

SOME DAY, POW!—Although some older veterans chew tobacco during their working hours, young Mickey Mantle, Yankee slugger, prefers the less strenuous job of chewing bubble gum. Mantle surprised fans at Yankee Stadium during White Sox game by popping bubbles. Kind of dangerous for a centerfielder if sudden pop fly should come his way.

### Sport Parade

By OSCAR FRALEY  
United Press  
Sports Writer

New York—(U.P.)—Little Phil Rizzuto, the sparkplug of the New York Yankees, peered hesitantly into the future today and asserted that the Brooklyn Dodgers will be tougher to beat in the 1933 World Series than they were in last year's full seven-game battle.

"Understand, I'm not claiming the pennant yet," the scooter insisted cautiously. "This is all 'if' because I don't want to put the jinx on us."

But, "if" the Yankees and Dodgers do square off in the World Series, the little shortstop who already has played in seven of the baseball classic has nothing but respect for the Dodgers.

"I saw them in four games over the Labor Day weekend, when I was sent home from St. Louis because of heat prostration," Rizzuto explained, "and that lineup is murder."

"They will be tougher than last year, too, because they have more confidence," he added. "They have better pitching and they are hitting well, and that batting lineup, phew! Any one of them, all the way down the batting order, can put it out of the park."

Strangely enough, the scooter is rooting for the Dodgers to walk off with the National League flag as quickly as possible.

May Be Cocky  
"I hope they win every game, right up to the end; he grinned."

"That probably would put them into the series as the favorites and maybe they'd get a little cocky."

Little Phil knows how disastrous that can be, because that's what happened to the 1924 Yankees when they were beaten by the Cardinals.

"That's the only answer to us losing that 1943 series," he reflected. "We won the pennant by a big margin and we simply relaxed. We thought we had the Cards beaten and then 'boom'—We looked up one day and the series was over and the Cardinals had won it."

The Yankees today are what you might call a relaxed ball club. There is a lot of light-hearted joshing in the locker room and good natured ribbing during pre-game practice. But once the game starts, the Yanks look like a lot of hungry ball players.

"I'm a worrier," Rizzuto explained. "I feel good now and everything is going fine, but I'm the kind who worries because things are going too good. That's the way with this ball club. We won't consider we have this pennant until it's locked up."

### Hardtop Auto Races Here Today; Point Race Close

Hardtop racing starts its Sunday afternoon shows at the Jackson County Speedway in Medford this afternoon.

With the end of the current season drawing to a close, point leaders will be hard pressed to keep their top positions. Bernie Miller in M6 will have to keep his speedy mount in the front row all afternoon if he is to hang onto his number one spot.

Cecil James, M9, is only seven points behind and Jack McCoy is right behind Cecil so there will be plenty of hard, fast driving this afternoon. Barreling Bobby Wilcox says he isn't satisfied with fourth place but intends to climb on up and Elmer Sisemore figures that he belongs at the top, too.

There's only one number one position and the track may be a little crowded if everyone tries to get in that spot.

Honorary President Bud Beachwood is expected to compete for the first time on the Jackson County speedway today, and will no doubt be a formidable contender. Bud has been watching the boys in Yakima, Wash., do their stuff on a mile and an eighth track and has some ideas about speed on this one.

Speed, spills and thrills will be on the program this afternoon at the speedway located at the Posse grounds and there may be some new track records when the sun finally goes down on the Rogue valley.

### Eagle Point Romps 39-0 On Glendale

Eagle Point — Eagle Point high bounced a ragged Glendale football club 39 to 0 here on Friday in the first prep fray of the season in Jackson county.

It was a JDJ League hassle and marked the debut of Glendale into the small Class A school circuit.

The Eagles struck for their touchdown in the first quarter, two in the second one in the third and two in the fourth. Two Eagle Point jaunts to the end zone were nullified in the opening canto by penalties.

End Frank Reich was on the receiving end of three touchdown pass plays. The first was on the opening scrimmage play of the game. Reich took a sleep-off pass from Charles Eccleston and ran down the sideline. The pass and run was good for 37 yards. The conversion buck failed.

Mason Intercepts  
A 55-yard drive wound up in another touchdown for the Eagles in the second stanza. The pay-off was another Eccleston to Reich aerial good for 19 yards. A pass conversion try was incomplete and the count was 12 to 0. Eagle Point's Eldon Mason intercepted a pass on the Glendale 30 and romped to the one-foot mark. The next play lost ground. Then, Wayne Gillaspay punched across the goal and bucked the extra point try. Half-time score was 19 to 0.

A Gillaspay to Reich pass gained 77 yards and third period TD. Jack Greb booted the extra counter and Eagle Point's margin was 26 to 0. John Fox plunged one yard for a fourth quarter score but Greb's kick failed. The concluding TD resulted from a bad Glendale center snap. John Bunker scooped up the ball on the 18 yard stripe and went all the way. Eccleston converted.

Back Bob Stewart was lost to the Eagle Point team in the first quarter when he suffered a broken leg. Back Gene Eccleston was also disabled in the first quarter and was unable to return to the Eagle line-up.

HOT ROD RECORDS SET  
Wendover, Utah—(U.P.)—Mal Hooper, Los Angeles hot rod enthusiast, has six new international Class C speed records, after putting his hand built streamliner through its paces on Bonneville Salt Flats. He sped through the speed traps at 236.36 miles per hour for a new record in the one mile flying start, topping the previous record by nearly nine miles per hour. Other records he set are: 235.87 mph for the five kilometer run; 232.58 mph for the five mile; 231.95 mph for the 10 kilometer, and 215.97 mph for the 10 mile run.

### Bowling CITY LEAGUE

Alexander and Brown hopped in the winners' circle of the City Bowling league last week with a 4 to 0 victory over the Little Joe team of Moose lodge. Bull Moose pulled up in the race with a 3 to 1 decision over the Independent Order of Foresters. White City Sales split with Crater Electric of Central Point but got a first place tie with Beaver Sales company when that team lost 3 to 1 to Henry's drive-in. Two games were decided by five and six pins only. The standings so far indicate a close race in the circuit.

### THURSDAY TRIPLES

Royal Club defeated Crater Lake Motors 3 to 1 last week in the Thursday Triples Bowling League to retain front spot. The Motormen dropped into a third-place tie with Chabots who won by 3 to 1 over Star Body Works.

The Repairmen, however, were elated by their first win of season. Medford Bowling lanes set the Mitchell Knockers down 4 to 0 to club into second place. Van's Oil City split with Sherwin-Williams Painters.

### British Driver Bests Existing Speed Records

Bonneville Salt Flats, Utah—(U.P.)—British designer-driver Donald Healey's Austin-Healey "100", fastest car in its class in the world, Saturday shattered stock cars, regardless of engine ed every existing record for size.

The car sent three established records tumbling, and also broke six U.S. National records at the fifth annual Bonneville National speed trials.

The records were 108.7620 mph for 10 miles after taking a flying start, and 109.1727 mph for 10 kilometers.

Thursday, Healey drove the car to a new measured mile speed record for production cars of 142.636 mph. The British driver said it was only by accident that he set the measured mile record. American Automobile association timers were checking their equipment and decided to clock Healey. It was found he had averaged more than a mile better than the previous flying mile record for production autos.

On Monday, Healey will understate the first of two 24-hour assaults on international and America records for stock and sports cars in a dawn-to-dawn run.

### Hanson to Teach at Washington State

Ashland — Philip Hanson, widely known for his directing and acting in Oregon Shakespearean festival and Vining Repertory company plays, has accepted a teaching position in the drama department at Washington State college, Pullman.

Hanson and his wife, the former Suzanne LaMarre of Ashland, are leaving today for Pullman. Hanson states that he will teach oral interpretation and acting and will direct two of the college plays. He was graduated from WSC in 1949 and later studied at the University of Illinois, receiving his master's degree from that institution in June of this year.

He played leading roles with

### Native Dancer Withdrawn For Race with Tom Fool

New York — (U.P.)—Racing's long-awaited meeting between Native Dancer and Tom Fool hit a snag Saturday when the Dancer was withdrawn from the Sysonby mile at Belmont Park, Sept. 26, because of the lack of training time.

The Dancer recently underwent a minor operation for a leg bruise and, in the opinion of owner Alfred G. Vanderbilt, "it will be impossible to have him at his best for the Sysonby."

"So we feel we must announce that Native Dancer will not run in the Sysonby," Vanderbilt said.

The announcement of Native Dancer's withdrawal thus reduced what had been anticipated as a "dream race" to just another handicap event. The Dancer's only defeat in 19 races came this year in the Kentucky Derby, while Tom Fool is unbeaten in his last nine starts. Their scheduled meeting in the Sysonby had stirred interest throughout the nation, for it could have decided the "horse of the year" title.

### Doug Ford, Mayer Tied For Top Spot

Baltimore, Md. — (U.P.)—Doug Ford, Golf's leading money winner of the year and Dimunitive Dick Mayer, who hasn't won a major tournament all season, were tied for the lead Saturday at the end of the third round of the \$15,000 Eastern open.

Playing in the same threesome turned in three under par rounds to give them a total of 209 each for 54 holes, one stroke ahead of Peter Cooper, White Plains, N. Y., who led at the end of the second round Friday.

Mayer flashed a magic putter in Saturday's round but his putting Wizardry deserted him just once on the par four 16th hole when he bogeyed permitting Ford to catch up. Until the 16th Mayer had come through with 15-foot putts on the first and fourth holes and a 20-footer that saved him from a bogey on the 9th.

On the final hole of the round, however, Mayer, from St. Petersburg, Fla., recovered some of his mastery of the green back and sank a 15 foot putt after chipping out of a sand trap.

Ford, after shooting a par for the first nine holes in Saturday's round, caught some of the spark that so far this year has earned him \$22,448 and came up with Birdies on the long 535-yard 10th hole and the 395-yard 13th. The Harrison, N. Y., pro also saved the day for himself by sinking a 15-foot putt for a par on the 16th while Mayer was scoring his bogey.

### Taylor Puts Beavers Through Tough Drills

Corvallis — (U.P.)—Coach Kip Taylor put the Oregon State Beavers through a rugged, game-type scrimmage Saturday in which the Orangemen were battling for spots on the traveling squad which opens the Season Saturday at UCLA.

Taylor said every man was given ample opportunity to show what he can do under actual game conditions.

Only one practice session a day was scheduled for next week after completion of two weeks of rugged twice-a-day drills.

### Sports Bulletin

Miami, Fla.—(U.P.)—Johnny Cunningham of Baltimore, a last-minute substitute with a 50-50 record, scored a stunning upset Saturday night over Lightweight Champion Jimmy Carter by gaining a split decision in their 10-round, non-title fight.

## SPORTS

### Klamath Has Good Backs

Klamath Falls — Good backs, inexperience in the line and green reserves is the general picture of Klamath union high school football this fall.

Backfield lettermen are Quarterback Larry Yarnell, a good passer who moves well from the T-formation spot; Jim Dougherty, hard running half back and full back; Greg Schulze, a fullback and also a hard runner, and Jim Bevans, a dippy doodle boy.

Another halfback is Don Dexter, a setback up from the junior varsity.

Only line letterman on hand is Ben Lawver, huge tackle, weighing 276 pounds. Guy Munsell, a letterman end, is out possibly for the season with a shoulder ailment, a recurrence of an old injury. With him shelved, leading end candidates are Elvis Mitchell, Jay Dearing and Bob Smith, all rising from the jayvees.

Jack Himelwright has the inside track along with Lawver at tackle. However, Ken Martin, transfer from Dunsmuir, Calif., is a boy to watch. He is six feet two inches and 195

pounds and should see lots of action.

Don Wells, Erwin Mullin and Modesto Jimenez are leading guard prospects. Denny Todd has been top center candidate but is pressed by Dwight Morris and Wayne Rodgers.

The Pelicans under Head Coach Bob Hendershott may mix some single wing with T offense.

Klamath Falls played Grant at Portland Saturday.

Sept. 18—Roseburg at KF	10-0
Sept. 25—Redding at KF	10-0
Oct. 2—Eugene at Eugene	10-0
Oct. 9—Ashland at Ashland	10-0
Oct. 16—Medford at KF	10-0
Oct. 23—Reno at KF	10-0
Oct. 30—Grants Pass at Grants Pass	10-0
Nov. 11—Bend at Bend (game Nov. 7 if either team qualifies for state playoffs)	10-0

### Ralph Lomelli Leader In Eastern Golf Open

Baltimore—(U.P.)—Ralph Lomelli sported a two stroke lead in the \$15,000 Eastern Open today as he led a field of 120 golfers into the second round.

Playing with a bent putter, Lomelli shot a six under par 64 in yesterday's opening round to move into first place.

Trailing him closest at the end of the first 18 holes were Julius Boros, the National Open champion of 1952, and John O'Donnell of Norfolk, Va., each with 68's.

### Briggs Heads Ashland Chamber of Commerce

Ashland — William Briggs, Ashland attorney, will serve as president of the Ashland Chamber of Commerce for the remainder of the term of the late V. D. (Bert) Miller, it was announced Saturday. Briggs has served as vice-president of the organization.

Dave Fortmiller has been named to replace Briggs as vice-president of the chamber.
