Navy Mothers' Delegate Travels After Convention

Mrs. James Wicker, 809 Adams lane, returned recently from a six weeks trip back east, where she attended the Navy Mothers' national convention held in Toledo, Ohio.

A delegate from the Medford club, Mrs. Wicker went to the convention with Mrs. Carrie Trahan, national adjutant from Portland. They took a train from San Francisco to Chicago, and then went to Toledo for the convention which lasted a week.

Mrs. Wicker said she was "very impressed" by the talks given by Rear Admiral Stanton W. Salisbury, U.S. Navy chief of chaplains, who was the main speaker. He talked of religion's part in winning the war.

After the convention Mrs. Wicker visited her mother, Mrs. Olin Kuhl, and sister, Mrs. John Rusch, both of Antigo, Wis., her brother, Chester Kuhl, Rhinelander, Wis.; and another sister, Mrs. William J. McRay, Wausau, Wis. While in Milwaukee she was interviewed on the radio show "Grenadiers" on her birthday week and presented two round trip tickets to take a trip on the Clipper across Lake Michigan. She and a friend made this trip and went to Quebec, Canada.

Mrs. Wicker said that she took colored slides during her travels and took pictures of Niagara Falls on the Canadian and United States sides. She visited at the Shrine of St. Anne De Beau Prea in Montreal, and Ford's Greenfield village and museum at Dearborn, Mich., the birthplace of Henry Ford.

During her trip, Mrs. Wicker collected boots, shoes, and slippers which is her hobby. In Milwaukee, a friend had a party for her where the guests presented her with some items for collection.

Mrs. Wicker came home by plane.

Nutritionist Adelle Davis Will Autograph Books At Thursday Lecture

Members of the American Academy of Applied Nutrition and the Living Foods Study group are selling tickets to the Adelle Davis lecture on facts and fancy in nutrition, to be held at the YMCA at 8 p.m. Thursday, July 31.

The author of "Let's Cook It Right" and "Let's Have Healthy Children," Adelle Davis will autograph any of her books brought to the lecture. Her talk will center around the theme that your health and the health of your family is a mirror reflecting your knowledge of foods and cooking. The nutritionist will illustrate her talk with case histories, documented medical references, charts, menus and formulas.

At present Adelle Davis is a consulting nutritionist in Los Angeles. She served at one time as dietitian at Bellevue hospital, New York City, and later as a nutritionist in health clinics and supervisor of health education in the public schools of Yonkers, N.Y.

Before taking over these positions she studied at Purdue university and the University of California. She obtained her Master of Science degree from the University of Southern California Medical School.

While the brides of the former generation used Fanny Farmer's Boston Cooking School cook book, many modern brides now receive Adelle Davis' "Let's Cook It Right" to begin their cooking career.

Those who wish may purchase tickets to the lecture at local health food stores and they will also be on sale at the door.

Septic Tank Owners Take Notice

Home owners have discovered that septic tanks stop-up and overflow. Two reasons are—first, because the tanks are not cleaned at proper intervals; secondly, toilet tissue that does not readily disintegrate may clog the drains and force them to back up! This situation can be partially averted by buying the proper toilet tissue.

Recognizing the importance of this, MD Toilet Tissue is processed so that it absorbs water completely and quickly! People who know about—and use—MD Toilet Tissue have less trouble with clogged discharge drains in their septic tank system.

Follow this plan for best insurance: Consult your County Health Department, your plumber, or a septic tank service company, for advice on cleaning your tank. Use MD Toilet Tissue!

Here is the inspiring story of the unflinching courage of Karen's parents to fight appalling odds in the slim hope that therapy might win.
