San Francisco — (U.P.) — The seat cushion vendors were on easy street today and the Portland Beavers were a game out of fourth place in the Pacific Coast League as a result of yesterday's 22-inning victory over San Francisco in the Butcher-town ball yard.

After four hours and 20 minutes of top notch pitching by both clubs, the Beavers fell upon Ted Shandor for two runs in the 22nd frame and that was enough to wrap up a 4-2 verdict in the battle for fourth spot.

It was the first 22-inning affair to be recorded in the coast league books since 1928 when Sacramento got involved with Oakland in a marathon fust.

Went 14 Frames
The big guy of yesterday's game was Portland's Royce Lint, who went 14 innings before stepping aside for Red Adams. Larry Ward, who came on in the 20th got the victory.

Hollywood retained its six-game lead over Seattle by trimming Sacramento 4-3 while the Suds were defeating Los Angeles in 10 innings, 8-7. San Diego dumped Oakland into the cellar, drubbing the Acorns in a twin bill, 6-3 and 5-2.

Max West, who has been out of the lineup for most of the season with an injury, smashed a home run in the ninth to tie the game for L.A.

Broke The Tie
But the Rainers helped Al Widmar win another when Gordie Brunswick singled home Artie Wilson with the tie-breaker in the tenth.

Dale Long clubbed his 25th homer in the eighth inning to give Hollywood the one run it needed to veto the Senators.

Charlie Schanz threw the gopher ball and got the defeat.
Bill Howerton slammed his 23rd of the year in San Diego with two Acorns on the bags but even that wasn't enough to halt the Oaks' slide into the basement. Howerton's clout came in the first game against Willie Luna and that was all they could do against the southpaw from Tacubaya.

Chris Drug Scores 10-Inning Victory Over National Guard

Chris Drugs of Jacksonville outslugged Mobilgas to take a 15 to 14 victory in 10 innings in a Medford Softball association game at the high school field last night. Mobilgas pitchers added 14 walks to Chris' 10 hits to aid in the victory.

In the seventh inning of the extra-frame affair, Don Wendt, catcher for the druggists, hit a fly ball to center field where it was dropped allowing three runs to cross the plate and tie up the game.

In the other half of the twin bill, YMCA poured it on National Guard to the tune of 12 to 4. The winners gathered 13 hits while the losers could accumulate but four.
Don Basey, pitching for the YMCA, was injured in a slide into third base in the fifth inning and had to leave the game. He suffered a possible fractured ankle.

Mangrum Says Hogan Praise Is 'Hogwash'

Chicago — (U.P.) — Lloyd Mangrum, golf's top money winner of all time, said today that some of the praise being heaped on Bantam Ben Hogan is "hogwash."

Mangrum, who sought his second "world championship" today at Tam O'Shanter Country Club, where he has won the "All American" open three times, said statements that Hogan is the greatest golfer in the world "make me a little sick."

"Sure, Hogan's a fine player," Mangrum said. "But he's a long way from the best golfer that ever picked up a club."

"Just let him play on the tour with the rest of us week in and week out and he'll place eighth or ninth occasionally and it wouldn't surprise me if he finished out of the money once in a while."

Do Just As Well
Mangrum said he knew "half a dozen" pros the winter and summer circuit would "do just as well as Hogan if they could afford to pick their spots like he does."

In throwing cold water on the "greatest of all time" accolade for Hogan, Mangrum said he didn't want to "knock" the four-time National Open champion but "it's a little ridiculous, all this notoriety."

Bullet Wounds, \$4 Received by Burglar

Portland — (U.P.) — A man suspected of burglarizing Sellings Thriftway market late last night got two bullet wounds and only about \$4 in pennies for his efforts, Multnomah county sheriffs' deputies reported today.
Hospitalized, but not regarded in serious condition, was a man identified as William Sherman Wells Jr., Portland.
Sheriff's deputies, alerted by a man who saw someone entering the market, chased Wells fled in an old truck, but finally abandoned it and took off on foot. That was when Sgt. Garth Stackhouse stopped him with two bullets from his revolver.
Market owner John Soller said the burglar got only \$4 in pennies.

Winner Gets Boos, Loser Given Cheers

San Francisco — (U.P.) — Consider the sad case of Art (Golden Boy) Aragon, the bad man of the boxing world.

He won a 10th round technical knockout over underdog Henry Davis in a bloody fight last night, and got booed for his efforts.

"How about that?" he asked today as he nursed a couple of swollen eyes. "Guess I can't win fights any place."

Aragon, one of the biggest gate attractions in the West and a top challenger for the welterweight crown, also draws nothing but boos for his deeds in his home town of Los Angeles.

Last night as he left the ring after referee Frankie Brown had awarded him a TKO, fans booed him and cheered the loser, Davis.

"But you can't take anything from that Davis," said the Golden Boy. "He is a real busy puncher and he gave me a lot of trouble."

"I'd rather fight a heavy-weight than one of those little guys. They are so busy all the time that you can't connect with a solid blow."

"I know he wants a return bout, though, and I'll give it to him."

The close fight was witnessed on a coast to coast television network and was a rousing battle from start to finish.

Destruction Derby Slated Friday Night

Crash or be crashed" will be the special event motto Friday night at the Jackson County Speedway.

Another "Destruction Derby" will be run by popular demand of the hardtop fans, drivers and pit men. The Derby of two weeks ago proved itself popular and some of the participants think that they can make a better showing this time.

Cars have been rebuilt and returned. Time trials start at 7 p.m. Cecil James has his M9 repaired and will be out to get 17 points away from Bernie Miller.

Late Third
Elmer Sisemore garnered 38 points last Friday night to jump into third place in the point standings and, if he has another night like that will be pushing Bernie and Cecil hard to hold their number one and two spots.

Only 17 points separate first and second spots and only three points separate third and fourth. Jack McCoy holds fourth place with Bob Wilcox in M11, only eight points behind and steadily moving toward the top.

Jack Milhoan in the Union Club Queen took his share of firsts but wasn't too happy about one of them. He won first in his heat race but later was the first driver to take his mount completely over the rail and land rolling on all four wheels.

"Leadfoot" Lou Kurz returned to the hardtop wars in the speedy little R22 from Myrtle Creek and, moved up a place in the point standings.

Prizefighter Held in Jail

Chicago — (U.P.) — Heavyweight prize fighter Bob Satterfield was jailed today by vice detectives and held on an open charge. The Negro boxer was not booked, pending further investigation.

The arrest was made at an apartment by detectives Robert Burton and Harry Iwicki. Two Negro women, Jean Thompson, 24, and Effie May Cooper, were arrested with Satterfield.

The detectives accused the women of accepting \$75 in marked money from them. Satterfield was arrested in another room of the apartment, police said.

Satterfield's attorney, Euclid Taylor, said "he denies" any wrong doing and indicated the two women were merely guests in the boxer's apartment.

Taylor said that Satterfield believed his troubles seem to "stem from an irate neighbor" with whom Satterfield had had previous trouble.
