

Retriever Trials Sunday; Clubs Slate Competition

Events will be a derby stake for dogs under two years of age; a qualifying stake for dogs of all ages which have never been placed in an open all-age stake; a puppy stake for dogs under one year and an open all - age stake.

Cooler Days Means Harder Work For Prep All-Star Aggregations

Portland — (U.P.) — Cooler weather meant harder work for the high school All-Star football teams Friday as they prepared for the coming Shrine hospital benefit game in Multnomah stadium here.

Both the Portland All-Stars

will be no charge for entrance to the grounds.

A feature will be an event with nine-year-old Don Newell working with his own dog, Pic.

and the Oregon All-Stars will hold full-scale workouts now that the blistering sun has begun to relent. The teams have all-out scrimmages on their Saturday agenda to wind up the first week's drills.

Tragedy Strikes
Minor tragedy struck the State team when Cliff Rosenbaum, 202-pound fullback from Prineville dropped from the team and left for home. He recently had an operation to remove cartilage from both sides of one knee and has been unable to participate in scrimmages.

Another Stater, John Harbour, Grants Pass tackle, is on the sidelines with a knee injury.

Plenty of entertainment is on schedule for the players on both teams this week end. They will be honored guests at a softball game Friday night and will attend the auto races Sunday afternoon.

Talent Wins Cub Title

Talent won the second half of the Southern Oregon Junior Baseball league cub division last night by nudging Grants Pass 4 to 2 on the Central Point diamond.

Grants Pass earlier won the first half diadem and the two clubs will collide again on Monday at Medford for the over all season championship. It is hoped to play a night fray at the fairgrounds.

Last night Grants Pass got a two-run lead but Talent went on top to stay with three runs in the fourth frame. Roy Wernhold drove in two runs with a triple in the inning.

Carry Middlecoff
Divoter To Beat

Kansas City, Mo. — (U.P.) — Cary Middlecoff of Memphis, Tenn., the ex-tennis star, was the man to beat Friday as the \$15,000 Kansas City Open moved into its second round.

Hardtop Cars Race Tonight At Sheriff's Posse Track

A hardtop auto racing program of a contemplated 60 laps and with some 30 drivers is slated tonight at the Jackson County speedway at the sheriff's posse grounds on Sage road west of Medford.

The events planned are four heat races of six laps each, a trophy dash of three laps, a final heat of eight laps, a special event, a semi-main of 12 laps and a main event of 20 laps.

Winners of the four heats will vie in the trophy dash and those who place first, second and third in the heat races will vie in the final heat. Trophy dash winners will start in the rear in this eight lap race.

20 Local Drivers
About 20 drivers of the local Southern Oregon Stock Car Racing club are expected to be entered. These drivers have been racing Sundays at the airport. The races tonight at the posse oval will be promoted by the men who have been conducting races at the airport. A good representation of men who have been racing in past weeks at the posse grounds is anticipated this evening, also.

Among drivers of this area south wind that experts said added "at least four strokes" to the Milburn Country club layout, Middlecoff slashed a brilliant 32-35—67, five under par to assume the lead Thursday.

The slender Memphis shot-maker lost to U.S. open champion Julius Boros of Mid Pines, N.C., in a playoff at Tam O'Shanter last week. Boros was in the field here, but he virtually shot himself out of the tournament on the opening day, posting a 36-40—76, nine strokes off the pace.

**Games Scheduled
In ABC Ruckus**

Portland — (U.P.) — Tongue Point meets Warrenton and Norgan's Beavers of Portland clash with Steinfields of Portland Friday night in a second-round double-header of the state American Baseball Congress tournament here.

Tongue Point and Warrenton, each with one loss and no wins in the tournament, will be fighting against elimination. The two Portland teams have one victory each and will be battling to see which takes the favored position in the tournament.

In Thursday night contests Cascade Locks defeated Willamette 2-1 and Forest Grove stopped Mecca Luncho of Portland 3-0.

**Races Saturday
On Ashland Oval**

Ashland—Hardtop races again will be held at the Ashland Rodeo grounds on Saturday.

The evening program will commence at 7 o'clock.

Last week 48 cars were entered in the races. Of these 23 were in the main event. Only eight cars finished the main race, an indication of the slam bang type of entertainment fans may expect.
