrs. Delos Walker, president; Mrs. W. S. Dickinson, vice president; Mrs. Paul Thompson, Mrs. Frank Carter, Mrs. Edward Knapp, Mrs. George Smith, Mrs. Elmer Krause, Mrs. Wilmer Bailey, Mrs. Carl Boye, Mrs. M. Schoeneman and Mrs. J. G. Kofahl. A pot-luck luncheon was served at noon, and Gold Hill members provided 16 homemade cakes for the dessert.

Mrs. J. G. Kofahl of North 99 highway has received word that her three-year-old grandson, Michael Kofahl, suffered a severe burn to his hand recently in an accident with an electric mangle, which made it necessary for him to be taken to the Walter Reed hospital in Washington, D. C., for plastic surgery. The operation was performed last Monday. Michael is one of the twin sons of Col. and Mrs. Harold E. Kofahl of Valdosta, Ga. Col. Kofahl is commander of Moody Air Force Base at Valdosta. The family is well-known in Gold Hill and has visited here many times.

Earl Edwards of North 99 highway has been in the Veterans hospital in Portland for the past week, undergoing medical treatment. He expects to be there about two more weeks.

Mr. and Mrs. Ernest Gregory of Los Angeles, Calif., who purchased the home on North 99 highway formerly owned by Maude Martin, spent last week here while on a vacation trip. Their home here is rented to tenants, so they stayed at a motel near Foothills creek. The Gregorays visited Mr. and Mrs. Roy Cameron several times during their stay here. They left for California Saturday.

The meeting of Past Noble Grands club of Amethyst Rebekah lodge has been postponed one week because several of the members will be absent at the Rebekah Assembly of Oregon this week. The club will meet Thursday, May 29, at 2 p. m. at the home of Mrs. Frank Carter on the Old Stage road.

Leaving Monday for Salem to attend the Rebekah Assembly of Oregon to be held there May 20, 21 and 22, were four members of Amethyst Rebekah lodge. These included Mrs. Lester Thompson, delegate, Mrs. George Dorman, alternate, and Mrs. Lester Parker and Mrs. Earl Moore. The group plans to return home Friday.

Friendly Circle met Friday noon for a potluck luncheon at the home of Mrs. Jack Hancock, North 99 highway. Ten members were present. The afternoon was spent in doing fancy work, and visiting. Next meeting was scheduled.

Strawberry Mite Control Advised

Recommended controls for the two-spotted mite, which is destructive to strawberries, were listed today by C. B. Cordy, county horticulturist.

The mite, which is tiny, causes the leaves to turn a bronzy cast, the agent said, and if the infestation is bad the plants will lose their vigor.

The best material available for control, according to Cordy, is Aramite—although it is not available in small quantities. The application of this product is by using one heaping tablespoon to three gallons of water.

An alternative, if the cost is too much for the above, is use of Black Leaf 40 or TEPP by frequent (three) sprayings. Cordy pointed out. Reason for frequent sprayings is that applications only kill live mites and as eggs hatch new ones will not be affected. Aramite has more residual qualities, he explained, making it last longer.

It is advisable to pick berries before applying any of the materials, then refrain from harvesting until the control has been effective, he said.

ated to be held Friday noon, June 20, at the home of Mrs. James Clement on Riverside avenue.

The attendance was smaller than usual at the meeting of the Gold Hill Hobby club Friday night at the home of Mrs. William Hall on Second avenue, due to a number of members being out of town or working on the election. After the evening's painting session, light refreshments were served. Next meeting was scheduled for Friday, May 23, at 8 p. m. at the home of Mrs. Fred Lester on Second avenue. Anyone interested in figurine painting is welcome to attend.

Wendall Jones, son of Mr. and Mrs. Ferd Jones of Sixth avenue, was initiated recently into Xi Sigma Pi, a national honorary society of the school of forestry, at Oregon State college. He is in his junior year in forestry at the college.

Work on the \$7,000 additions and improvements of the Gold Hill sewage disposal plant is now completed, according to Councilman Milton Steinmetz, who designed the improvements and supervised work on the plant. An automatic meter to measure the flow of sewage into the plant has been installed, and a new distributor head with additional arms to distribute the run-off over a larger area of the drainage bed. The plant has also been cleaned and drained and put into first class operating condition.

Mrs. George Turner and Mrs. Hubert Davidson returned home Friday from a two-weeks trip to California. Mrs. Davidson visited her son and daughter-in-law, Mr. and Mrs. Hoyt Davidson, at Manteca, Calif. Mrs. Turner went on to Gardena, where she stayed at the home of her brother-in-law and sister, Mr. and Mrs. Jerry Cato. She also visited friends in Long Beach, her former home, and in Inglewood, Alhambra and Los Angeles.

QUICK ACTION NEEDED

Urbana, Ill. — (U.P.) — A University of Illinois veterinarian says paint which is peeling off barns or fences is just as poisonous to cattle as fresh paint if they both contain lead. Dr. P. D. Beamer said many deaths can be prevented if a veterinarian treats the animal immediately.
