35th Anniversary SALE

This Saturday we begin our 35th year of food service to you folks of Southern Oregon. . . .
When the Groceteria opened many years ago we made certain promises:

- 1 That the Groceteria would be the kind of food store where we ourselves would like to trade. .
- 2 That the food would be good—that prices would be low—that the store would be clean and sanitary.
- 3 That we would do our best to promote dinner table harmony with greater eating pleasure—that we would protect the family's health with cleanliness and sanitation.
- 4 That we would promote your financial welfare by keeping your food cost down.
