

Artist To Hold Annual Exhibit Saturday Sunday

Eugene Bennett has planned the annual showing of his paintings for Saturday and Sunday, August 15 and 16, at his home studio, 333 South Grape street. The exhibit is held annually by the young artist while he is here from Chicago, where he both studies and teaches, for the summer months. Hours both days will be from 2 to 7 p. m. and anyone interested is invited to attend.

The young man has been painting for the past 10 years, and plans to include in the exhibit some representative work from each year.

To vary the event somewhat, Mr. Bennett has planned to give a painting demonstration Saturday at 4 p. m. Sunday at about the same hour a short musical program will be presented.

The artist, a veteran of World War I, studied first at the University of Oregon and later at the Art Institute of Chicago. He has taught art at New Trier High school, Chicago, for the past two years and has exhibited widely both in Oregon, in Chicago and in other cities.

The paintings will be exhibited in the yard and also in his new studio recently completed at the Grape street address.

Gold Hill Church Group Meets at Walker Home

Gold Hill—Mrs. Millie Walker was hostess for a meeting of Woman's Society of Christian Service of Gold Hill Community Church Tuesday afternoon. The session was opened with devotionals led by Mrs. H. A. Dierdorf, and followed by a regular business session presided over by Mrs. Lawrence Smith, president of the organization. Plans were made for a food sale to be held August 25 at Gail's Market.

It was announced that a contribution had been given to the church to apply on the new roof and other remodeling just completed. Members were also asked to bring any new and used clothing to the church basement before September 13, to be sent to the children in Korea. Anyone in the community may donate to this cause if they desire.

Women are asked to take gifts to the next meeting for a summer "Christmas" party, with the donations to go to missionaries in the Philippines to be distributed among the children. The packages are to be wrapped in Christmas paper.

Mrs. Ivan Smith will take charge of the "coffee keys" in place of Mrs. Wilbur Martin. Quite a few keys are needed to get the large coffee urn, and October 1 is the deadline.

Mrs. J. G. Kofahl was honored with a surprise birthday cake baked and served by the hostess, Mrs. Walker.

The next meeting will be held at the home of Mrs. Frank Carter September 8.

Marilyn Monroe Injures Ankle

Jasper, Alta. — (U.P.) — Marilyn Monroe nursed a sprained ankle today and thanked screen hero Robert Mitchum for fishing her out of a river.

Miss Monroe was reported to have narrowly escaped drowning when she took a plunge into the swift Maligne river that wasn't in the script of the film she is making in Jasper national park.

The film star, her charms concealed by chest-high rubber waders, was standing on a rock when she lost her balance and fell into the glacier fed stream. The waders filled with water and she couldn't stay afloat.

Mitchum, her co-star in the 20th Century Fox production "River of No Return," pulled the soaked and shivering actress to safety with the help of film crewmen.

An examination showed Miss Monroe's left ankle was sprained and she was ordered to take a rest.
