New diet melts off 160 pounds
Helen Fraley proved it can be done—from an almost hopeless 295 pounds, she slimmed to an attractive 135, and never missed having 3 good meals a day. Her day-by-day diet is published in the Journal for the first time. She reveals her reducing secrets and tells you what to eat between meals. Whether you want to diet or know someone who should, be sure to read *I Am Just Beginning to Live* in the August Ladies' Home Journal.

faith and friendship walk hand in hand

Millions of Americans this month are making it a special point to invite their friends into their churches—as freely and frequently as they ask them to their homes. You'll find that SHARING your faith does something for you, and for your friends as well . . . it grows when it's shared . . . and your friendships grow, too.

Take someone to church this week . . . you'll both be richer for it
