IODIN FOR BETTER MEMORY

Dr. Brady

Through the years the Iodin Ration file—that is reports of the effects people taking the ration have experienced—expanded until the old quack who conducts this health service decided it was taking up too much space and consigned all but a score or two of typical reports to the chucker. The chucker, if you are curious about it, is virtually an incinerator fed by a chute from the studio, into which automatically go (a) unsigned letters, (b) letters over 100 words in length, (c) postcards, (d) clippings torn from my column in lieu of written requests, (e) requests for diagnosis, (f) daily armfuls of paid propaganda, and requests for post-mortem criticism of diagnosis and treatment.

A statement that appears in

Stolen Car Almost Brings End to Thief

Houston, Tex. (U.P.) — It wasn't the law officers but the car that he stole that almost meant the end of a youthful car thief.

Detectives Leroy Mouser and M. L. Singleton spotted the stolen vehicle as it was being driven along a Houston street. They began a chase.

The youth led them for five miles, then slowed the vehicle and leaped into a ditch, the car still moving.

The youth started to run up an embankment when he looked back and saw the car roaring at him at full speed, driverless. He barely crawled over the top of the embankment before the car plowed into where he had been crawling a split second before.

Before the officers could stop and get out of their car the fugitive had disappeared in some underbrush.

At present, Firestone workers, in accordance with an agreement between the company and union, retire at age 65 and, if the particular worker has 25 years service, is entitled to a \$100 monthly pension, including his social security payments.

Butte Falls—Mr. and Mrs. Jim Rodgers were in Corvallis recently to attend the graduation of their son Cecil, who received a bachelor of forestry degree. Also attending his graduation from Butte Falls were Mr. and Mrs. Bill Thomas and Mr. and Mrs. Cecil Rodgers is the Thomas' son-in-law.

Mrs. Jess Rodgers, Mrs. Velma McComb, Mrs. Kenneth Rodgers and Mrs. Bill Rodgers with their children enjoyed a picnic Monday at the Fish Hatchery.

Mrs. McComb, Jerry and Donnie, are from Charleston, Ore., and are visiting friends and relatives here. Mrs. Kenneth Rodgers and girls are visiting from Eugene.

Frank Edmondson was elected a member of the school board in a recent election. He will replace Mrs. Robert Beeman who did not seek re-election.

Mt. Pitt club met June 19 at the home of Mrs. Ed Malloy for their regular meeting. During the evening a white elephant sale was held. A discussion of changing the meeting night was held but nothing was decided.
