Peoria Cats Gain World Hoop Crown

Rio De Janiero—(U.P.)—Coach Warren Womble hailed his victorious Peoria, Ill., Caterpillars as a "great team" but predicted Brazil's swift although smaller team "will be a factor in the 1956 basketball tournament of the Olympic games."

The taller United States representative won the world amateur basketball tournament with a 62-41 triumph over Brazil Friday night, climaxing a sweep of all its round-robin final round games. The U.S. team surged off to a 35-19 halftime lead and never was seriously threatened.

The Philippines gained third place in the tournament by beating Uruguay, 67-63, and China downed Israel, 51-28, for fifth place.

Baker Victor Over Slade

Philadelphia—(U.P.)—Big Bob Baker of Pittsburgh, turning over a new leaf, joined the line outside Rocky Marciano's throne after a sparkling, unanimous decision over slippery Jimmy Slade of New York.

"I think Nino Valdes should fight me to decide who meets Marciano," the 28-year-old Baker said. "I beat Valdes already in Huntington, W. Va."

Baker, ranked seventh before Friday night's bout with the sixth-rated Slade, revealed that his triumph was fashioned from two months of intensive training, one of his most serious preparations in years.

"I worked hard for this fight, the 211-pound Baker said. "I did two months of roadwork alone. I even boxed with light heavyweight Joey Maxim to get me set for Slade."

Even Slade's manager, Al Joyner, praised Baker as one of the ring's best mechanics after hefty Bob displayed a crowding type of battle to smother Slade, and punch fast with both hands to the body.

"It was a case of meeting a man who was in shape for the first time in his career," Joyner said.

The strategy paid off as Baker, pressing throughout the nationally televised and broadcast bout, did not give the nimble Slade a chance to get off first base. Slade gave away 31½ pounds to Baker.

Even the ring officials and the near capacity crowd of 7,000 persons had hardly settled in their chairs when the end came at 1:06. Referee Mel Manning stopped the bout after Menzi had been knocked to his knees three times by a succession of left and right hooks and a powerful right cross.

FIGHTERS HONORED—Former heavyweight champion Jack Dempsey (left) presents trophies to Barney Ross (center), ex-light and welterweight, and James J. Braddock, another former heavyweight champ. The trophies represented the Testimonial Award of the Veterans Boxers Association for outstanding contributions to the sport of boxing.

SUFFERING SHOULDER SEPARATION, Hugh McElhenny (39), is lost to San Francisco 49ers balance of season. Injury occurred shortly after this play in which John Helwig, big Chicago Bear guard, is tackling him high during end run. Bears scored touchdown in closing minutes to defeat 49ers 31-27. DeMarco Works Out in Calif.

San Rafael, Calif. — (U.P.) — Paddy DeMarco boxed four grueling offensive tactic rounds Friday in preparing to defend his world lightweight championship against Jimmy Carter when the two meet Nov. 17 in San Francisco's Cow Palace.

DeMarco concentrated on right hand counter blows, then went to work on the midsection of Jimmy Walker, his sparring partner. Walker called several time outs during the rounds.

Joe Louis, former world heavyweight champion, visited DeMarco's camp Saturday. He is slated to predict the outcome of the Carter-DeMarco battle.

Grand Junction, Colo. — (U.P.) — Final ballot tabulation here Friday showed Liberace polled six write-in votes for Mesa County Sheriff in Tuesday's election.

U.S. forest fires each year burn over areas larger than Rhode Island and Delaware combined.

Lions Sock Colts, 27-3

Baltimore — (U.P.) — Sharp passing Bobby Layne led the champion Detroit Lions to an easy 27-3 victory over the last place Baltimore Colts last night in brisk autumn weather before a Memorial stadium crowd of 25,287.

The victory gave Detroit a league record of 7-1 and left the outclassed Colts at the bottom of the conference standings with a 1-7 record.

The Colts scored first on a 34 yard field goal by defensive halfback Bert Rechichar. But Detroit bounced right back to score on a blocked kick later in the same period and a field goal in the second. Layne's deadly short passes kept the Colts off balance as the conference leading Lions went on to roll up a touchdown and a field goal in the third period and a touchdown in the fourth.

The Colts played without the services of their best running back, injured Buddy Young, and as a result their running game against the hard-charging Detroit line was virtually nonexistent.

Cities Discuss B Baseball Loop

Yakima, Wash. — (U.P.) — Representatives of several Washington, Oregon and Idaho cities met here Saturday to discuss the possibility of organizing a class "B" baseball league of six or eight teams to replace the defunct Western International league.

The class "A" WIL folded up this summer. The chief reasons for the league's demise were low attendance and big payrolls. WIL members who may form the nucleus of the new league are Yakima, Wenatchee, Salem, Tri-City, and Lewiston, Ida. Also reported as strong possibilities for league membership are Eugene and Coos Bay, Ore., and Tacoma and Longview, Wash.
