New Defense Bond Goes on Sale Here

A new type of U. S. defense bond—series H—went on sale here today, according to Morris B. Leonard, chairman of the county defense bond committee. It is similar to the familiar E bond, Leonard said, in that it has the same maturity period of nine years and eight months, returns the same interest of 3 per cent if held to maturity, has the same annual purchase limitation of \$20,000 maturity value.

Unlike the E bond, however, interest is paid by check semi-annually, Leonard pointed out. It cannot be redeemed until it is at least six months old, and then only after one month's notice. It does not have the 10-year extension privilege after maturity like the series E bond.

Jackson, Miss. — (U.P.) — J. E. Richardson has a white Leghorn chick which he says began crowing at the age of three weeks. Normally it takes a rooster 15 to 16 weeks to reach the crowing stage.

At least three kinds of camels are known to have inhabited the San Francisco Bay region in the early pliocene era.

L.T. COL. R. E. KEY
New Scientist President

Christian Science Church Names New President Today

Boston, Mass. — Lt. Col. Robert Ellis Key, London, England, associate editor of the Christian Science religious periodicals, was named president of the Mother Church at the annual meeting of the Mother Church, the First Church of Christ, Scientist, in Boston, Mass., today.

About 7,500 Christian Scientists from throughout the world heard the board of directors state that spiritual understanding alone can pierce today's corruption in government and world confusion, and lead mankind to lasting safety and security.

Colonel Key succeeds Mrs. Lora C. Rathvon as head of the church.

Key officials of the church reported on the far-flung activities of the denomination, which has branches throughout the United States and in 41 other countries. Relief totalling some \$200,000 was voluntarily contributed to aid sufferers in the Kansas-Missouri valley flood, it was reported.

Juniors Plan Festival Participation in June
Special rehearsals of Bill's Heine's Juniors will be conducted this week in preparation for the Portland Rose Festival, Heine announced today. He said it is hoped to take about 75 or more members to the festival, but that a larger travel fund is necessary.

The Juniors have a good local demand for newspapers, he added, and would like to have them left on the front porch at 916

West 10th street. No magazines are wanted.

The drum section will meet at the Lincoln school grounds at 4 p.m. Tuesday, and members of the Medford 10 a.m., class will meet at the same place Friday at 2 p.m., both for special drill rehearsals.

Jill Gast, Beverly Hill, Sidney Yarnell and Sharon Picard were advanced to master sergeants last week.

Former Tenant Farmer Now Able To Retire

Pink Hill, N. C. — (U.P.) — Twenty-two years ago Gaston Branch and his wife were poor tenants on a rural farm, struggling to send their 13 children to school.

The Negro couple lived as tenants for 15 years before they managed to buy a small farm. Now, Branch has told the Duplin county Negro farm agent, Riddick Wilkins, "\$75,000 could not buy me out."

"It's taken 65 years of work", Branch said. "It hasn't been a bed of roses."

Now, Wilkins said, Branch has reached a goal attained by few tenant farmers — he can retire.

Wilkins said Branch believed in diversified farming from the start — emphasizing livestock production with a herd of hogs and cattle and use of improved farm machinery.

We were pleased to have with us 40 visitors from nearby Granges.

The drill team from Eagle Point Grange gave the third and fourth degrees to five candidates. All enjoyed the team's work and tableaux.

Shady Cove Grange extends sincere thanks to them, their drill master, Mrs. Rosie Smith, and the singers, all of Eagle Point.

Carroll Watson gave an explanatory talk on the announced intention of the state bureau of parks to open Casey state park to trailer and overnight camping.

This is vigorously opposed by the entire Upper Rogue community as being unnecessary. The already established camps for such purposes are entirely adequate, and Casey state park

is a very necessary recreation spot. Shady Cove Grange went on record as opposing same and the secretary was instructed to send in the resolution to the state bureau of parks.

Cecil Kee read an article concerning the decline in meat production in the western states as compared to the greatly increased population.

Gertrude Lewin reported on Crimson clover as grown on arid, semi-arid and unproductive land in the northern part of the state.

Of interest was a display table of "Things Very Old and Very New" by Mrs. Ida Otto and Mrs. Lewin.

Ice cream, cake and coffee were served by the refreshment committee, Mr. and Mrs. A. B. Clark, Mrs. Elsie Wilson and Mrs. Katherine Henry. H.E.C. chairman, Anna Beryl Kee, announced the next meeting will be on Tuesday, June 3 at 1:30 p.m. at the home of Mrs. Nellie Moteschbacher. Co-hostess will be Mrs. Sadie Vanderlipp.

Project will be making corages and those attending are requested to bring wire, ribbon and flowers if possible.

Roll call will be answered by naming a town in Oregon and something of interest concerning it.
