BY CARL LUNDQUIST
New York — (U.P.)—Well, who will it be in the starting game of the World Series at Yankee Stadium, Tuesday, Oct. 6—Ed Lopat or Preacher Roe?
Since everything else was about settled today in the major league pennant races it seemed appropriate to speculate a little on who'll do the hurling when the Dodgers and Yankees meet again, and the two veteran lefties looked like good bets.

The Yankees wound up their "wrap up the pennant weekend" on a negative note yesterday by losing the finale to the White Sox 5-0 on the three-hit pitching of lefty Billy Pierce, but they already had dashed the hopes of the second place Chicagoans by winning the three previous games of the series.

Raschl Pitched Homer
Bob Boyd hit Vic Raschl's first pitch of the game for a homer and added two more singles, driving in another run to pace the Sox to their anticlimactic triumph. Pierce pitched his 15th victory and struck out eight to take over the major league lead again with a total of 137.

The Dodgers won 9-1 at Cincinnati on Russ Meyer's three-hitter and a grand slam homer by Duke Snider which sewed it up, but their lead over Milwaukee was reduced to seven games when the Braves defeated the Pirates 7-4 and 10-3.

In other National League games the Cardinals topped the Giants 6-2 and the Phils blanked Chicago 7-0.

Other Games
The Red Sox dropped a 9-3 decision to Cleveland in which Bob Avila, Joe Tipton, and Bob Kennedy hit homers for the Indians. They made 14 hits behind Mike Garcia, who won his 14th game.

Ray Murray's pinch-single in the ninth gave the Athletics a 4-3 victory over Detroit and the teams battled to an 8-8 10-inning tie in curfew-halted second game. Gus Zernial took over the American League home run leadership with blasts in both games, giving him a total of 29.

St. Louis topped Washington 3-0 with three runs in the ninth on singles by Don Lenhardt, Les Moss, and Bill Hunter plus two errors, but the Senators came back to win the second, 12-3.

Slo-Mo Shun Takes Gold Cup Event

Seattle — (U.P.)—Stan Sayres' Slo-Mo-Shun IV still was speed queen of the waterways today.

The "old lady," the fastest boat in the world, upheld her reputation for the third time yesterday in winning the 46th running of the Gold Cup race, the classic of the speedboat world.

Slo-Mo kicked her rooster tail wake in the face of a dozen contenders from Detroit who tried desperately to return the golden goblet to the Michigan metropolis.

She toured the 90 mile grind easily to win with an average speed of 92.61 mph. Only three boats finished.

More than 300,000 persons watched the race.
Lee Schoenith's Gale II was the only boat that gave the Seattle champion anything like a run for her money, but even then the effort was far short of being a serious threat. Gale II was second and Jack Schafer's Such Crust III was third.

MEXICAN BIRD GUIDE
Chicago — (U.P.)—The first comprehensive field guide book to the birds of Mexico has been prepared here. Emmet Reid Blake, associate curator of birds of the Chicago Museum of Natural History, prepared the book, "Birds of Mexico," which lists nearly 1,000 species found there.

NO LONG TRIP, PLEASE
Pacoima, Calif. — (U.P.)—James A. Lasley, Burbank, Calif., said he hoped the thief who stole his private plane was not planning a long trip. He said the single-engine craft was carrying enough gas for one hour's flying when it was stolen from Whitman Air Park.

Walter Reed Team Nabs Top Honors at 20 Records Fall

By HOWARD APPELEGATE
Portland, Ore. — (U.P.)—Dizzy AAU officials were still counting records today after a hectic three days in which the Walter Reed Swim Club of Washington, D. C., added the Women's National outdoor swimming championship to its indoor title.

With slim, 24-year-old Gail Peters setting a strong pace, the Walter Reed team amassed 84 points and set four new American records over the 55-yard Jantzen beach pool.

Miss Peters, a government employee, set national marks in two events and a meet record in another to score 24 points herself.

One world's, nine American and all 11 meet swimming records were broken.
It was only the second time

since 1940 the meet has been held over the 55-yard distance, thus many of the marks were up for the first time in years.

Carolyn Green, a 19-year-old freshman from Miami university broke the world's mile freestyle record in 23:03.4 minutes. She also won the 880-yard freestyle title and was second in individual scoring with 21 points.

Barbara Stark from San Francisco, swimming unattached, cracked two records. Judy Roberts of Indianapolis Athletic club and Della Muelenkamp of San Francisco each broke a mark and the Walter Reed relay team, paced by Miss Peters, broke records in two others.

New Marks
Pat McCormack of the Los Angeles Athletic club easily won the titles in the one and three
