# faith and friendship walk hand in hand

Millions of Americans this month are making it a special point to invite their friends into their churches — as freely and frequently as they ask them to their homes. You'll find that SHARING your faith does something for you, and for your friends as well . . . it grows when it's shared . . . and your friendships grow, too.

Take someone to church this week . . .

you'll both be richer for it
