

CHUCKER JOE CHEZ SIGNS WITH DETROIT TIGERS

Medfordites Will Head East Today

Joe Chez, 21-year-old ex-Medford high athlete who concluded a baseball pitching career this spring at Stanford university, announced Saturday that he has signed a contract with the Detroit Tigers of the American league.

Chez, a right-hander, actually inked a pact with Buffalo, N.Y., Tiger farm club, in the class AAA International league but will start with Williamsport, Pa., of the Class A Eastern league. He is to leave here by plane today to reach Williamsport on Monday.

Bernie de Viveiros, west coast scout for Detroit, inked the Medfordite Friday. A bonus was involved Neither de Viveiros nor Chez would reveal the amount. They said it was "substantial."

Many Bids
Chez had received bids from 12 major league clubs and several Coast league teams.

Joe, son of Mr. and Mrs. Fred L. Chez, 812 Palm street, has eye on professional ball, limited his athletic concentration to baseball after entering Stanford. His varsity record was 24 wins and four losses, 11 and one as a sophomore, six and two as a junior and 7 and one as a senior.

This year he was named to the all-star first teams of the California Intercollegiate Baseball association and District No. 8 of the National Collegiate Athletic association. He made third team college all-American. He hit .375 for Stanford this year.

Four Sport Man
Chez was graduated from Medford high in 1948. He was a four sport letterman, football, basketball, baseball and track.

For the Black Tornado and was student body president. As a youngster, he had no baseball aspirations, and in high school gave up pole vaulting because he felt the required exercises would be detrimental to his pitching arm. Chez won 10 games and lost one in prep baseball.

Joe's experience includes American Legion junior ball and semi-pro rivalry with the Cheney Stubs of the Old Southern Oregon league, Orland, Calif., of the Sacramento Valley League, and Pendleton of the Tri-State circuit.

When Chez as a sophomore was beaten 3 to 2 by Washington State in the coast conference play-offs, the Cougars stopped his pitching winning streak at 28-straight games.

In 1950, tossing a championship game with the Stubs, Chez defeated Roseburg 5 to 0 with 15 strikeouts. Roseburg, which had a long string of victories, was held to one hit.

PE-Major
Last season in the Tri-State loop Joe had a record of five wins and two losses and an earned run average of .80. He lost one decision 2 to 1 on an unearned run after fanning 18 batters in 16 innings.

Joe and his brother Fred are majoring in physical education at Stanford and must complete the full term to get their degrees. Both have been working their way, working at morning meal time at dormitories and as student "police" at campus functions.

Joe has not chucked in competition for six weeks but has been throwing and running to keep in shape.

Oregon Net Meet Slated

Portland—(U.P.)—The 54th annual Oregon tennis championships opens on Portland's Irvington club courts Monday and top netters from upstate and other parts of the west have signed up for the opening rounds.

Jerry DeWitt, Oakland, Calif., ranked second behind ex-national champion Art Larsen in his northern California stronghold, and Linn Rockwood, Provo, Utah, ranked first in the intermountain area, have both signed.

Champ Entered
DeWitt is a former star netman at the University of California and Rockwood was runner-up to Portland's Emery Neale when Neale won the Oregon championship in 1951.

Defending Champion Neale will be on hand again, along with Jim Brink, another Portlander. Other Oregonians attempting to keep the title on home courts will be Clyde Knox, Hugh Findlay, Jack Neer, Bill Rose, Jim Flynn and Tom McDonald.

MRS. SEAHORN FAILS
Indianapolis—(U.P.)—Della Sehorn of Portland, Ore., went to the sidelines Saturday in try-outs for the U.S. women's Olympic swimming team. Mrs. Sehorn failed to qualify Friday when she finished seventh in her heat of the 100 meters event.

Jensen Knotted for Second In American Loop Batting

New York—(U.P.)—Jackie Jensen, former University of California football star who has added more than 200 points to his average since the Yankees traded him to the Senators two months ago, moved into a tie for second place this week in the American league batting race.

Jensen was hitting .105—only three players ranked below him in the league averages—when he was traded during the first week in May. The latest official figures, which included Thursday's games, placed the 25-year-old Californian in a tie with Ferris Fain of the A's at .323.

Rosen First
Al Rosen, Cleveland's third baseman, held first place in the American league for the second straight week. He was hitting .328. George Kell of the Red Sox was fourth at .318 and his teammates, Dom DiMaggio and Billy Goodman, were deadlocked for fifth at .314.

In the National league, five-time champion Stan Musial of the Cardinals popped back to the top with a .332 average. Jackie Robinson of the Dodgers, last week's leader, dropped to third with a .320 mark. Toby Atwell, Cub catcher, moved from fourth to second with a .325 average. Willard Marshall of the Reds was fourth with .314 and Whitey Lockman of the Giants was fifth with .308.

Sauer RBI Leader
Although his batting average still was falling, Hank Bauer of the Cubs continued to lead the majors in runs-batted-in and homers. He had batted in 65 runs and had 21 homers. Sauer was 12th in the batting averages with .296.

Bobby Thomson of the Giants was runner-up in runs-batted-in with 62 and Gil Hodges of the Dodgers was third with 53. Rosen and Ed Robinson of the White Sox were tied for the runs-batted-in lead in the American league with 50 each.

Hodges was second in homers with 16. Catcher Yogi Berra of the Yankees and Vic Wertz of the Tigers were tied for the American league homer lead with 15 apiece.

Preacher Roe, Brooklyn left hander, topped the pitching percentages with a 7-0 record but the major's big winner still was little Bobby Shantz of the A's. He had a 14-2 mark. Sal Maglie of the Giants had an 11-2 record.

Navy's Collegiate Champs Win Way to Olympics Test

Worcester, Mass.—(U.P.)—Navy's National Intercollegiate Eight-Oared champions smashed the west's rowing domination Saturday by winning the right to represent the United States in the Olympics in the coxed four.

Navy beat down California's early threat in the first 500 meters of the 2,000 meters race and went on to victory in the trials final in 5 minutes 57.7 seconds. Princeton was second, Washington third and California a spent last.

The three-length victory in the eights and victory in the fours

without-coxswain gave Navy two teams representing the U. S. at Helsinki in the 1952 games. Two other Navy crews were defeated Saturday.

John B. Kelly, Jr., of Philadelphia, the 1948 U. S. Olympic entry, won the right to represent the U. S. in the singles by giving Charles McIlvane of Philadelphia a humiliating 20-length beating.

The other crews picked Saturday for the U. S. team: Doubles—Detroit Boat Club duo of Pat Costello and Walter Hoover, Jr.

Pairs with coxswain—Stanford's team of Bow Jim Fifer, Stroke Duval Hecht and Coxswain Jim Beggs.

Fours with coxswain—University of Washington.

Pairs without coxswain—Rutgers team of Bow Charles Logg, Jr., and Stroke Tom Price.

The big race Saturday was the eights as two western crews, California and Washington, sought revenge for Navy's intercollegiate victory in a sport long dominated by Pacific coast colleges.

Navy was ready for the challenge. California leaped in front at the start and was ahead at the 500 meters mark. But then Navy forged in front, and from then on it was a race for second place. Princeton's time was 6:06.2, Washington's 6:06.9 and California's 6:09.2.

Young Kelly beat McIlvane in 7:21.8 with Hoover third and Costello fourth. This was no contest. But the other races were tight.

Softball League Leadership at Stake Tuesday

Unblemished YMCA will be up against a tough rival in Medford Softball association men's action on Tuesday.

The Y may run into trouble in the season after its third win of the season when it tackles Camp White in the second conflict of the evening at the senior high stadium. Camp White, now knotted with Central Point in third place, could make itself a first place tie with currently second position Mobilgas by trouncing YMCA.

Central Point, like Camp White with two wins and one loss at the moment, will also shoot for higher loop status. The Pointers encounter Trowbridge and Flynn in the 7:30 a. m. opener on Tuesday.

EVENED UP
Greenwich, Conn.—(U.P.)—Nature's law of compensation worked out. Mrs. Patsy Tiriolo prepared her husband's breakfast and his egg turned up with no yolk. A week earlier, another housewife reported she found an egg inside an egg.

Hollywood came back in the third with four runs against three Oakland pitchers before Bill Ayers could put out the fire.

Little "Mo" Winner Of Wimbledon Crown

Wimbledon, Eng.—(U.P.)—Little Maureen Connolly, the 17-year-old Yank who scoffed at rain and shrugged off tradition, became the youngest Wimbledon women's champion in 65 years Saturday when she chopped down three-times-winner Louise Brough in straight sets.

The doctors, her teacher, her friends—everyone urged little Mo from San Diego, Calif., to withdraw from the tournament after her first match because of a painfully injured shoulder. But Maureen spurned their pleas and winced her way to the final victory.

Then she said, "this is nothing. I want to win eight of them like Helen Wills."

Seldom has a player won Wimbledon in her first try as Maureen did Saturday. And never, since 15-year-old Lottie Dod won in 1887, has a younger player grabbed tennis' most prized championship.

Maureen had power Saturday—something she hadn't been able to coax from the torn shoulder muscles earlier in the tournament. The 28-year-old Miss Brough, of Beverly Hills, Calif., had won the title in 1948, '49 and '50, and recognized the danger of Saturday's threat. So she threw everything into the first set and lost.

Her strategy was to win the first set, coast through the second to conserve her strength and pour on the venerable Brough power in the last set. But Maureen didn't go for that. When Miss Brough tried to slow down the play by volleying floaters,

Maureen sent the ball crackling across the court for whistling placements.

Miss Brough tottered near exhaustion at the finish, and she burst into uncontrollable tears when defeated.

She had started well enough. She broke Maureen's service in the fifth game but lost her own in the sixth at love. She was within two points of the first set in the 10th game, but little Mo won the game after it was to deuce three times.

Defending champions Frank Sedgman and Ken McGregor of Australia beat Vic Seixias of Philadelphia and Eric Sturgess of South Africa, 6-3, 7-5, 6-4, in men's doubles.

Shirley Fry of Akron, O., and Doris Hart of Coral Gables, Fla., won the women's doubles title with an 8-6, 6-3, triumph over Misses Connolly and Brough.

Hearing on Game Regulations Set

Portland—(U.P.)—A hearing on recommendations for Oregon's 1952 hunting regulations will be held July 11 beginning at 9 a. m. standard time, at the Oregon State Game commission offices here, the commission reported Friday.

Tentative regulations will be set after the hearing and the commission will meet again on July 25 to set final 1952 hunting rules.
