

Trip to Canadian Wilds Could Prove Expensive for Timber School Principal

Forest Grove, Ore.—(U.P.)—A vacation in the Canadian wilds could prove mighty expensive for Robert Warner, who lost a close race to Austin Scraftford for Washington county school superintendent in the May primary.

Neglected To File
Warner, grade school principal at Timber, failed to file his campaign expenses before taking off on an extended campaign trip in Canada. Deadline for filing was last Monday and a whopping \$25 a day fine could be levied against Warner for every day he is delinquent in reporting his expenses.

Since informed of the matter by District Attorney G. Russell Morgan, Warner's friends have been frantically trying to find out how much he spent so they can file for him. They can't find Warner and have the Canadian Mounted police looking for him. The Mounties are trying to locate Warner, his wife and two children by checking places where he purchased supplies.

Quite a Problem
"It's turned into quite a little problem," said Paul Dayton, Warner's close friend. "He might decide to stay an extra week, because he doesn't have to be back for three weeks to meet a sum-

mer school schedule in Portland. And that fine could mount up awfully fast."
Dayton said Warner's failure to file the report undoubtedly was an oversight, or a misunderstanding.
