Rotana Announces Benefit Project For Oregon Society

The Oregon Society for Crippled Children and Adults through Medford Rotana club is staging a one-day "give with gas drive."

All day Saturday, July 12, proceeds from the triple-pump gas station at Eleventh and South Central avenue will be devoted to furthering the services offered by the society.

Mrs. C. B. Partch, Jackson county chairman and district president for the society, pointed out that not only will the station give its profits, but local business men will service the cars which buy gasoline. Rotana members will stand by to clean windshields, make change and distribute balloons and lollipops to junior motorists.

Mrs. Partch added that "an opportunity to give painlessly to a good cause doesn't arrive too often, and said the venture is "typical of the all-out cooperation from local merchants which has been given the Oregon Society for Crippled Children and adults."
