AAU Decathlon Competition Set To Open Today

Tulare, Calif. — (U.P.) — Bob Mathias, defending Olympic decathlon champion, faced competition from his young brother, Jim, in the National AAU decathlon meet opening today.

As 28 top all-around athletes from the country started their battle for a place on the U. S. Olympic team, it became evident that the man to beat for the national crown would be the elder (aged 21) Mathias. However, three places are available on the U. S. team.

The youthful Jim Mathias, aged 17, like his brother is an all-around athlete, although he has not achieved the legendary marks posted by Bob at that age. Bob was 17 when he won the Olympic crown in London in 1948.

Other entrants include James Sturdevant, Detroit; Don White, Iamoni, Iowa, and Russell Smith, Anderson, Ind.

Oregon Counties Will Get Federal Road Assistance

Salem—(U.P.)—Oregon counties will receive a total of \$1,460,000 of federal aid road funds to improve county roads located on the federal-aid road system. Acting State Highway Engineer W. C. Williams has disclosed.

This will be the first time that federal-aid road funds have been allocated directly to the counties. State highways have received federal aid for some time. Under the federal aid bill signed by President Truman last week, the contract work will be carried on under the direction of the State Highway Commission.

Colored Margarine Shipped to New York

New York — (U.P.) — "Operation Oleo" began rolling Tuesday when 10,000,000 pounds of colored margarine poured across New York state's borders in an army of more than 400 trucks and trains.

The "gold rush," destined for grocery stores began at 12 midnight when the state's 66-year ban on the sale of colored margarine ended.

An estimated 150 huge trailer trucks loaded with at least 4,000,000 pounds of oleomargarine for metropolitan New York, passed through the Holland and Lincoln tunnels and across the George Washington bridge from New Jersey.

Wheat Support Price Will Average \$2.20

Washington — (U.P.) The Agricultural Department, announcing that it will support the 1952 wheat crop at a national average of \$2.20 a bushel, predicted Tuesday that farmers will put a record amount of this year's bumper crop under government loan.

The loan level is pegged at 90 per cent of the July 1 wheat parity price of \$2.45 a bushel. It is designed to give farmers a "fair" return. This year's support price is two cents higher than last year's figure of \$2.18 a bushel.

This year's near-record wheat crop is flooding Midwest terminals, depressing prices and causing the department to urge farmers to take advantage of price support.

Tiger Manager May Be Ousted

Detroit—(U.P.)—Red Rolfe will be told he's fired as manager of the last-place Detroit Tigers at a meeting of the club's board of directors Saturday, a reliable source reported Tuesday.

Detroit — (U.P.) — Red Rolfe appeared on the way out Tuesday as manager of the last place Detroit Tigers.

Lending credence to the latest report that Rolfe was all through, General Manager Charley Gehringer said: "Where there's smoke there's usually fire."

Gehringer, quickly and emphatically pointed out that he knew "nothing at all" about the latest report that Rolfe and Coach Dick Bartell will be given walking papers, however.

"If there is to be any announcement — and I don't know that there will be — it will probably come from higher up," Gehringer said. He meant from Walter O. (Spike) Briggs Tiger president, who could not be reached immediately.

Stars, Oaks Top Coast Schedule

San Francisco — (U.P.) — First-place Hollywood opens an eight-game stand at Oakland Tuesday night in the kickoff of the best "crucial" Pacific Coast league series of the season.

The Oaks, five games off the race, are in third place but they've strengthened their lineup.

San Diego, now in second spot after leading the pack most of the summer, will take on sixth-place Portland. The Padres, only three games behind Hollywood, will keep a close watch on the Stars-Oaks duel.

Holding down fourth position, Los Angeles gets a crack at the wistful San Francisco Seals, while Seattle hopes to improve over its fifth-place rating at last place Sacramento's expense.
