No budget too limited....
FOR AUTOMATIC
OIL HEAT**

H.C. Little
Automatic, Oil-Burning
FLOOR FURNACE

24" x 54"

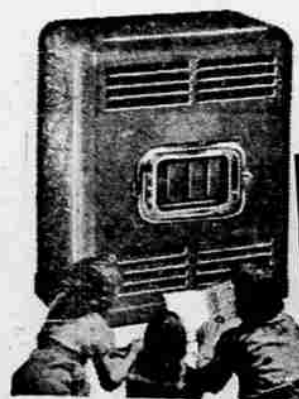

EVEN IF yours is a small home, you can still have the luxury of clean, convenient oil heat at a cost so low you'll save money every month. Let us show you a new-type furnace—directly beneath the floor, for maximum heat-delivery. No basement needed; no ducts or pipes; no ashes to bother with. Burns low-cost furnace oil. Available with Electric Ignition, the exclusive H. C. Little automatic starting feature that has no pilot light and is so economical in operation.

ASK FOR A
DEMONSTRATION

We are, indeed, grateful for your patience during our remodeling program, here at Samson's. Now we are ready for YOUR inspection . . . to have you come and help us celebrate a new milestone in Samson's 24 years in Medford. We've special prizes, and refreshments to make your visit Saturday both pleasant and profitable . . . and you'll see that we're equipped, better than ever before, to serve you in every farm need.

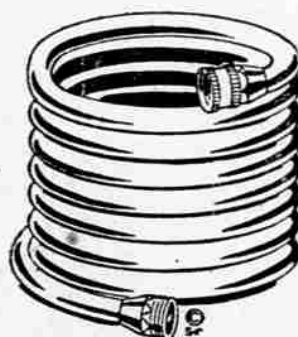

We sincerely regret that Elton Waldron has ended his long and satisfactory association with our organization and will enter new fields of endeavor. We wish him this best of luck. Fortunately, we have secured Mr. Maurie E. Sylvester of Portland as a member of our organization, a man long experienced in the seed and feed business and capable of offering a COMPLETE FIELD SERVICE to patrons of our company. Come in and meet Maurie Sylvester and let him assist you in solving your farm problems.

Lengths, Carriage Clamps, Ice Crushers, Hand Hammers, Screw Drivers (all sizes), Atkins and Disston Hand Saws, Grit and Shell Feeders, Home Scales, Jiffi Klip Shop Shelf, Grass Shears, Pruning Shears, Poultry Waterers, Step-on Garbage Cans, and many other Hardware Items at money saving prices.

**TRIANGLE
FEEDS**

Bring up to
**90%
LAY**

Last year we raised 1500 chicks on Triangle feeds and have used it exclusively since with complete satisfaction, getting up to 90% lay through the winter months despite the severe winter and are still getting between 75-80% lay now with indication of increase with improved weather conditions. So far we have done no culling since birds were housed.
We started with poultry five years ago on Triangle feeds and have tried other kinds of feeds but always found we got better results and profits by using Triangle feeds.
