95 Resolutions Face State Grange At Annual Meeting

La Grande — (U.P.) — The Oregon State Grange's 79th annual convention Tuesday faced resolutions dealing with everything from taxes to baseball.

Nearly 600 delegates attended opening sessions on the Eastern Oregon College of Education campus Monday and heard State Grangemaster Elmer McClure, Milwaukie, condemn new efforts to enact a state sales tax and to remove local control through a legislative school district reorganization bill.

McClure attacked a ballot measure imposing a six-mill limit on state property taxes as a "major step toward enactment of a sales tax," and urged the grange to oppose it "with all the vigor at our command."

The grangemaster, however, approved another tax measure permitting taxing units, such as on the ballot, an amendment permitting taxing units, such as school districts, to establish a new tax base through action of its voters. He also endorsed the three-cent cigarette tax measure.
