Gold Hill Student Leaves Thursday On UN Youth Tour

Gold Hill—Harold "Pat" Foley, junior student of Crater high school, left Thursday on the United States "Pilgrimage for Youth," sponsored by Odd Fellows and Rebekah lodges. He is one of two students chosen for the trip through an essay contest sponsored by the Leaders Council of Southern Oregon, including lodges in Jackson and Josephine counties. The other winner is Miss Patricia Abbot, Ashland.

Accompanying the two as chaperone is Mrs. E. D. Dameron of Ashland. They left for Spokane, Wash., from where they will travel east through Canada. They will join pilgrimage members from other parts of the country and make a tour by chartered buses to Niagara Falls, Gettysburg, Mount Vernon and other places of scenic and historic interest.

They will spend one week in New York City, visiting United Nations headquarters and making trips to Coney Island, the Statue of Liberty and other places of interest in and around New York City.

Pat Foley is the son of Mr. and Mrs. Harry Foley of First avenue. He was a runner-up in the United Nations Pilgrimage contest last year, when he was a student at Gold Hill high school.

Women Delegates At GOP Convention Attend Shows, Teas

Chicago—(U.P.)—Women delegates and visitors to the Republican Convention are being treated to a round of festivities ranging from style shows to a trip to the races.

Their hostesses are 700 Illinois Republican women, who are determined to see that the out-of-state guests have a good time.

The Illinois women hold open house from 8 a.m. to midnight every day in a two-floor tower suite at the Conrad Hilton hotel.

About 10,000 people—including "quite a few" men—have dropped in for programs, tea, advice on where to go in Chicago or just to relax and watch convention proceedings on the seven big television sets.

The Illinois women also sponsored three breakfast style shows at leading department stores and reserved six boxes at the suburban Arlington track for visitors who want to see the races.

Free tickets to radio broadcasts and even free cigarettes are distributed at the Tower headquarters.

Mrs. John K. Russell, Oak Park, chief hostess, said the courtesy is strictly non-partisan. The hostesses don't take sides in the scrap over candidates.

Girl Scout News

At Camp

A total of 102 campers are at Girl Scout camp, Low Echo, Lake o' Woods, for the opening week, it is reported from headquarters. Excellent camping weather is reported by the camp staff.

Next week's camp fees are now due at the scout office, it is stated. Last week only 15 campers delayed payment of fees until after arrival at camp, it was said, and the staff is hopeful that 100 per cent pre-payment of fees can be reached this week. Cooperation by parents on this point is much appreciated, according to headquarters.

A total eclipse of the sun will occur June 30, 1954. Starting at sunrise in the north-central United States, it will end at sunset in India. It will be unusual in that its path of totality extends across land more than water, giving millions of people the chance to observe it if their area skies are clear.
