

Asian Turbulence To Dominate Headlines, UP Writer Declares

Columbus, O. — (U.P.) — The Kremlin has seen to it that "there are too many fingers on too many triggers for any real probability of peace in the Orient," according to Frank H. Bartholomew of the United Press.

The result is that the wars and turbulence of Asia will dominate the headlines for the months ahead with increasing frequency, the United Press first vice president said.

Ike Says Religious Faith Under Attack

New York — (U.P.) — President Eisenhower believes religious faith is "under massive attack" by "atheistic materialism."

In a letter to the American Bible Society, Mr. Eisenhower endorsed the group's annual worldwide Bible reading program which takes place between Thanksgiving and Christmas each year.

The President said the worldwide Bible reading program is "an act which fuels the flame of our faith." He added that he hoped its success this year would be greater than ever.

Mr. Eisenhower is honorary chairman of the society's sponsoring committee.

The worldwide Bible reading program encourages the reading of a selected passage of the scripture each day.

Committee Studies School Support Fund

Salem — (U.P.) — Oregon's basic school support fund and its use were being studied here today by a citizens committee of 39.

The committee met yesterday to study the matter of taxes and increased costs of education and to go over a survey of the basic school support fund made by Dr. Miles C. Romney of the University of Oregon school of education.

The committee, named by the State Board of Education, represents the state Grange, labor, industry, Chambers of Commerce, League of Women Voters, American Association of University Women and Parent-Teacher Associations.

BURNED BY EXPLOSION
Eugene — (U.P.) — Mrs. Myrtle Sharp, 68, was in serious condition in Sacred Heart hospital here today with first, second and third degree burns suffered when a gas-fired oven exploded. The accident occurred yesterday in Mrs. Sharp's trailerhouse home. The dwelling was demolished by the blast.

32ND TRAFFIC DEATH
Portland — (U.P.) — Thomas Leslie Robinson, Portland, was killed early today when his car struck a tree. He was alone in the car. It was Portland's 32nd, in 1954 traffic fatality.

Bartholomew, who is in charge of news coverage in the Pacific area, told Sigma Delta Chi's national convention last night that "nothing" could contain militant Communism and maintain the peace "except strength on our part."

Need Firm Policy

He defined the strength in a speech to the professional journalism fraternity as "a firm policy by the United States so clearly enunciated that it cannot be twisted or misunderstood, and with competent military establishment under orders to enforce."

Bartholomew, who recently received the Texas Journalistic Conference medal at Southern Methodist University of "12 years of hazardous and brilliant reporting of the wars of the Pacific" said that young journalists should take an interest in Asia and approach the subject with an open mind.

The Asians have shaken the bonds of colonialism and are making great and admirable strides toward freedom and independence," he said.

U.S. Prestige High

"The United States has an advantage in prestige among these people," despite the violent propaganda of Moscow, because of our example in the establishment of the republic of the Philippines. Under President Ramon Magsaysay this is becoming one of the model new nations of the world.

"Our generous postwar treatment of Japan has also stood us in good stead."

"But this friendly attitude toward friendly governments must not be permitted to be misunderstood for weakness."

"To our temporary misfortune, the people of China have fallen under the hands of a dictatorship which is imposing Moscow's formula and rule under the guise of freedom and independence. This will not last, any more than any other imported 'ism' has lasted in all the long history of Cathay."

Iron Lung Patient Gives Birth To Son

Seattle — (U.P.) — Mrs. Marilyn Angell, 27, a polio victim, last night became the mother of a six-pound, one-ounce boy in a Caesarean section delivery performed while attendants managed a respirator aid.

Back in her iron lung on the fourth floor of King County hospital, Mrs. Angell was reported as "doing fine."

"He'll be called James Emerson Angell," said the baby's father, Sam Angell. "We decided that whether he was a boy or girl, the middle name would be Emerson, after the Emerson tank respirator that has kept his mother alive."

Mrs. Angell was flown to the Northwest Respiratory Center here from Albuquerque, N.M., in an iron lung last July 20.

Doctors agree overweight is caused by over-eating. "Waist-Line" cuts the cause of over-eating—reduces your desire for excess food as it reduces your waistline, yet gives you added vigor! Contains fatigue-fighting Vitamins B-1, B-2, B-6, B-12, Vitamin C, and nature's body regulator Citro-Pectin, a derivative of California oranges, an energy-product!

Just follow these simple rules: Carry the cellophane wrapped tablets with you. Crunch or chew one Waist-Line tablet with a full glass of water half hour before each meal; one at mid-morning (10:00 a.m.), one mid-afternoon (3:00 p.m.), and one at evening snack time (10:00 p.m.). Six Waist-Line tablets daily help you to lose weight easily, safely, surely. The main cause of your over-eating is gone—your desire for excess food—and so are the extra inches you don't want!
