Savings Rate Sets All-Time Record

Chicago — (UPI) — Total assets of the nation's savings and loan as-sociations passed the \$20,000,000,000 mark in May.

The United States Savings and Loan League estimated a net in-crease in savings of more than \$750,000,000 during the first quarter of 1952. Ben H. Hazen of Portland, Ore., league pres-ident, said the savings rate set an all-time record.

Hazen said savings associa-tions and mutual savings banks now hold approximately \$38,500,000 in private savings of nearly 12,000,000 persons. He said it was more than the sav-ings departments of commercial banks throughout the country.
