

Boardman, Gervais Vie For B Toga

Drain — (U.P.) — Boardman and Gervais high school won Friday frays here to gain the Saturday finale in the state B baseball tournament.

Malin and Boardman were to play in the consolation encounter. Boardman defeated Malin 7 to 4 behind three-hit pitching of Bill Palmer and Gervais beat Creswell 6 to 3 with winning pitcher Gary Espe giving up only two hits in semi-finals games Friday.

Palmer struck out 18 Malin batters to fall only one short of the tournament record of 19 strikeouts set in 1950 by Jerry Cade of Drain.

Thousands Will Battle on Links Against Hogan

New York — Entries from as far afield as Okinawa and Balboa, Canal Zone, are pouring in for America's first National Golf Day on May 31 — a unique sports event that pits Ben Hogan against the world. Earlier estimates which predicted 200,000 golfers would compete against golfdom's "Mighty Mite" have been revised upwards as it now appears that some 300,000 men and women will take a crack at beating the country's greatest golfer.

Playing under USGA rules, Hogan will shoot an 18-hole round at the Northwood Club, Dallas Texas, scene of the forthcoming 1952 National Open.

Simultaneously, on the fairways of the nation's 4,970 public and private courses, America's week-end golfers and their pros will try to beat Ben's round. Each challenger is permitted his present bona fide handicap rating.

The contestants that top Hogan will be awarded a specially-cast bronze medal inscribed "I beat Ben Hogan, National Golf Day, May 31, 1952."

Life Sponsor
National Golf day is being jointly sponsored by the Professional Golfers association and Life magazine. The entire proceeds from entry fees, \$1, for each contestant, will be donated by the sponsors, in equal shares, to the USO, an agency of the United Defense fund, and the "National Golf fund."

This fund will be administered by PGA officials, representatives of various national golf associations and golf publications, as well as outstanding amateur golfers.

No part of the proceeds will be retained by Life or the PGA, nor used in any way in helping to defray expenses of the tournament.

Padres Batter Oaks, 12 to 7

Oakland, Calif. — (U.P.) — San Diego battered four wild Oakland pitchers for 16 hits, two of them homers by Jack Tobin and Dick Faber, to post an easy 12-7 victory over Oakland in a dull game played before 4,145 fans Saturday.

The game took nearly three hours to play. Its outcome gave the league-leading Pads a 3-2 edge in the series.

Hal Gregg, who pitched a no-hit no-run game earlier in the year, was blasted from the mound in the sixth to suffer his first loss against eight victories this season. Johnny Van Cuyk, Jim Zavitzka and infielder Eddie Lake followed Gregg to the hill, issuing a total of eight bases on balls.

Slim southpaw Willie Luna, ace of the San Diego staff, started shakily, yielding Oakland three runs in the first inning, and stayed the distance only because of his huge lead. The win, a 14-hitter, was his sixth of the campaign.

Layne's Manager Makes Protest

Salt Lake City — (U.P.) — Marv Jensen, manager of Utah heavy-weight Rex Layne, Saturday vigorously protested negotiations to match Idaho's Harry Kid Matthews and Rocky Marciano for a summer fight.

"We absolutely will not stand for another fight before our rematch with Matthews and we are counting on the National Boxing association and the New York Boxing commission to back us up," he added.

Points to Pact
Jensen pointed out an agreement which he and Matthews' manager Jack Hurley signed. He said it was witnessed by Charles C. Weideman, member of the Oregon Boxing commission. The agreement said that Matthews agreed to meet Layne in a return bout "within 60 days" of May 19.

Congressmen Decide They Will Leave Organized Baseball Alone

By VINCENT J. BURKE
Washington — (U.P.) — After 10 months of investigation, Congress has decided to leave baseball alone.

The House Monopoly sub-committee, making its formal report, was unanimous in its decision to reject any legislation which would make baseball exempt from the federal anti-trust laws.

The key to the probe was the reserve clause. This part of a player's contract ties him to one club for life, unless the club itself decides to sell him. The sub-committee decided that "some form" of a reserve clause is necessary to keep baseball operating "profitably." But its 232-page report said baseball "should work out its own solutions to the problems confronting it."

The only thing concrete to come out of the hearing was a suggestion that big league ball should extend west of the Mississippi River.

This was contained in a separate statement by Rep. Emanuel Celler (D-N.Y.), chairman of the investigating group. He pointed out that the third largest city in the U. S., Los Angeles, does not have major league baseball while the 15th largest city, Cincinnati, does.

The committee report saw two sides to everything. For example, the report said baseball's operating rules "would be entirely inappropriate in an ordinary industry." Then it added "baseball is a unique industry" in which co-operation between the clubs is needed "to the

Trojans Win 12th Straight Coast Track Championship

Eugene — (U.P.) — University of Southern California won its 12th straight Pacific Coast conference track and field meet here Saturday with a display of all-around power that will carry many of the Trojans into the Olympic Games.

Southern California scored nearly twice as many points as Stanford, Troy's nearest competitor, in overwhelming the rest of the conference to continue Trojan domination of West Coast track and field competition.

Team scores gave USC 62 1/3 points; Stanford 35; California, 30 5/8; UCLA 20; Washington State 19 1/2; Oregon 19; Oregon State 18 1/3; Washington 14; Idaho 6.

One Mark Broken
Although the meet was held under ideal conditions on Hayward field, only one major record was broken.

Sim Iness, USC's 6 foot, 6 inch, 230 pound giant, tossed the discus 183 feet, 5 1/4 inches, to better the American and the American collegiate records. Iness, however, made his record-breaking toss in the preliminaries Friday. He didn't come within several feet of his previous mark Saturday.

Iness' toss Friday bettered the American collegiate record of 178 feet, 11 1/2 inches set in 1948 by Fortune Gordien of Minnesota and the American amateur record of 180 feet, 2 3/4 inches set by Bob Fitch of Minnesota in 1946.

The Trojan star's toss was short of the world's record of 186 feet, 11 inches which still is held by Gordien.

Iness' record toss originally was announced as 183 feet, 5 1/2 inches. However, official measurement showed it was 183 feet, 5 1/4 inches.

One of the major upsets was in the javelin throw. Ralph Sutton of Oregon state tossed the spear 224 feet, 2 1/4 inches to top the meet favorite, Chuck Missfeldt of Oregon whose best heave was 223 feet, 10 inches. Until Saturday Missfeldt had the best mark in the conference.

Also disappointing to the 6000 fans who sat in 89 degree weather to witness the meet was the performance of George Brown, UCLA's ace broad jumper. Brown, who has a mark of 27 feet, 3 1/4 inches, only five inches off the world's record, won his specialty, but in the so-so distance of 24 feet, 9 1/2 inches.

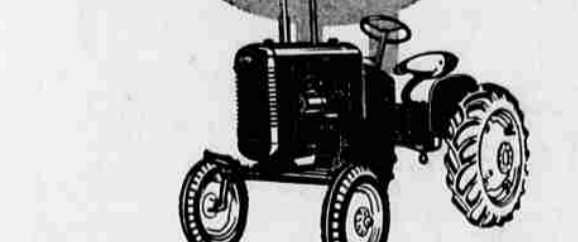

LIGHTS CREATE FOG
Milwaukee — (U.P.) — A baseball game between the Minneapolis Millers and the Milwaukee Brewers was held up Friday night when the arc lights illuminating the ball park vaporized the humidity and created a fog so thick the players could not see first base.

Johnny Bratton Edges Flanagan

New York — (U.P.) — Johnny Bratton of Chicago was still a contender for the welterweight crown Saturday because of his split decision over Del Flanagan, but his next two bouts will be with middleweights.

Dusky Bratton, former NBA welter champ, won a split 10-round decision over speedy Flanagan of St. Paul, Minn., at Madison Square Garden Friday night by the narrow margin of two points.

During the mediocre bout Bratton suffered no injuries that might prevent his meeting middleweights Rocky Gastellani at Chicago, June 18, and Laurent Dauthuille at Montreal, July 7.
