Galaxy of Dolls Boast of Many 'Human Qualities'

The exciting galaxy of dolls that sparkle the Christmas scene — are so life-like, boasting so many "human qualities" — and, are so bewitchingly ensembled — that it is most difficult selecting any favorite.

For real thrills — there are dolls that walk — dolls that recite their prayers and nursery jingles — dolls that can be bathed and fed — dolls that beg for permanent waves, and yea, even new hair coloring.

Aside from sleeping, talking and eating dolls — there are dolls that have heartbeat mechanisms, others drink and burp too; still others have an amazing "rooted-scalp" that "grows" hair from short cut to long!

Miniature charmers come with entire wardrobes that are complete for every fashion occasion. These dolls may have ice-skates and skating clothes — or a bridal gown complete to the bouquet — or, be completely ensembled down to handbags and lingerie.

A new vinyl substance makes new dolls' faces and bodies have a "like-skin" feel and look.

New-born baby dolls, toddler dolls, and up-the-grade to doll-size replicas of "little misses" will surely find the right homes with "little moms" this Christmas!

Television and popular comic strip character dolls still have a wide appeal with little girls. From the original "Sparkle Plenty" doll — to "Bonnie Brides" — are also added the popular "Smokey the Bear" — "Howdy Doody," and "Dennis the Menace" dolls... to name a few!

Beside the up-to-the-minute wardrobes for dolls of all sizes and types, there are carriages, strollers, cradles, and even car beds — to keep dolly and her "ill" mother happy.

Penney Associates To Receive Special Year-End Payments

New York—J. C. Penney company, nation-wide department store organization, announced today that its directors have authorized a special year-end payment for more than 50,000 associates in the company's 1,639 stores, offices and warehouses throughout the United States.

The payment will be an amount equal to two weeks' pay for all fulltime associates who have been employed for the full year 1954, and proportionate amounts for extra and part-time associates and those employed less than a year.

All Penney associates will share in the payment except management staff members whose earnings are determined largely by the company's long-standing profit-sharing plan. It will be made December 15.

In a letter to the firm's associates, A. W. Hughes, president, said the payment was based on the company's results for 1954. "We are particularly happy to be able to make this payment as a result of what has been accomplished this past year," he said. "The possibility of future payments of course will continue to depend upon year to year results."

The payment is in addition to regular company provisions for associates' benefits, including sick benefit, gratuitous death and dismemberment benefit, thrift and profit-sharing retirement fund plans, discounts on company purchases and others.

Christmas Ring for That 'Special' Girl

If there's a "special" girl in your life who has indicated that her answer would be "yes" to that all important question — then make Christmas ring time! From the earliest times in history, rings have been symbols of achievement and distinction.

Later, rings were used as seals to personalize documents and letters.

The wedding circlet and engagement ring is associated through legend as the eternal circle of love, and is worn on the third finger left hand, because it was thought that this led directly to the heart.

So, make this Christmas the one she'll always remember, the day you pledged your love with that lovely diamond ring.

Philadelphia is believed to have established the first zoo in the U.S. in 1874.

IT'S TRUE...NOW Meringue Pie Filling in 30 Seconds!

Over the delicious fruit or cream meringue pie fillings you can make with magic Amazo.

Amazo is the only instant dessert which "sets" with fruit juice; and the only one which won't separate when you brown the meringue. Try...

AMAZO ORANGE MERINGUE — Pour 1½ cups orange juice into deep bowl; add 1½ tps. grated orange rind, 2 egg yolks, and 1 pkg. Vanilla Amazo. Whip with rotary beater 30 seconds. Spoon into 8-inch baked pie shell; top with meringue making use of 2 egg whites and bake until meringue is browned.

*Be sure to use Amazo. So-called instant puddings will not work in this recipe.
