1. "This is my 'Scotch Hi Ho' dress for reasons you can guess! I love it because it's two-piece and you can wear the middy top and the pleated skirt with other things. The sizes—3 to 6½ for 4.98, 7 to 14 for 5.98."
2. "I call this dress 'Miss Sophisticate' because the lace-edged linen collar makes me feel like a career girl, because the full-circle skirt has such a grown-up swing when I walk. It comes in sizes 3 to 6½ for 4.98, in sizes 7 to 12 for 5.98."
3. "I named this 'Full and Plenty' for its wonderful full skirt and because it has plenty of style features. The peek-a-boo eyelet yoke and the scalloped capelet are 'specially nice.' Get yours from sizes 3 to 6½ for 5.98 or 7 to 14 for 4.98."
