Mail Rate Told For West Coast

Washington — (U.P.) — The Civil Aeronautics board today informed five airlines of the temporary rate the government will pay them for carrying first class mail by air between 20 west coast cities.

This new service would be operated on an experimental basis, similar to first class mail-by-air experiments already being conducted between Chicago, New York, Washington and Florida.

The proposed rate for the western service is 18.98 cents for each mile an airline carries a ton of first class mail.

The airlines involved are the American Northwest, Trans World, United and Western. They have eight days in which to object to the proposed rate.

The 20 cities which would be served by the experiment are Seattle, Wash., Portland, Salem, Bend, Redmond, Eugene, Medford, Klamath Falls, Ore.; San Francisco, Oakland, Sacramento, Stockton, Modesto, Merced, Salinas, Fresno, Visalia, Bakersfield, Los Angeles, Long Beach and San Diego, Calif.

Mayor Tells of Being Accused By Sheppard

Cleveland — (U.P.) — Mayor J. Spencer Houk of Bay Village told on the witness stand today how Dr. Samuel H. Sheppard had pointed the finger of suspicion at him as the bludgeon-murderer of Sheppard's pregnant wife, Marilyn.

Houk, who had been a close friend and neighbor of the Sheppards before the July 4 murder, testified he had "leaded with the husband to confess 'if he had done it.'"

He said Sheppard replied he could not have done it and instead told him there was an "interest" in him as a suspect.

The state accuses the 30-year-old osteopath-surgeon of beating his wife to death after a quarrel over his attentions to other women, particularly to Susan Hayes, 24, a red-haired laboratory technician.

BEARS BLOCK — Berkeley, Calif. — (U.P.) — The University of California Bears concentrated on blocking in yesterday's drill but Coach Lynn Waldorf said he was still dissatisfied. Waldorf said the Bears' blocking was "not what it should be, although it has improved."

Waldorf also worked out four new punners to give Paul Larson possible relief in Saturday's game with Oregon State. They were backfield men Steve Dimoff, Ralph Hoffman, Ted Granger and Hal Norris.

INDIANS TAKE TO AIR — Stanford, Calif. — (U.P.) — Coach Chuck Taylor ran his Stanford Indians through a 2½ hour passing drill yesterday in preparation for Saturday's game against San Jose State.

UO LINE DRILLED — Eugene, Ore. — (U.P.) — The University of Oregon line scheduled rugged practice sessions for the next few days in preparation for the Washington State game Saturday.

Coach Len Casanova said the Cougars' defensive line is the second best in the conference, topped only by that of UCLA. The Ducks stressed offensive patterns in yesterday's drill.

Short Creek Men Slated in Court

Kingman, Ariz. — (U.P.) — Nine men from the once-polygamous Arizona community of Short Creek must show cause why their probation should not be revoked at a hearing tentatively set for Nov. 22.

The nine men were reported to be among the 27 men who pleaded guilty Nov. 30, 1953, to a charge of conspiracy following a raid by state officers on the Short Creek community.

The Mohave county adult probation officer filed the petition yesterday after an investigation at Short Creek. It was a condition of probation that the men pleading guilty would refrain from living with their plural wives.

The Short Creek raid attracted world-wide attention July 26, 1953, when about 100 Arizona peace officers descended upon the town, which straddles the Arizona-Utah border.

About \$500 Earned For UMC at Concert

About \$500 for United Methodist Crusade agencies were derived last night from a benefit concert by Arthur Lee Simpkins, tenor, and his accompanist, Felix De Cola. The concert was held at the Medford High school. The singer and pianist appeared through the courtesy of the Rogue Valley Country club, where they are performing during their stay in Medford.

The pianist also furnished numerous selections. Medford Junior Chamber of Commerce members were in charge of tickets, promotion and arrangements for the benefit. Tony Manno, UMC president, introduced the singer and pointed out that through the help from various service clubs in his youth he had been helped in receiving his voice training. The tenor also expressed the hope that he may be in Medford for a similar UMC performance next year.

Flanders' Brother Gets AEC Clearance

Chicago — (U.P.) — Donald A. Flanders, atomic scientist and brother of Sen. Ralph Flanders (R-Vt.) has received an "unconditional" security clearance from the Atomic Energy Commission, the Chicago Sun-Times reported today.

Flanders is a mathematician at the AEC's Argonne National Laboratory near Chicago. The clearance carried an implicit agreement that no member of Flanders' family should communicate in any manner with Alger Hiss, now nearing the end of a five-year federal prison term for perjury, the newspaper said.

The sister of Flanders' wife was once married to Thomas Flanders, who is the brother of Mrs. Alger Hiss. Flanders and Flanders' sister-in-law were divorced in 1941.
