

FASTEST JET EXPLODES—Baffled Navy and Convair experts are pressing an investigation to learn why the world's fastest jet seaplane broke up in the air over San Diego, Calif., killing a veteran test pilot, Charles E. Richbourg. In top photo the YF2Y-1 Sea-Dart is shown as it skimmed the water on takeoff. In center it is shown in flight seconds before it exploded. In bottom, wreckage of the Sea-Dart hits the water.

Parents of Students Invited to Schools For Education Week

Parents of children attending all Medford schools are invited to visit the schools this, which has been designated as American Education week, according to E. H. Hedrick, city school superintendent.

Parents are welcome at any time, he said, but special programs have been arranged for those wishing to attend.

The week is sponsored by the National Education association, the American Legion, the U. S. Office of Education, and the National Congress of Parents and Teachers. This week is the 34th annual observance of the event. Central theme this year is "Good Schools Are Your Responsibility."

On Monday at 7 p. m., parents are invited to visit the Junior high school, register and receive the classroom schedules used by their children, and follow it for brief class sessions during which they will be able to see and hear, in a general way, the routine followed by the students.

The high school will have a similar "Back to School" program for parents at 7:30 p. m. Wednesday.

At Jackson school, parents are invited to visit on Wednesday at any time, and at 1:40 p. m. there will be a special program presented on the theme "A Good American," which also will salute war veterans, tied in with the observance of Veterans day the next day.

Three Other Schools
At the other three grade schools, designated visiting periods will be in the evening, although parents will be welcome at any time. Students' work will be on their desks, the rooms will be open and teachers will be in attendance. Refreshments will be served in the schools' cafeterias. Hours will be, for Lincoln school, 7:30 p. m. Wednesday; Roosevelt school, 7 p. m. Tuesday; and Washington school, 7 p. m. Tuesday.

Invitations and schedules have been sent to all the parents of students in school district No. 49 by way of the pupils.

KPs From Medford At Yreka Ceremony

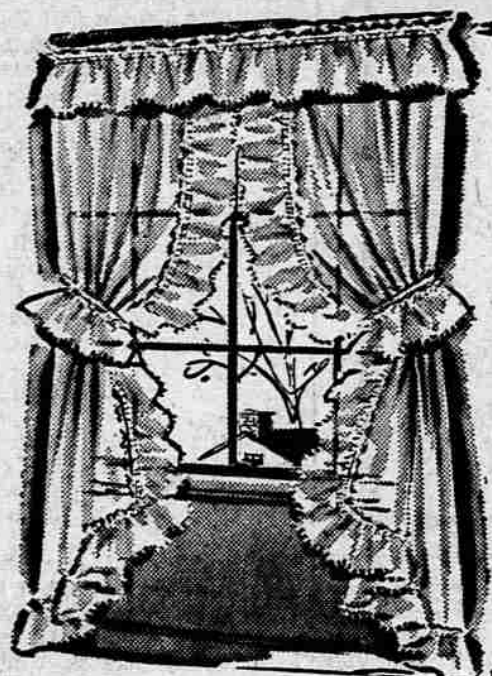

Several members of Talisman Lodge 31, Knights of Pythias, Wednesday attended a knight rank ceremony in Yreka. Attending from here were John R. Russell, lodge chancellor commander; Thomas H. Davidson, and John R. Dodge, past chancellor.

Recent visitors to the Medford lodge included Lt. Col. Charles Ord Reed, now of Ft. Carson, Colo., a former Medford resident, and Homer Jeffries, formerly of Corvallis, now of Central Point. John Kiel has returned to the valley from Wyoming, and has rejoined the lodge. He lives in Ashland.
