

USC Grabs 4th Consecutive NCAA Track Championship

Berkeley, Calif.—(U.P.)—Seven new meet records were set and two were tied as the powerful University of Southern California Trojans captured their fourth consecutive team title Saturday in the 31st annual NCAA track and field meet.

As the nation's greatest collegiate athletes completed their qualifying rounds for the Olympic trials in Los Angeles June 27-28, the eyes were turned on lanky Wes Santee, brilliant 19-year-old University of Kansas distance star.

Santee stayed out of the 1500 meter event to run in the 5,000

Berkeley, Calif.—(U.P.)—State of Oregon athletes who scored in the NCAA track meet here Friday and Saturday included:

Javelin—Chuck Missfeldt, Oregon, third with a throw of 207 feet, 6 inches.

800 Meter Run—Jack Hutchins, Oregon, two-way tie for third. Winning time 1:49.8 (new NCAA record set by John Barnes, Occidental).

High Jump—Emery Barnes, Oregon, two-way tie for first. Height 6 feet, 8 inches.

Pole Vault—Lyle Dickey, Oregon State, five-way tie for first. Height 13 feet, 9 inches.

meter race and turned in a sensational performance—and gave U. S. Olympic team coach Brutus Hamilton thoughts of having an American annex that crown for the first time in the history of the international games.

Santee went the distance in 14:36.3 to clip 18.2 seconds off the old NCAA record set by the great Don Lash of Indiana way back in 1936.

Santee was not even pressed and finished nine seconds in front of Charles Cappozzoli of Georgetown.

George Rhoden of Morgan State and Jamaica, who will be representing the British Empire in the Olympics, won the 400 meter dash but got a good strong argument from Ollie Matson, University of San Francisco. The big football star finished only two strides back as Rhoden was clocked in 46.3 seconds, only two-tenths of a second off the collegiate record.

The records set Friday by Parry O'Brien of Southern California in the shot put and George

Tommy Holmes Agrees to Terms As Active Player for Dodgers

New York—(U.P.)—Ex-Boston Braves Manager Tommy Holmes, one of the National League's most consistent hitters during the past 10 years, late Saturday agreed to sign a player contract with the Brooklyn Dodgers during the next 48 hours.

The popular, 34-year-old Holmes, a Brooklyn native who was released as manager of the Braves, May 31, will sign with the Dodgers as soon as they make room for him on the roster by letting go one of their players. Holmes will be used chiefly as a left-handed pinchhitter and outfield reserve.

"I feel in good shape," Holmes said at Ebbetts field prior to the Dodgers' doubleheader with the Cincinnati Reds. "I played quite a bit last season and I feel that I can help Brooklyn."

It is understood that Holmes had been offered a job in the Braves' Minor League system, but turned it down in preference to a playing role with the Dodgers.

Holmes, who was replaced as Braves manager by Charles Grimm, May 31, is the second deposited pilot to sign with another major league team as a player this year. Marty Marion, dismissed as manager of the St. Louis Cardinals, signed as a shortstop with the St. Louis Browns and was elevated to manager last Tuesday.

Angels Take Win In 10th Inning

Los Angeles—(U.P.)—The Los Angeles Angels took their straight Pacific Coast league win over Oakland Saturday as they edged the Aorns 7 to 6 in the 10th inning.

The Oaks opened strong by piling up a 6 to 4 lead at the end of the fifth frame, but lost an apparent win in the bottom of the ninth when Outfielder Johnny Ostrowski errored to allow two Angels to reach home and knot the score.

The winning runs came in the extra inning when Max West led off with a triple and was followed by Les Peden and Leon Brinkopf who loaded the sacks on intentional passes. Cal McLish took over as a runner for West and scored on a single by Jack Hollis.

Starting pitcher Bill Ayers went the first five innings for the Aorns, and led the Oakland plate parade by driving in four runs.

Shepherd Heads Links Delegation

Medford will be well represented in the Oregon Golf association junior tournament starting Monday at Alderwood course in Portland.

There will be Medford entries in all three male divisions.

The delegation from here will be headed by Bob Shepherd, 1931 boys' division winner. He will compete in the junior division this time.

Other Medford youth in the tourney will be Justin Smith, Connie Mann, Larry Bucey and Charles Green in the junior bracket, Bob Rasmussen, Gary Harrington, and Tom Hamlin in the boys' group and Donald Peck and James and David Town in the peewee division.

Harvey Woods, Ashland, will be a tourney participant.

Georgie Araujo Gets Decision

New York—(U.P.)—Young Georgie Araujo will post a \$1,500 challenger's forfeit next week for a shot at the lightweight crown because of his 10-round victory over Canadian Arthur King at Madison Square Garden Friday night.

But King will offer \$30,000 for the title shot because Friday night's decision was split and unpopular.

Each considered himself the No. 1 contender to meet the winner of the return bout between Champion Lauro Salas and ex-champ James Carter, scheduled for the Garden Aug. 28.

Julius Boros Passes Hogan to Win US Open Tournament

Dallas, Tex.—(U.P.)—Burley Julius Boros, a hungry Hungarian with only one minor victory in three years as a professional, did the impossible Saturday "for Buttons and the boy" as he caught and passed the great Ben Hogan to win the U. S. Open golf championship.

Four strokes behind the famed Hogan as the two final rounds began over Northwood Country club's sun-baked acres, the stolid, unshakable Boros fulfilled the fairway faith of the cute little wife who died giving him a son less than a year ago by blasting out a 68-71—281 to win America's greatest golfing prize.

Boros' winning margin was four strokes as Ed (Porky) Oliver of Lemont, Ill., closed fast with a two over par 38-34—72 for 285. That nosed out Hogan by one shot as Bantam Bean had a 38-36—74 for 286.

Fourth was Johnny Bulla of Verona, Pa., with a 73 for 287 while they were followed by George Fazio of Pine Valley, N. J., with a 75—290; Dick Metz of Maple City, Kans., 291; Tommy Bolt, Durham, N. C., and Lew Worsham, Oakmont, Pa., both 292. Farther back came Sam Snead, playing with a slight touch of pleurisy, at 293 along with Lloyd Mangrum.

Big Jules, 32-year-old Fairfield, Conn., clouter playing out of Mid Pines, N. C., turned professional in 1950 and took a job at Mid Pines. It was there he met and married little "Buttons" Cosgrove. She was his biggest rooster, a constant and ever-cheering companion, but the only tournament she ever saw Boros win was the 1951 Massachusetts open.

Because through the first two years that was his only triumph and "Buttons" died last September bearing his son.

But Big Jules got it for her Saturday in spades.

American Women Get Sweep To Take Wightman Trophy

Wimbledon, Eng.—(U.P.)—Sweeping through four straight-set victories with relentless determination, America's tennis queens completed a 7 to 0 victory Saturday to win the Wightman cup from Britain for the 20th time.

The U. S. lost only one set in the seven matches.

This was the fifth shutout of the seven postwar meetings. The British have won only four times—most recently in 1930, before the present Yank team was out of pictails. The British have won only four times since the series was inaugurated in 1923.

Doris Hart, the slender Wimbledon champion, clinched the cup in Saturday's first match with a 7-5, 6-2, conquest of Jean Walker-Smith since the U. S. had piled up a 3-0 lead Friday in the best-of-seven series.

The remainder of Saturday's matches were mere exhibitions, but the Americans did not let that deter their ferocious attack. Maureen Connolly, the 17-year-old San Diego, Calif., American

YMCA Wins Opening Tiff In Softball

Inaugural of the Medford Softball association season at the senior high field Friday night was spoiled by rain. The first scheduled contest was halted by rain after five innings and the second game planned was postponed.

In the abbreviated contest YMCA topped Eagle Point 7 to 2. Mobilgas and Andy's Jewelers were to have tussled in the other contest.

Bevos Release Two Pitchers

Portland—(U.P.)—The Portland Beavers Saturday released two pitchers, one the veteran Vince DeBiasi of Berkeley, Cal., who labored for the Bevovs seven years.

The other player lopped from the roster was Larry Cummins, 20-year-old righthander recently released from military service. Cummins made the last road trip with the Portlanders but failed to see action.

DeBiasi flashed some of his old-time form during spring training but leaves the Beavers with a 0-4 season record and a lifetime hurling mark of 109 wins and 109 losses. He joined Portland in 1946 after service with Oakland and Wenatchee of the Western International league.

JOINS ASSOCIATION

Portland—(U.P.)—The addition of the Oregon State league to the roster of the Oregon State Baseball association was announced Saturday by Nick Skavone, OSBA president. Skavone said the OSL is the eighth league to join the association and gives it a total of 53 teams. He termed the new affiliation a "big step toward unification of all Oregon semi-pro leagues." State league teams are in Salem, Eugene, Albany, Mount Angel and Silverton.

Dead line Sunday Classifieds is at noon Saturdays.

Stud Nine Plays At Bandon Today

The Medford Cheney Studs, seeking to advance up the ladder in the Southwestern Oregon Baseball league take on the Bandon Millers at Bandon this afternoon.

After last week's play the Studs were in fifth place in the league and Bandon in fourth. Two losses over the week end had dropped the Millers from second spot. The Bandon crew, which was suffering from a dearth of pitching talent, may have remedied the situation by now.

This afternoon's mix is to be broadcast by radio station KYJC starting at 2 p.m.

Alex Peterson Named Coach At Southern Oregon College

Ashland—(U.P.)—Alex Peterson has been named head football coach at Southern Oregon college, replacing Bill Abbey, president Elmo Stevenson announced Saturday.

The appointment, to be effective Sept. 1, still must be approved by the State Board of Higher Education. Abbey resigned a few weeks ago.

Peterson recently completed work at Columbia university for his doctorate and will be an assistant professor of science at the college as well as football coach.

He was a basketball letterman at Oregon State college and attended Portland's Grant high school. He coached at Astoria high school after leaving OSC.

He played football while in the service and mentored a prep grid team while attending Columbia.

Cambridge, Mass.—(U.P.)—William W. McCurdy, former Stanford University track star, has been named head track coach at Harvard. It was announced Saturday. McCurdy, assistant Crimson coach for the past two years, succeeds Jaakko Mikkola who died May 29 shortly before he was to retire after 31 years at Harvard.
