

BOBO CONNECTS—Challenger Pierre Langlois (left) of France, reels backward after taking a punch on the chin thrown by Champ Carl (Bobo) Olson in the ninth round of title fight in San Francisco's Cow Palace. Fight was stopped in the 11th because of a bad cut over Langlois' left eye. Bobo kept his middleweight crown with a TKO victory.

Class A Quintets Meet B Schools in Four Scuffles

It's Class A teams against B schools in four prep basketball games tonight and Saturday night.

Scraps this evening take Jacksonville to Phoenix and Talent to Glendale. Phoenix goes to Talent on Saturday and Crater to Rogue River, Jacksonville, Talent and Rogue River are B competitors and Crater,

Phoenix and Glendale are A's. Talent is unbeaten in five starts and will be after victories six and seven. The Bulldogs have already turned back both Jacksonville and Glendale once. They victory over Jacksonville was in the Southern Oregon college tourney where Talent established itself the strongest among the Jackson county B's in the meet. But the tussles this week end are an opportunity for Jacksonville's Redskins to show that they must still be reckoned with in regular loop play.

Bus Firms Merged; Camp White Service Will Be Expanded

Increased bus service to Camp White and revision of the schedule to Eagle Point and Camp White effective Sunday, Dec. 19, was announced today, following purchase of the stock of the Valley Transit Co., Inc., by Henry J. Huber, owner of Evergreen Bus Lines.

Monday through Friday buses will leave Medford for Camp White at 7:30 and 10:45 a.m., 1:15, 3:30, 7:45 and 11 p.m. The Saturday schedule will be the same except that the first bus will leave Medford at 8:40 a.m. instead of 7:30. Buses will leave Camp White for Medford at 9 and 11:40 a.m. and 1:40 4:40, 8:10 and 11:20 p.m. Monday through Saturday.

Crater's hassle with Rogue River will afford it a comparison with two Rogue League rivals, Illinois Valley and Eagle Point. Rogue River has whipped Illinois Valley twice and lost the same number of times to Eagle Point. Phoenix gets a tip on Rogue League possibilities since Talent has defeated Eagle Point.

Rogue River, which did not vie in the college's tourney gets some idea of how it matches with Talent from the Bulldogs series with Glendale, its own game with Crater and Crater's two wins over Glendale.

Murder Charge Filed On Albert C. Knowles

The Dalles — (U.P.) — Donald Heister, Wasco county district attorney, has filed a second degree murder charge against Albert C. Knowles, 47, confessed slayer of Albert C. Stuart, 58.

Heister said Knowles would be brought back to Wasco county as soon as he can arrange it. He is leaving tomorrow for Sacramento, Calif., where Knowles is awaiting sentencing on a plea of guilty to a Dyer act charge. He will appear in Federal court Monday to ask Knowles' release.

A body, which Knowles told authorities was that of Stuart, was dug up from a shallow grave along Highway 97 near Shaniko last Sunday. Knowles had led officers to the scene after confessing he killed Stuart, a harvest hand, in 1953.

Cutter Steams To Aid Of Disabled Craft

Honolulu — (U.P.) — A Coast Guard cutter steamed today to the aid of the fishing boat "Commonwealth," which reported its engine broke down in rough seas 165 miles west of Oahu.

The 114-foot vessel was returning to Honolulu after an unsuccessful two-day search for two men aboard her sister ship, "The Brothers." Both boats were from Seattle, Wash.

The Brothers sank early Sunday 65 miles northwest of Honolulu. Aboard the boat were Arthur and John Otness.

The skipper of the Commonwealth, Harry Sperling, radioed the Coast Guard yesterday that his engine was overheated and breaking down in heavy swells near Kauai island.

UN Expected To Okay San Francisco Meet

United Nations, N.Y. — (U.P.) — The UN General assembly is expected to adopt unanimously today that it hold a seven-day 10th birthday meeting in San Francisco starting June 20.

The UN Administrative and Budgetary committee agreed yesterday, by a vote of 44 to 0, to recommend that the meeting be held.

In the final session of its ninth annual meeting the Assembly is expected today to give its unanimous final approval of the plan.

It was proposed originally that the United Nations meet for two weeks in San Francisco, its birthplace, to commemorate its formation.

However, delegates felt that a one-week session would be long enough, four days of general celebration and programs and three days of non-official UN meetings.

McCarthy Backers End Count of Signatures

New York — (U.P.) — Rear Adm. John G. Crommelin (ret.) said today that "ten million Americans Mobilizing for Justice" had stopped counting signatures on petitions protesting the censure of Sen. Joseph R. McCarthy after reaching a total of 2,300,000. The committee stopped counting on Dec. 6.

Crommelin, chief of staff for the organization which sought 10,000,000 signatures against censure, said the remaining petitions were presently being separated by states and might be counted later but "it's a little bit unnecessary, we feel."

McCarthy was "condemned" by the Senate Dec. 2.

Crommelin said definite plans had not yet been made for continuation of the organization set up to handle the petition drive.

Water covers 143,000,000 square miles of the earth's approximate 179,000,000 square miles of area.

European Editors Name Bannister Top Sportsman

London — (U.P.) — Europe's top sports editors elected Roger Bannister of Britain as their "Sportsman of the Year" today in a final salute to the man who has bowed out of college athletics in the year during which he became the first man to shatter the four-minute mile.

Votes were polled from 24 editors who acclaimed the 25-year-old Bannister with 210 points—58 more than the 152 they handed Leningrad Marine Vladimir Kuts for second place.

On a basis of 10 points for a first-place nomination, nine for second, eight for third and so on, John Landy of Australia, present mile record holder, placed third with 94 points. He received 14 more than American shot-putting star Parry O'Brien, of Los Angeles, who polled 80.

Baker Favored To Beat Wallace

New York — (U.P.) — The odds-men figure it's even money that someone will be counted out in tonight's Bob Baker-Coley Wallace heavyweight battle and Wallace has been voted most likely to get flattened.

Baker, the fourth-ranking contender who has been waging a quiet campaign for a shot at Rocky Marciano's crown, has been tabbed a 12-5 choice for their nationally televised return bout at Madison Square Garden.

But Baker will be making the greater risk. After being figured as washed up because of weak hands, he's now rolling along on a brilliant comeback with five straight triumphs and could conceivably slide into a Marciano shot before too long. But a loss to Wallace would end that campaign way, back.

Whitworth Gets 82-54 Verdict Over Cal Poly

Spokane, Wash. — (U.P.) — Whitworth College took an early lead and went on to defeat California Polytechnic 82-54 in a non-conference basketball game last night.

Phil Jordan, Whitworth center, and forward Ernie Hall of Cal Poly, shared scoring honors with 31 apiece. The Pirates led 40-23 at the half.

It was Cal Poly's fourth loss in seven games during their Northwest road trip.

Willamette Overcomes CPS in Extra Period

Salem — (U.P.) — A long shot and three free throws by Dave Gray in overtime gave Willamette a 67-63 basketball victory over College of Puget Sound here last night.

The score was 59-all at the end of regulation time and CPS led 30-28 at the half. Gray's last minute scoring spurge gave him 11 points for the night while Pete Reed led the winners with 13. John Barnett of CPS was high for the night with 18.

SOUTH AFRICAN GROWTH

Johannesburg — (U.P.) — South Africa will have more than doubled its present population by the end of this century according to Dr. L. T. Badenhorst, senior lecturer in sociology at the University of the Witwatersrand. Discounting the possibility of immigration on a large scale, there would be about 4,500,000 whites in South Africa in the year 2,000 and nearly 26,000,000 non-Europeans.

G. P. Plywood Firm Names New Officers

Grants Pass — Successors to several officials of Southern Oregon Plywood company, who have resigned to form Fir-Ply, Inc. in Medford, were announced this week by A. E. Anderson, Brookings, president of SOPC.

Jackson Beaman was named general manager to succeed Carl Jacobson, who was elected president of Fir-Ply. Ray Smith was named plant superintendent to replace Ernie Clark.

Robert Van Duker, office manager who will be secretary-treasurer of the new organization, has not yet been replaced.

ST. MARTIN'S WINS
Olympia — (U.P.) — Linfield dropped a 71-66 basketball decision to St. Martin's here last night. Skip Olson of the winners hit 23 points while Don Porter had 21 for Linfield.

MIXUP
Waterville, Me. — (U.P.) — Bobby Bates is a back on the Colby College freshman football team while Dave Colby is a back on the rival Bates College frosh club.
