Lightning Farms Music To Maine Barnhouse

Cumberland, Me. — (U.P.) — Some persons fear a thunderstorm but it brings music to the Kermit Kelley farmhouse here.

If the Kelleys leave a light burning during lightning, the bulb burns out and musical sounds pop out from the other lights, refrigerator and all electrical appliances.

"It sounds like xylophone music," Kelley said. "We don't know what causes it."

An electrician said there's nothing wrong with the wiring.
