Yankee Pitcher Gets Game Winning Single In Eleventh Inning

New York — (U.P.) — On the ropes and on the verge of being belted out earlier in the game, Allie Reynolds came out swinging in the 11th inning Saturday and produced a single that gave the New York Yankees a 5-4 victory over St. Louis' battling Browns.

Satchel Paige, who relieved Brownie starter Stubby Overmire after Gene Woodling's two-run homer tied the game at 4-4 in the fourth inning, pitched scoreless ball until the 11th when Yogi Berra led off with a single.

Gil McDougald bunted and all hands were safe when Berra beat Jim Dyck's throw to second base. Woodling scratched a hit off Paige's glove and after pinch-hitter Johnny Mize popped out, Reynolds personally accounted for his 11th victory of the season with a single to center.

Bob Lemon scattered six hits while pitching Cleveland to a 5-1 decision over Philadelphia. The Indians picked up an unearned run off hard-luck Sam Zoldak in the third, then gathered two more on Al Rosen's walk, Larry Doby's triple and Jim Hegan's long fly in the sixth.

Despite the fact that he pitched three-hit ball, Chuck Stobbs suffered the loss as the White Sox bowed to Washington, 2-1. With two out in the fifth and the White Sox leading 1-0 on Eddie Robinson's homer, Shortstop Sam Dente fell while trying to field a grounder hit by winning pitcher Julio Moreno. After Eddie Yost walked, Dente permitted Jim Busby's grounder to go through his legs as Moreno scored. Jackie Jensen's single then scored Yost.

A pinch single by Rookie Archie Wilson helped Boston to a 5-4 victory over Detroit. Wilson beat out an infield single in the eighth inning to send Sammy White home with the deciding run. Lanky Sid Hudson was credited with the victory although Al Benton relieved him in the ninth.

Spraying 22 hits to every conceivable corner of Wrigley field, the Brooklyn Dodgers retained their five-and-a-half game National league lead with a 12-2 conquest over Chicago. Peeewe Reese had a perfect five-for-five day against four Cub hurlers while Jackie Robinson, Andy Pafko, Carl Furillo, Gil Hodges and Dick Williams each collected three hits to help Ben Wade to his eighth victory.

Manager Leo Durocher shook up his lineup and then watched his Giants gain a 5-3 verdict over Cincinnati. Max Lanier gained his fourth victory although he was touched for homers by Andy Seminick and Joe Adcock, and then required Hoyt Wilhelm's aid in the ninth.

Thirty-seven year old Harry Brecheen yielded only six hits in eight innings and delivered a key hit as the Cardinals scored a 3-2 decision over Philadelphia. In addition to his fine work on the mound, Brecheen singled in the fifth to start a two-run rally that broke a 1-1 tie. Russ Meyer gave up nine hits while suffering his 10th loss.

Seattle Downs Angels, 3 to 1
Los Angeles — (U.P.) — Seattle moved into a tie for fourth place in the Pacific Coast league with the Angels today as Seattle Pitcher Art Del Duca's blooper over short brought in two runs, giving the Rainiers a 3 to 1 win over the Angels.

Del Duca was assisted materially by Third Baseman Rocky Krsnick who, despite letting in the lone Angel run on an error, made several spectacular stops on Angel line drives.

Three Angel pitchers appeared during the game while Del Duca went the distance. Angel starter Ed Chandler was charged with the loss.

Seattle picked up all its runs in the fourth, which began with singles by Krsnick and Jim Madern after two were out. Krsnick came in on K. Chorlitan's double, and then Del Duca's blooper over short scored his other two mates.

The one Angel run came in the fourth when Bob Usher singled, went to third on Leon Brinkopf's double and scored when Krsnick flubbed Les Layton's grounder.

PLEASANT LIVING
Helsinki — (U.P.) — The Finnish Olympic organization committee said Saturday it will open special dance halls next week and limit admission to Olympic athletes with one exception—women. Women "are invited to make the living for foreigners as pleasant as possible," the committee said.

Friend for five hits and four runs in the fifth inning to beat Pittsburgh 5-2. Vern Bickford, meanwhile, spaced nine hits for his fourth triumph. It was Friend's 13th loss of the season. Pittsburgh threatened in the ninth when it loaded the bases but Rookie Dick Grat ended the game by bouncing into a double play.

Pitcher Joe Chez, Medford youth who signed last week with the Detroit Tigers may be seeing his first professional action this week-end. He is with Williamsport, Pa., of the Class A Eastern league.

Sports Editor Ray Keyes of the Williamsport Sun, reported that Chez might get relief duty during the current series at Binghamton although it was doubtful that the Medford bonus player would pitch until the Tiger farm club returned home this week.

JOE MODEST
Keyes described Joe as a modest and appreciative young man. "After the press was finished with him," the sports writer said, "he went across the road to the West End league field where a baseball clinic was being held. He spotted a youngster who wasn't playing and worked up a game of catch with the boy."

LITTLE WOOTON INFO

There's a little information on how Derald Wooton, another bonus pitcher from Medford, is faring with Great Falls of the Pioneer league. Latest report is from a newspaper clipping on the July 8th Salt Lake City-Great Falls game in which Wooton walked three men and gave up one hit in one-third inning.

Great Falls won the fray 12 to 11 using three pitchers altogether while Salt Lake used four. Hub Kittle, former Klamath Gem manager was the losing pitcher for Salt Lake.

The clipping was forwarded by Ned Liebman, former Medford announcer now associated with the Ontario, Ore., radio station.

LEAVING MEDFORD

Mrs. James Wyatt, who has done a great job in providing the sports department of this paper with the information on women's golfing activities at Rogue Valley County club, is leaving Medford to make her home in San Mateo, Calif. Mr. Wyatt has been employed at San Francisco and will now commute from San Mateo. She has written several articles on Rogue Valley Country club for the magazine "The Golfer."

LEGION REBUILDING

Medford American Legionnaires have been working to rebuild the junior baseball program in the valley for the 1953 season. We hope they succeed. There is already talk that Central Point will field a legion team. If Ashland, Grants Pass and Cave Junction posts can follow suit, there'll be a fine line in the valley. Medford and Klamath Falls have fielded the only teams in the district for the past couple of seasons. It has been a problem to schedule enough games to keep the boys in practice and interested.

Ferris Fain Junior Loop Bat Leader

New York — (U.P.) — The American league, which changes batting leaders this season almost as often as Casey Stengel switches his New York Yankee lineup, found Champion Ferris Fain of the Athletics in the top spot this week with a .336 average.

Fain, who won the 1951 title with .344, was the seventh player to hold the lead in the weekly officials averages which always include Thursday's day games.

The Athletics' first baseman added 13 points to jump from third to first, but was only a point in front of 1950 champion Bobby Goodman of the Red Sox. Goodman, who popped into the top spot after July 4, was hitting .335.

Rosen Third
Cleveland's Al Rosen, last week's leader, was third at .330. George Kell of the Red Sox and Mickey Mantle of the Yankees were docked for fourth with .318. Jackie Jensen of the Senators and Gene Woodling of the Yankees were tied for the next spot with .314.

In the National league, where it will only be news if Stan Musial doesn't win the title for the sixth time, the Cardinal star held the lead for the second straight week at .333.

Strung out in order behind Musial were Bob Addis of the Cubs, .331; Toby Atwell of the Cubs, .324; Jackie Robinson of the Dodgers, .318; and Country Slaughter of the Cards, .314.

Musial, Slaughter and the rest of the rampaging Cards had Manager Eddie Stanky's club on top in team batting with a .267 mark. The first-place Yankees led the American league in club hitting with .268.

Sauer RBI Pace
Although Hank Sauer of the Cubs was 18th in the National league batting standings with .286, he still held the major league lead in runs-batted-in with 69 and in homers with 23.

Bobby Thomson of the Giants was runner-up in the National league runs-batted-in derby with 62. Rosen led the American with 53. Vic Wertz of Detroit topped the American in home runs with 16.

Bobby Shantz of the A's continued to lead the majors in pitching victories with a 14-3 record for 17 appearances. Preacher Roe of the Dodgers 7-0 and Harry Dorish of the White Sox 4-0 topped the pitching percentages in their respective leagues.

Auto Races Here Today

A program of six stock car races with a field of 23 autos is planned today at the track off Biddle road near the airport. Time trials will be held starting at 12:30 with races to begin at 1 p.m.

The main event will be 30 laps with another race of 20 laps, two of 15 and two of five. Race fans are anticipating bitter rivalry among Chuck Pendleton, Bill Rosenbalm and Roy Deutschman. There are several new drivers, adding to the interest of the afternoon card.

House of David Will Scrap Studs Tuesday

One of the most popular attractions in baseball will be available to Rogue river valley sports fans on Tuesday, July 15, when the bewhiskered House of David nine contends with the Medford Cheney Studs at the

Hawe Won 1.462

The travelers have averaged about 160 games per season and over the years have won 1,462 tiffs, lost 544 and tied five. Games have been played in every state in the union. Several other "House of David" nines, colored and white, have tried to copy this original club.

Each spring the Davids establish a camp in the south similar to major loop clubs and this year they trained at Marietta, Okla. Each year a number of young players ask for tryouts and they are not denied. As a rule two or three David players sign contracts with some club in organized ball.

The Davids do not hire players who are not in good standing with organized ball.

Pepper Game

So far this summer, the bearded crew has played a number of Oregon teams. Results include losses by one run each to Roseburg and Coquille which are in the Southwestern Oregon circuit with the Studs.

George Anderson, with the Davids since 1928, is manager and kingpin of the club's famous pepper game.

Marty Hume may hurl for the Studs.

On Friday, July 18, the Studs will battle the Havana Cubans, a colored traveling club.

Mobilgas took over lone leadership in the Medford Softball association men's circuit on Friday as Manager Bill Singler chucked a five-inning no-hit, no-run victory over YMCA for the Flying Red Horsemen. The score was 9 to 0.

The Gasmen picked up their fourth win of the loop to get a half-game lead over Central Point and Camp White, which have three wins each. All three teams have one loss.

Four men got on base against Singler. He walked Y Pitcher Herb Vessey twice and Willard Barnum and Lyle Heideman got to the base paths on errors. Heideman reached third base. Singler fanned eight batters.

Two Hits Each

Mobilgas capitalized on Vessey's wildness to get eight runs

in the first inning. He gave up five walks and hit one batter. Bill Werner and Connie Holzgang each singled twice during the canto and a fielder's choice and two errors aided the run-making.

The Gasmen tallied once more in the second frame when Don Wilkinson tripled and came home on Bill Donahoe's ground out.

In a girls' encounter the Medford Crater Babes strengthened their undefeated hold on first place by tripping Central Point 11 to 4. The Babes took a big lead with five runs in the first inning and three in the second. Make-Ups Slated

Going to bat in the bottom of the fifth inning, the Babes had a 9 to 4 lead. They quickly picked up two runs and that gave them a victory without completing the inning, according to the seven-run margin rule.

Next Tuesday Butte Falls and Eagle Point girls will play at 7:30 p.m. and Eagle Point and Camp White men will vie.

Arrangements have been made to make up games on Wednesday evenings.

Miller Cops Hardtop Car Main Event

The wrecker was kept busy pulling cars off the track Friday as hardtop racing autos made their Medford debut at the sheriff's posse grounds.

Bernie Miller, Grants Pass, gained the big honors of the evening by capturing the 20-lap main event. Bob Wright, Yreka, Calif., was second, and Herb James, Yreka, was third.

Eighteen cars from Medford, Yreka, Grants Pass, Klamath Falls, Camas, Wash., and Sacramento, Calif., were entered in the evening of excitement which saw numerous smash-ups on the slick track.

Cars Hit Fence

Lyle Hopkins, Yreka, set the mishap trend in the first heat race when his car hit the fence on the far side of the track from the grandstand. His car was unable to continue. Wright cracked the fence on the east turn in the third heat but he was able to go on.

Dick Patterson, Yreka, hit the fence where Hopkins crashed and Fred Arnsberg, Yreka, smacked the concrete railing of the grandstand. Both cars were forced out of the running. Frank Danley, Yreka, was forced out of the final heat race when his car plowed into the fence. No drivers were hurt.

Results in the first heat were Woody Thomason, Yreka, first; Jerry Hopkins, Yreka, second, and Patterson, third. Danley took the second heat race with Miller second and Morrie Woods third. Rusty Phillips grabbed the third heat with Wright second and Paul Nunes third. In the fourth heat Stan Brown was winner, Woods second and Dave Vincent third.

Miller Takes Heat

Miller capped the last heat tussle, Phillips was second and Thomason third. Thomason nabbed the trophy dash and Paul Nunes a novelty race.

Best marks in time trials were Danley 28.56 seconds, Phillips 28.59, Thomason 28.38 and Miller 29.55.

Races are planned at the posse grounds again next Friday night.

Maureen Connolly Winner Of Irish Tennis Tourney

Dublin, Ireland — (U.P.) — Maureen (Little Mo) Connolly, the 17-year-old Irish lass from San Diego, Calif., wound up her first international tennis tour with a perfect record and in an appropriate spot Saturday by winning the Women's Irish Lawn Tennis championship with a 6-1, 6-1 triumph over Jean Walker-Smith of Britain.

In her previous starts since coming to the British Isles, the young U. S. champion won two "warm-up" tournaments and two Wightman cup singles

matches in England before clinching world honors last week by capturing the Wimbledon crown.

Saturday's victory over Mrs. Walker-Smith was her third and easiest triumph over the fleet-footed British girl. Mrs. Walker-Smith took a set from Miss Connolly in the Manchester, Eng., tournament and another in the Wightman cup play but she never had a chance here against Little Mo's power hitting.

Miss Connolly drew frequent applause with her fine placements and even showed a fast service, usually one of her few court weaknesses.

IF YOU WANT BIGGER PAYLOADS, YOU WANT A DODGE

"We solved our hauling problems with Dodge 'Job-Rated' trucks"

...says BERNARD J. CARNEY, Manager, Weyerhaeuser & Denkmann Lumber Yard, Rock Island Lumber Co., Rock Island, Ill.

"Our business calls for trucks that can haul big loads day in and day out — and we like our trucks to last, too! That's why we prefer Dodge trucks that are 'Job-Rated' to fit our particular hauling job.

"We recently put in service two Dodge 'Job-Rated' 1½-ton models... and

they sure haul big loads the way we want them to! For instance, the 170-inch wheelbase models allow for a 14-foot body, which is ideal for our business. And Dodge easy-handling advantages enable us to maneuver these trucks in the same space as some other trucks with 12-foot bodies."

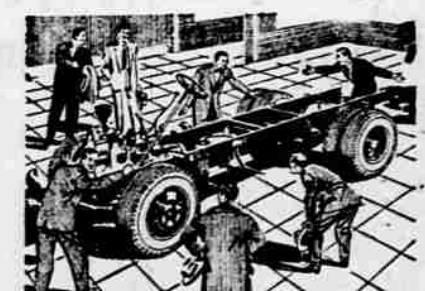

For bigger payloads, choose from many Dodge "Job-Rated" trucks—½-ton through 4-ton.

"Job-Rated" engineering makes it possible for you to haul more with the right Dodge truck for your needs.

You haul more economically, because of advantages like lightweight aluminum-alloy pistons and others.

For smoother power and extra load protection, glycol Fluid Drive is available on ½-, ¾-, 1-ton and Route-Van models.

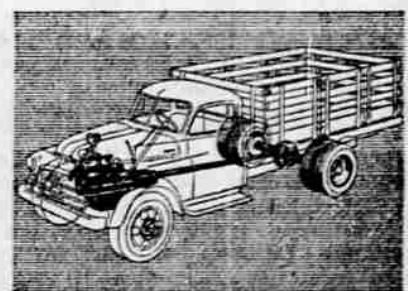

Come in for a demonstration—and an extra good deal!

The right load-carrying units. The frame, axles, springs, and other units that carry the load are "Job-Rated" on Dodge trucks. Each is engineered to provide the strength and capacity needed to support your load. And all are "Job-Rated" to work together!

Better weight distribution. The short wheelbase design of Dodge trucks allows more weight to be carried on the front axle. Because the engine is located farther forward and the front axle is moved back, you can haul bigger payloads without overloading.

The right load-moving units. You get an engine that's "Job-Rated" with plenty of power to pull bigger loads at low cost. In fact, all load-moving units—such as clutch, transmission, rear axle—are engineered to move bigger loads.
