

OSC Gains PCL Championship With Second Win over USC

Corvallis — (U.P.) — Oregon State college Saturday won the Pacific Coast conference baseball championship by winning its second playoff game with the University of Southern California, 5 to 4.

Oregon State collected seven hits off three USC pitchers and committed only one error to notch its second win in the PCC playoffs before about 4,000 fans.

Fresno, Calif. — (U.P.) — The Bulldogs of Fresno State college capitalized on weak pitching by Seattle university Saturday to pulverize the Chieftains 20 to 4 to win the right to challenge Pacific Coast champion Oregon State college as the district 8 representative in the National Collegiate Association baseball playoffs.

ninth, John Thomas, OSC catcher, singled. Carlos Houck was hit by a pitched ball and Pete Goodbrod singled over third base to drive in the final run. USC scored its first run in the top half of the fourth when Shortstop Hal Charnofsky tripled and then came home on an infield hit by Rightfielder Warren Boone.

Score Tied

The Beavers came back in their half of the inning to tie the score with a double by Chuck Fisk who went to third on a long fly ball by Jay Dean. Fisk came home on a wild pitch by Trojan Jack Schlarb.

OSC's Goodbrod bunted in the sixth and Fisk doubled. Both scored on a triple by Dean who scored the fourth Beaver run a moment later when USC Catcher Lou Bishara dropped the ball at home plate.

The Trojans came back to tie the game again in the first of the eighth as Gary Killingsworth doubled, Boone tripled to right, scoring one run and First Baseman Al Lamont connected for another triple and a score. The knotting run came when pinch-runner Dan Zimmerman scored on an infield out.

Beavers Play Winners

The victory means Oregon State will play the winner of the Fresno State-Seattle university game being played at Fresno Saturday.

The game will be staged in Corvallis next week-end to pick the coast representative in the NCCA playoffs.

Grimm Named To Manage Braves; Holmes Will Remain With Team

Cincinnati — (U.P.) — Tommy Grimm was named manager of the Boston Braves Saturday "because he doesn't have enough experience," and veteran Charley Grimm reluctantly signed a two-year contract to replace him.

Holmes, who had served less than two seasons as Braves boss, burst into tears when he was told by long-distance telephone that he was fired as manager. He told he could remain in the Braves organization.

Grimm, now manager of Milwaukee in the American Association, didn't want to take the job. He had said, "I never want to return to the Majors. I like Milwaukee and it likes me."

But Braves General Manager John Quinn and President Lou Perini talked to him twice by phone—once Friday, and again

out of three game series here for the Pacific Coast conference baseball title.

Pitcher Don White, kept the southern division champions in check until the ninth inning when he gave up in succession a single, a double, a triple and a home run to Al Lamont. Alex Goedhard then came in and put out the fire as the Trojan's five-run rally fell short.

Bob Chaplain Nabs Race at Grants Pass

Grants Pass — Bob Chaplain, Gardons, Calif., crossed the finish line first Friday in the 25-lap main event of the Memorial day Indianapolis sprint car races at the county fairgrounds track here.

Second place went to Bob Christie, Grants Pass, last year's leading midget racing driver. Harry Stockman, Fresno, Calif., was third.

A near capacity crowd was on hand for the races. Drivers from Oregon, Washington, California and Idaho took part. The Western Racing association of California was sponsor.

The 10 lap semi-main event was not completed because three cars cracked up in front of the grandstand halfway through the race causing extensive damage to all three cars. Cecil Buraugh, Burbank, Calif., Red Monahan, Vancouver, Wash., and John Garman, Portland, Oregon, were the drivers involved in the crash.

Buraugh suffered a severed wind pipe and was confined in the hospital in Grants Pass. Monahan and Garman suffered from shock, but otherwise were uninjured.

The first heat race was won by Monahan, Bob Simpson a Seattle, Wash., driver second and Bub Bevert, also from Seattle, third. John Gorham won the second heat race with Buraugh second and Wayne Cooley from Burbank, Calif., third. The third heat race ended with Bob Christie first, Harry Stockman, Fresno, Calif., second and Louie Toledast, Portland, third.

Chaplain, the winner of the main event also grabbed first place in the fourth heat. Wayne Crowell, Portland, was right behind him to nab the second spot and John Moore, Baldwin Park, Calif., was third.

Stockman won the three-lap trophy dash and was presented with a large trophy by the queen of the Grants Pass Cavemen.

Beavers Thump Padres, 9 to 0

San Diego, Calif. — (U.P.) — The Portland Beavers upset the league leading San Diego Padres 9 to 0 Saturday by stretching two big innings into their total score for their second win of a Pacific Coast league series.

After dropping four of the first five contests in the series, the Beavers broke loose with savage attacks in the third and sixth frames that flustered and crushed the Pads.

Portland hurler Royce Lint went the distance and held San Diego to six hits in the unexpected shutout.

The Beavers scored four times in the third on four singles, a sacrifice and an error with Joe Brovia sending in two of the tallies with his single.

San Diego hurler Art Dollaghan took over in the sixth by sending five more Beavers scampering across the plate.

ONE WAY OF DOING IT—Indian shortstop Ray Boone (8) tangles with Tiger third baseman George Kell as he slides safely into third. Catcher Joe Ginsberg's pickoff throw hit Boone in the back and the ball (arrow) is bouncing out into the field. Boone got up to score, as did Jim Hegan behind him. The action gave the Tribe a 4-0 lead, but Detroit came back to cop the game at Cleveland, 6-4.

City Schools' Baseball Program Scheduled To Start on June 23

The baseball school conducted by the Medford city school system will start on Monday, June 23, and continue through August 14, Lee Ragsdale, supervisor of physical education for Medford schools, has announced.

All boys of school age may attend, he said. Fundamentals will be taught from 8:30 a.m. to noon daily Monday through Thursday at the senior high field. Ragsdale, Frank Roelandt, assistant high school baseball coach, and Don Denman, ex-Medford high baseballer and now a student at Oregon State college, will be coaches.

Millers Play Loop Leaders At CP Today

The Central Point Millers and the Cave Junction crew will provide the semi-pro baseball competition nearest Medford today when they collide at 2 p.m. at Central Point.

It will be a Rogue Valley league scuffle.

Cave Junction with two wins and no defeats will battle to keep hold of first place in the circuit while the Millers will seek to balance their win and lost columns. Central Point has one victory and two defeats on the league ledger.

The team from Illinois Valley will be favored. It holds an 8 to 5 win over Grants Pass which beat the Millers 7 to 6. Manager Ben Fagone of the Millers, however, feels that his team is coming along in good shape and will give the visitors a hard battle.

Carl Huener is scheduled to open on the mound for Central Point.

Roland LaStarza Beats Bucceroni

New York — (U.P.) — Heavyweight Roland LaStarza was still a big question mark Saturday despite the return-bout victory in which he floored Dan Bucceroni five times.

Stocky LaStarza of New York was on the verge of being knocked out himself three times Friday night before he won a unanimous 10-round decision over Lanky Bucceroni of Philadelphia in the first Memorial Day fight ever staged at Madison Square Garden.

Ever stop to realize that the battery is the very heart of the operation of your motor . . . as well as the accessories that make it comfortable? I'm writing about batteries because my dad was pulled in here the other day with a dead battery. What was wrong? Well no water in the cells, because he hadn't been in for a service job for 3 months. If he had been in he'd have had his battery checked and prevented an early Sunday morning riot. So its important to have your cables tightened, corrosion cleaned off and your generator's rate of charge frequently tested.
