Now you Know!

The answers to everyday insurance problems*

By Reese Alexander
Insurance Counselor

QUESTION: I have a Personal Property Floater policy and I wonder if you'd tell me whether or not breakage of valuable items is covered.

ANSWER: That policy usually excludes coverage for breakage of fragile items such as statuary, glassware, eye glasses, etc. Better see your insurance agent about your own policy.

If you'll address your own insurance questions to this office, we'll try to give you the correct answers and there will be no charge or obligation of any kind.
