Lady Lions Seek Additional Toys

More toys are needed for the annual Christmas project, it was announced at a meeting of the board of Medford Lady Lions held at the home of Mrs. Alan Jewett, 1104 Queen Anne street, Monday evening.

Mrs. Alva M. Perkins, president, presided at the meeting and spoke of the need of more toys for this annual project of Medford firemen and the Medford Lady Lions. A work night for dressing and repairing dolls was held at Mrs. Perkins home on Tuesday evening, November 23.

John Wren, a representative of Proctor and Gamble, spoke to the board about saving Fab box tops and redeeming them for dolls to be given to needy children at Christmas. This project was adopted and anyone having Fab box tops may mail them to the Medford fire station, Third and Front streets, or deposit them in boxes at the Big Y or the Groceries.

It was voted to help supply baskets for two families at Thanksgiving.

Plans were made for initiations of new members at the next regular meeting of the club to be held December 7 at the home of Mrs. Lee Mellish.

Refreshments were served by Mrs. Jewett at the close of the meeting.

Couple Married In Service Held At Frost Home

Mrs. Phyllis Albright and Burton F. Shults were married November 1 in 6 o'clock evening rites at the Apostolic Faith church parsonage. The Rev. C. W. Frost performed the ceremony and a few friends of the couple attended.

Mrs. Beatrice Frohreich attended the bride and Cliff Frohreich was best man.

For her marriage the bride wore a navy blue dress trimmed with blue and white checked material. Her corsage was an orchid.

She is the daughter of the late Mr. and Mrs. Nicholas F. Wagner of Berkeley, Calif., and attended Berkeley schools. For 5½ years she was employed as housekeeper at the Harry L. Holmes residence.

The bridegroom attended schools in Idaho and is the son of the late Mr. and Mrs. David Shults, Ashton, Ida. He is employed as a maintenance man by the Medford corporation.

The couple plans to leave December 21 for an extended trip to Houston and Shamrock, Tex., and will tour Carlsbad caverns in New Mexico. They will return about January 5. Their home is at 1465 Spring street.

Traditional Dinner Served at School; Couple Honored

An anniversary cake and an ice cream treat, both served by Lincoln Parent-Teacher association, were part of the annual Thanksgiving dinner at the school November 23. The cake was presented to Mr. and Mrs. Vincent Bevis in honor of their sixteenth anniversary, and the ice cream is part of the annual Thanksgiving treat provided for the children of Lincoln school by the PTA. Mr. Bevis is principal of the school.

Almost all the children were present for the dinner at the school, and all of the teachers dined together. Before the meal the children said grace in unison. The cafeteria and tables were decorated in the holiday theme.

The kitchen was "decorated" with a new restaurant-type electric range, which is making meal preparation a great deal simpler for the three cooks, Mrs. E. V. Hurt, Mrs. Jack Rithaler, and Mrs. John Breazeale.

PTA members helping to serve were Mrs. Austin Caldwell, Mrs. Boyce Kellogg, Mrs. William Johnson, Mrs. Roland Hogue, and Mrs. S. J. Fagone.

This is the eighth year the PTA has provided a treat and helped serve the dinner at Lincoln. A total of 346 were served; the school has an enrollment of about 350, and fourteen teachers.

The menu served included turkey and dressing, mashed potatoes and gravy, carrot curls, celery sticks, and olives, hot rolls, milk and ice cream. The children were allowed second helpings when they wanted them.

All the elementary schools in Medford served a Thanksgiving dinner to their children on November 23, according to Mrs. Virginia Wait, cafeteria supervisor for the city schools, and the Junior and Senior High schools served the special dinner November 24. Jackson PTA helped serve at their school.
