Prizes Given

Prizes were awarded to the winners for May. Mrs. Victor Sether, chairman of the spring handicap, presented the trophy and other prizes to the winners of that tournament. One Count Romps to Win In Rich Belmont Stakes

New York—(U.P.) — One Count and Eddie Arcaro proved too much for mighty Blue Man in the 84th and richest of all Belmont stakes Saturday as they upset the favorite in the mile and a half classic.

The crowd of 43,598 roaring fans had backed Blue Man, winner of the Preakness stakes after finishing third in the Kentucky Derby, down to 1 to 2 in the betting but they paid off on One Count as he streaked across the finish line two and a half lengths in front of Blue Man.

It was the first stakes victory for One Count, but for Arcaro it was his fifth victory in this third of the triple crown classics. The crowd gave Arcaro and his mount a rousing ovation when they came back to the winners circle to claim their $82,400 share of the $118,500 gross purse.

Champ All Way

For One Count proved a champion all the way as he busted the Triple Crown into three pieces for the second year in a row. He came out of the final turn just about on even terms with Blue Man and the pair staged a two horse race down the straightaway.

The other four starters were all through by that time and as Blue Man and One Count pounded through the straightaway the huge crowd sensed that an upset was in the making.

Conn McCreary, the comeback kid from St. Louis, Mo., was on the outside with Blue Man, swinging his whip for all he was worth.

But while each sting of his bat stirred Blue Man into greater efforts he was no match for One Count, a son of Count Fleet who won this same time honored stake in 1943.

Pulls Away

At the eighth pole, halfway through the home stretch the crowd began to roar. For One Count was steadily pulling away and he went under the wire slightly eased up. The payoff board in the infield lit up with $27.60, $4.60 and $2.80 across the board.

Blue Man paid only $2.50 and $2.50 for place and show as he went down to his third defeat in seven starts this year.

There was a gap of 10 lengths back to Cain Hoy stable's Armageddon, the one eyed colt who was second choice in the betting on the strength of his victory in the Peter Pan Handicap a week ago. Then came Isador Bieber's King Jolie, winner of the Jersey Stakes last Saturday, Sub Fleet from the Dixiana farm and Olympic, the English colt owned by Fred W. Hooper.

Portland Buys Third Baseman

Portland — (U.P.) — The Portland Beavers of the Pacific Coast league announced Saturday they have purchased Hank Arft, lefty third baseman of the St. Louis Browns, on a conditional basis to aid bolstering the Bevo campaign.

Arft, who has been sidelined for several weeks by injuries, will report to Manager Clay Hopper here next week during the series with the Seattle Rainiers.

LaFata Sent Home

The first baseman joins the Beavers on a "look" basis and is not part of the Leo Thomas deal of last winter with the Browns, Mulligan said. The Browns still owe the Beavers a player on option in the Thomas transaction.

Joe LaFata, reserve first sacker signed in 1950 as a free agent, was sent his home at Detroit to make room for Arft on the Beaver roster.

Out-of-Towners

Entries from out-of-town will include two from Coos Bay, William Becken from Klamath Falls and Mike Perrault, Joe Hallmark and Wayne Henninger. Ashland is holding a meet Monday to pick its participant in the district test. Probable district tussle entries from Medford include Justin Smith, Bob Shepherd, Connie Mann, Larry Bucey, Charles Green and Bob Rasmussen.

The six who qualify for the state fracus will get their expenses paid by the Medford jaycees to the state tourney at Bend on June 23 and 24. At Bend a four-man team and one alternate player will be selected for the national jaycee tourney at Eugene, Ore., August 11 through 16.

Utah Patrolman Shot By Two Hitchhikers

Coalville, Utah — (U.P.) — Two hitchhikers shot Utah Highway Patrolman Mark Birch of Ogden twice in the chest as he reportedly tried to question them Saturday afternoon at Echo Junction.

Birch was reported in fair condition in a Coalville hospital. Searching parties were hunting in nearby hills for the two unidentified hitchhikers.

Western Union Seeks Rate Boost Permission

Washington — (U.P.) — Western Union Telegraph Co. asked the Federal Communications Commission Friday for permission to boost rates 9.3 per cent July 6 so it may begin paying wage increases to employees under an agreement which ended a strike last month.

The new wage contract which ended the 53-day strike was conditioned on government approval of higher rates for telegraph messages and money orders and approval of wage increases.

Advice on Korea Rejected by Rhee

Pusan, Korea — (U.P.) — South Korean President Syngman Rhee reacted angrily Saturday to United Nations advice in his row with the Korean National Assembly. He said details of a "Communist bribery plot" he blamed for the crisis will be made public soon.

A message from Secretary-General Trygve Lie said the U. N. could not remain "unconcerned" when "arbitrary methods are used which threaten to destroy the roots of democratic government."

Lie referred to Rhee's declaration of martial law and arrest of 11 assemblymen.

In a statement through his official spokesman, Rhee said Lie had "leaped to the conclusion" that the president's action threatened Korean democracy. Rhee said "it is very regrettable."

12-Year-Old Boy Travels 2,000 Miles After Brother

Redwood City, Calif.—(U.P.) — Ralph Herbert Cowgill, 12-year-old seventh grader, had hitchhiked nearly 2,000 miles from his Southfield, Mich., home in quest of his older brother when his journey was interrupted within 400 miles of his Southern California goal Saturday by a sheriff's deputy.

San Mateo county deputy Wilmar Krueger blinked in amazement as the boy matter-of-factly gave his distant address when Krueger spied him thumbing a ride along the Bayshore Highway to Los Angeles early this morning.

Had Only $5

Young Cowgill was taken to Hillcrest Juvenile home where he told authorities he had left home Wednesday with $5 in his pocket, determined to find out what had become of his brother, Jack, 19, whom he had last seen last year in Downey, Calif.

The boy said that he and brother Jack were "great pals, we used to go fishing together," but he had no word from him for a long time and his mother would not tell him anything about his brother.

"I'm going to find my brother, no matter how long it takes," the little hitch-hiker said with determination.

Sisters Contacted

The sheriff's office said the boy's two sisters, Mrs. Virginia Shirk and Mrs. Bessie Jean Raemaker of Villa Jacquillitas in Downey had been contacted and were making arrangements to bring Ralph to them. There was no immediate word of brother Jack's whereabout who Ralph last knew to be with his sisters and employed in a Southern California aircraft company.

Young Ralph said he had decided to make the trip when his pals at school had begun chiding him about his brother, claiming that Jack had been jailed in California.

Ralph said he hitchhiked from his home Wednesday morning as far as Toledo, O., where he met a man he knew only as Harry and got a ride to Redwood City. They arrived at 5 a. m. today, went first to the man's home for breakfast, and then was taken 10 miles down the Bayshore Highway to give him a start on the last leg of his journey to Downey in San Bernardino county.

American Sergeant Escapes Explosion

Leghorn, Italy — (U.P.) — A bomb believed planted by Communist terrorists blew up an American Army sergeant's automobile on a quiet residential street early Saturday. The soldier escaped unscratched.

Italian riot police herded 30 persons found in the vicinity to police headquarters for questioning. Most were Communists.

Sgt. 1C Pasquale Ranucci, 31, of Schenectady, N. Y., exploded the bomb beneath the hood of his Oldsmobile when he stepped on the starter. Police said the bomb had been wired to the ignition.

The explosion wrecked the automobile, hurled an Italian truck driver against a stone wall, and shattered a dozen windows, but only stunned Fanucci momentarily.

About 90 per cent of the business buildings in Seoul, Korea, were destroyed in the four times the city has changed hands since June, 1950.
