

Liquor Control, School Plan Hit at Grange Convention

La Grande — (U.P.) — State liquor control policies and school district reorganization drew the wrath of Oregon State Grange delegates in convention here Friday.

The delegates passed three resolutions aimed at changing the liquor control setup in the state. They call for an investigation of the liquor commission, a possible amendment of the Knox law, and a ban on liquor advertising in Oregon.

Investigation Asked
One resolution demanded an investigation—either by the governor or by the legislature—of why liquor income has dropped, the influence of outside interests such as gambling in the policies of the commission and why "good men don't want to serve" on the commission.

The resolution calling for Grange efforts and money to defeat the school reorganization bill in November was passed with only a few dissenting votes. It was the Grange which led the referendum movement to place the so-called Holy plan on the ballot.

Urge Dam Construction
In other convention action, Friday, the Grangers urged construction of the Hells Canyon dam and the Ice Harbor dam by the federal government but opposed construction of the Pelton dam on the Deschutes river by the Portland General Electric company.

The delegates passed three resolutions aimed at changing the liquor control setup in the state. They call for an investigation of the liquor commission, a possible amendment of the Knox law, and a ban on liquor advertising in Oregon.

5,000 Guard Troops Start 1952 Training

Portland — (U.P.) — Five-thousand troops of the 41st infantry division and other Oregon national guard troops were moving Saturday to summer training areas.

The 41st division was scheduled to move into Fort Lewis, Wash., while other guardsmen planned training at Camp Clatsop near Astoria. Trucks, trains and buses were used for transportation of the troops and supplies to their fifth summer training period since World War II.

Two Medford Oregon national guard units were among those slated to arrive at Ft. Lewis, Wash., Saturday for 15-days summer training. They are Headquarters company and Company A, 186th infantry, 1st battalion. The units, including 73 officers and men, left here by train at midnight Friday and are to return Saturday, June 23, at 6:30 p.m. by train.

TO COMMEMORATE BATTLE
Southern Oregon Society of the Sons of the American Revolution will hold a no host dinner at the Medford hotel Tuesday, June 17, at 7 p. m. to commemorate the battle of Bunker Hill fought by the Continental Army against the British on June 17, 1775. Rev. D. Kirkland West will be the speaker of the evening.

CATFISH DERBY QUEEN AND COURT—Miss Beverly Newberry (seated) has been named queen of the 16th national catfish derby to be held at TouVelle State Park next Sunday. It has been announced by the sponsoring 20-30 Club. Her princesses include Miss Tessie Ragsdale (kneeling) Miss Therese Stewart (standing left) and Miss Dorothy McGraw (standing right). The Derby this year will be the sixteenth annual observance of the event.—(Brainerd photo).

Annual Catfish Derby Scheduled For Next Sunday

The 16th annual Catfish Derby will be held at TouVelle park next Sunday, according to members of the sponsoring 20-30 club.

The event, which started years ago as a half-humorous contest among catfishermen, and which "caught on" over the years, will feature the "Original Catfishermen." Frank DeSouza and Frank Perl, who will serve as judges of prize-winning catfish displayed during the afternoon.

Many Contests
The event will begin at 1 p. m. and a wide variety of contests for young and old, men and women, all with prizes, will be held during the day, 20-30 club members reported.

It will be a day-long country style picnic event, with families bringing their own lunches. The club will operate a concession booth during the day.

Richard Schuchard will be master of ceremonies, and entertainment will include numbers and other features.

Medford Boys Named To Boys State Staff

Richard Crain and Darrell Brittsan, Medford senior high school students and delegates to the annual Beaver Boys State last year, have been named as junior counsellors on the staff of the 1952 Boys State, according to word received Saturday from James L. Wilson, director.

A meeting of young men who will attend the annual American Legion-sponsored event this year will be held the evening of Wednesday, June 18, at the home of Robert Dames, first vice-commander of the American Legion post 15, which is coordinating and sponsoring the Boys State plan. Dames' address is 33 North Barneburg road.

Standard Time Gets Votes Of Girls State Delegates

Salem — (U.P.) — Standard time in Oregon is for the girls. The legislators of Girls' State, both house and senate, passed a bill requiring all Oregon cities to comply with Gov. Douglas McKay's decision of this year that the state should remain on standard time.

The all-girl senate, after spirited debate Friday, defeated a bill to abolish the parole board. A "witch-hunt" act requiring all Oregon teachers to take a loyalty oath was sent back to committee, where it died. It was pointed out that teachers now take a pledge of allegiance to the flag and the United States on frequent occasions.

Bills to be acted upon included those to let 18-year-olds vote, to establish a civil defense program in all schools, to urge statehood for Alaska, and to eliminate capital punishment.

Girls State concluded Saturday night when 12 candidates vied for two positions as delegates to Girls' Nation in Washington, D. C. late in July. The girls in Oregon have gone on record as favoring a Girls World, with girls from foreign nations invited to join the organization

which is sponsored by the American Legion auxiliary.

Girls attending the 1952 Girls State from Medford include Kathryn McAllister, Ruth Ann Pedersen and Tresa Barr, all of Medford senior high school, and Regina Hannon, St. Mary's high school.

Snow, Frost Hamper Mahama Fire Fighters

Mehama — (U.P.) — From fire to frost, it's all in a June's weather report at Mehama near the foothills of the Cascade mountains east of Salem.

Two forest fires broke out near Mehama this week. One blaze was in the Syverson Logging company's territory at the foot of Lookout mountain.

Another fire somewhat larger was reported in Frank's Logging company area near Mill City. Although they were fighting fire, the fire warden and several loggers were working in snow by mid-week. Fresh snow was reported on Rocky Top, House mountain and at Marion Forks

Aid Asked in Hunt For California Man

Mrs. Alma Taylor, Box 538, Jacksonville, yesterday reported to The Mail Tribune she is asking persons in this vicinity to be on the lookout for Ezra "Lenny" Witham, 38, who is object of a widespread search following a shooting June 8 at Hydesville, Calif. Mrs. Taylor's daughter, Mildred Louise Witham, 28, also of Hydesville, was shot and killed in the affray.

She was the estranged wife of the Witham and was seeking a divorce from him at the time the shooting occurred, her mother said. Mrs. Witham was the mother of three young children and has visited in Jacksonville with her mother who has lived there about 10 years.

Witham is believed to be driving a 1947 or 1948 cream-colored convertible Chevrolet. He is described as being five-foot nine to eleven inches tall, weighing 210 pounds, heavy-set, fair complexioned with balding sandy hair. He is an ex-wrestler and fighter, has bad burn scars on his hands and talks with a slight Bostonian accent.

In 1933 only 29.5 per cent of the babies born in Canada were born in hospitals, but by 1950 the proportion had risen to 77 per cent.
