

'Don't Delay' Request On Christmas Seals Issued by Chairman

"Don't delay it any longer; Monday (or Tuesday) is Do-it-Day!"

This is the message to all tardy Christmas Seal purchasers from Mrs. M. O. Grove, Seal Sale chairman for the Jackson county Public Health association.

In spite of all the baking, buying, sewing, trimming, tying, and letter writing still to be done before Christmas, every one who has not answered the Christmas Seal letter received in the mail in November is urged by Mrs. Grove to make Monday the day for mailing contributions to the fight against tuberculosis.

Address Given

"In case this vitally important letter has been mislaid under stacks of Christmas cards and fancy wrappings," she said, "just address another envelope to Christmas Seal Sale, Box 792, Medford, Oregon. Persons who need more Christmas Seals for cards, packages, and decorations, should telephone 2-4818."

After 50 years of fighting tuberculosis through seal sales, this disease has still not been wiped out. Mrs. Chester Guches, president of the Jackson County Public Health association, said "It has been cornered, but not conquered."

Most people have heard that the number of deaths from tuberculosis is dropping. But approximately 400,000 Americans have active tuberculosis and roughly 1,200 Americans with the disease in either its active or inactive form should be under medical supervision. More than 100,000 new cases are reported each year, Mrs. Guches said.

In Jackson county, 11 new cases were reported in the past year, nine in an advanced state. It is estimated that there are 99 unknown cases. It is possible for the tubercle bacilli to live outside the body for hours or days. Christmas Seals are the only source of income for the association's TB prevention and control programs in Jackson county. Of the amount received, 4 per cent is sent to the National Tuberculosis association, 22 per cent to the Oregon Tuberculosis hospital association, and 74 per cent retained for the local program.

Six Names Submitted As Senate Possibilities

Portland—(U.P.)—Names of six men were submitted to county commissioners Friday for the two state Senate seats made vacant by election of Democrats Richard L. Neuberger to the U. S. Senate and Jack Bain as a Multnomah county commissioner.

The Multnomah county Democratic Central Committee approved submission of the six names at a meeting last night. They include Joseph K. Carson, defeated gubernatorial candidate; Alfred Corbett, state representative; George Friede, attorney and former state legislator; Harry George, attorney; Ken Kraemer, former legislator, and Victor Rosenfeld, finance manager for the Edith Green-for-Congress committee.

Scotland Yard, probably the world's most famous police headquarters, got its name because it stood until 1890 in a short and ancient street where, in medieval times, the kings of Scotland stayed when they came to pay homage to the English crown.

Aggression Charge Rejected by U. N.

United Nations — (U.P.) — A Russian charge that the United States was responsible for aggression against Communist China was rejected by the United Nations Friday by a vote of 44 to 5.

Only the five members of the Soviet bloc voted for the Soviet resolution.

Russia charged that "armed

forces under the control of the United States — meaning Nationalist China and the U. S. Seventh Fleet — were committing acts of aggression in the form of unprovoked armed attacks on the towns and coastal areas of Red China."

The Soviet delegation asked the United Nations to "condemn" the alleged acts of aggression and recommend that the United States "which is responsible" take steps to end them.
