

CONGRATULATIONS are given Mrs. Eleanor Roosevelt, widow of late President, by Walter Reuther (right), Congress of Industrial Organizations president, and her son, James Roosevelt, congressman-elect, after she urged return to attitudes which made New Deal possible at Los Angeles convention. On The Side

By E. V. Durling

(Distributed by King Features Syndicate, Inc.)

The women of Pasadena have launched an extremely bitter campaign against the pollution of the atmosphere of their city by that thing called "smog." It was the women's clubs of Pittsburgh, Pa., that launched the highly successful campaign for the elimination of "smoke" from the so-called "smoky city." When the girls get really provoked they certainly can battle an evil in bitter fashion. How right Thomas Dunn English was when he wrote:

When greater perils men
envion,
Then women show a front of
iron,
And gentle in their manner,
they
Do bold things in a quiet
way.

Torrid Kiss

The film titled "Notorious" has been revived. That is the picture in which the most torrid kiss in cinema history is depicted by Ingrid Bergman. Cary Grant is on the receiving end. Can't say just how long this scene of heated osculation lasts but it usually leaves the customers gasping.

Busy Corners

What is the busiest corner in this country? Not as to passing traffic but as to business conducted on the spot. That's a query received that I can't answer. However, it was once claimed a restaurant owned by Charlie Weeghman served 35,000 customers daily at the corner of Dearborn and Madison Streets, Chicago. Ever hear of a busier corner than that?

Asking
Queries from clients. Q. Who introduced the song titled "But-
ton Up Your Overcoat?" A. Zella O'Neal in the musical show
titled "Follow Thru." Q. Was
the celebrated Parisian artist
model known as Kiki a blonde
or a brunette? A. She was a
blue-eyed brunette. Incidentally,
that is the most interesting type
of brunette. Or, so say our
horses and women experts. Q.
How is the word vaudeville pro-

nounced? Is it a two syllable or three syllable word? Dictionaries disagree. A. Preferred is vaudeville as a two syllable word pronounced "vod-vil."

By Wire

If from a young couple, married about a year, you received a telegram reading: "Isaiah IX, 6," what would you decide it meant? If you don't know I really shouldn't tell you. Be better if you had to look it up. However, I'll give you a break this time. It would mean the young couple had a blessed event and the child was a boy. The Biblical passage of Isaiah IX, 6 is "For unto us a child is born, unto us a son is given."

Suggestion

Why doesn't some progressive restaurateur list on his menu "Coffee a la Talleyrand?" The name, of course being inspired by Talleyrand's claim as to what constitutes a good cup of coffee. That is: "Black as the devil, hot as hell, pure as an angel and sweet as love."

Passing By

Clark Griffith, venerable major league baseball celebrity. The best pitcher ever born in Stringtown, Mo., began his major league career in 1891. At that time the pitching distance was only 50 feet. Can you say as quick as a flash what the present pitching distance is? If not, cease calling yourself a well-informed sports fan.

Sidelights

Joan Bennett has had three children, each by a different husband. That's unusual but far from the record. Jacqueline Montgastie of Paris was the mother of seventeen children by fourteen different husbands!

Salem—(U.P.)—A suit has been filed in Marion county Circuit Court to prevent purchase of the Silvertown high school building by the newly-formed Union High School District No. 7J.
