Portland Festival Will Be Continued

Portland — (U.P.) — The Portland Rose Festival will not be discontinued because of a shaky financial situation, according to directors of the Rose Festival association.

Some association members had expressed fear the colorful event might have to be halted for a year or two because of financial losses. However, Chester Duncan associate president, said abandonment has never been officially considered.

RESOLUTION NO. 708

A RESOLUTION proposing to permit adjacent property to use a trunk water main as a lateral water main; to levy an assessment on the property fronting on the street wherein said water main is laid; setting a time and place for protests thereto and providing for notice thereof.

WHEREAS the City of Medford has heretofore caused a water main in the City of Medford to be laid on Jeanette Avenue from Prune Street to West Main Street and the Council being of the opinion that said water main may be used by the property fronting on that portion of said main on Jeanette Avenue from the South City Limits to West Main Street in the City of Medford, Oregon, and

WHEREAS said water main has not, as yet, been paid for and it appearing to the Council that the use of said water main as a lateral water main by said property last above mentioned will not materially interfere with the use thereof for the purpose for which it was originally laid, now therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF MEDFORD, OREGON

Section 1. That it is the opinion of the Council that that part of the aforementioned water main laid in the City of Medford described as follows, to-wit:

As laid on Jeanette Avenue from the South City Limits to West Main Street in the City of Medford, Oregon. May be used by the property fronting thereon as a lateral water main without materially interferring with the use thereof for the purpose of a water main, the purpose for which it was originally laid, and the Council proposes to permit the owners of adjacent property to use the same for lateral purposes as aforesaid.

Section 2. It is the intention of the Council to assess the property fronting on the street wherein said water main is laid as hereinbefore last described its proportionate share of so much of the cost thereof as equals the special benefit which will result to said property from the use of said water main as a lateral water main of such size as would be required to supply the property fronting on said street in case said water main was not so used and the Council has and does hereby determine that the sum of $2.00 per front foot is the amount of such special benefit and the proportionate cost of such a lateral water main to such property as aforesaid and intends to access said amount against such adjacent property on account thereof.

Section 3. The Council will meet at the hour of 7:30 o'clock p.m., at the Council Chamber in the City Hall on the 15th day of July, 1952, at which time and place all protests of said assessment, as hereinbefore provided for, will be heard.

Section 4. The Recorder is hereby directed to serve notice hereof upon the property owners aforesaid by publishing this resolution 3 times in a newspaper published and of general circulation in said City and by posting the same in 5 public places in said City; said publication and said posting to be not less than 10 days before the date of said meeting.

Passed by the Council and signed by me in authentication of its passage this 17th day of June, 1952.
