Famous Trichologist Tells Truth About Saving And Improving Hair

This new method of home treatment for saving and growing thicker hair will be demonstrated in Medford, Oregon, Saturday ONLY, Nov. 13, 1954.

These private individual demonstrations will be held at the Jackson Hotel on Saturday ONLY, Nov. 13, 2 p.m. 'till 9 p.m. OKLAHOMA CITY, Nov. 8.—In an interview here today Dr. Russell Collins, internationally famous trichologist and director of the Collins Hair and Scalp Experts, Inc., said "There are 18 different scalp disorders that cause most men and women to lose hair. Using common sense, a person must realize no one tonic or so-called cure-all could correct all the disorders," he explained.

GUARANTEED

"The Collins firm, recognizing that most people are skeptical of claims that hair can be grown on balding heads, offers a guarantee," Collins said.

Once a person avails themselves to the Collins treatment his skepticism immediately disappears. To insure this, we offer this guarantee. "If you are not completely satisfied with your hair progress at the end of 30 days your money will be returned."

HOPELESS CASES DISCOURAGED

First the Collins specialists are quick to tell hopeless cases that they cannot be helped. But the "hopeless" cases are few. Only if a man is completely, shiny bald is he in this lost category.

If there is fuzz, no matter how light, thin, or colorless, the Collins firm can perform wonders.

Everyone is given a complete, private examination to determine the condition of his scalp, and cause for his hair trouble.

FREE EXAMINATIONS

This examination is very thorough and highly technical. It requires 20 to 30 minutes. There is

no charge for this examination and no appointment is necessary. After the examination he is told the required length of treatment and how much it will cost.

After starting treatment, he makes regular reports to the Collins firm in Oklahoma City, and a trichologist will return to check his progress periodically.

To spread the opportunity of normal, healthy hair to the thousands who are desperately looking for help, the Collins firm is sending specialists to various cities throughout the United States to conduct examinations and start home treatment.

NO CURE-ALL

"We have no cure-all for slick, shiny baldness," Collins emphasizes. "If there is fuzz, the root is still capable of creating hair and we can perform what seems to be a miracle."

There is one thing Collins wants to be certain every man and woman knows. If a recession appears at the temples or a spot begins to show up on the crown of the head, there is something wrong and it should be given immediate attention.

HAIR FOR LIFETIME

"If clients follow our directions during treatment, and after they finish the course, there is no reason why they will not have hair all the rest of their lives," Collins said. "Our firm is definitely behind this treatment, it all depends on the individual client's faithful observation of a few simple rules."

HOW'S YOUR HAIR?

If it worries you call Trichologist K. C. Conner at the Jackson Hotel in Medford, Oregon, on Saturday ONLY, Nov. 13, 2 p.m. 'till 9 p.m. The public is invited. You do not need an appointment. The examinations are private and you will not be embarrassed or obligated in any way.

THE REV. L. D. KRAUSE

New Bethel Pastor And Family Arrive

The Rev. Lawrence D. Krause with his wife and two children arrived here this week from Bakersfield, Calif., to take up his duties as pastor of the Bethel Assembly of God. He succeeds the Rev. Ernest L. Friend.

Before accepting his call to Medford, the Rev. Mr. Krause was pastor of an Assembly of God church in Bakersfield. In connection with his duties in that city, he conducted a Sunday radio broadcast which had its beginning in 1932.

The Rev. Mr. Krause will preach at both the 11 a.m. and 7:30 p.m. services Sunday. The location of the Bethel Assembly of God is at 1729 North Riverside ave.

Canvass Pledges To Be Received

Every member canvass Sunday will be observed in the First Presbyterian church. Under the direction of Don Whalin and his committee, the pledges for the work of the First Presbyterian church at home and abroad for the ensuing year will be received at both services.

In order to become an Honor church in the denomination, the church must give one-half as much to benevolences as it spends on itself. The Medford church congregation will try to attain that goal this year.

Dr. D. K. West will preach on "God Loves a Cheerful Giver." Music will include a solo by Allan Lehl in the first service, an anthem in the second service, by the Chancel choir, and a duet at both services by Jane Anders and Margaret Rowan.

"Money for the Master" will be shown. Senior High Westminster fellowship will discuss "basic

beliefs of the Presbyterian Church."

An adult instruction class in churchmanship will be given by Dr. West at 4 o'clock followed by the Youth Communicant class at 5 p.m. The class is open to all interested.

Dead line for Sunday Classified is at noon Saturday.
