

Ike, Mamie Plan Georgia Holiday

Washington—(U.P.)—President Eisenhower will leave Thursday for a Christmas holiday in Augusta, Ga., the White House announced today.

Mrs. Eisenhower and her mother, Mrs. John S. Doud of President. The President is expected to remain in Georgia through Jan. 2.

The White House did not know whether the President's son, Maj. and Mrs. John Eisenhower and their three children, would be able to join the family group at Augusta.

Maj. Eisenhower is now attending the staff school at Ft. Leavenworth, Kan.

While in Augusta, Mr. Eisenhower will put in some work on three important communications to Congress, his State of the Union Message, the new budget, and his economic report.

About half the nation's women workers are married.

TUNED IN ON OUTER SPACE—Mrs. Dorothy Martin (right), who says she gets extra-sensory messages from the solar system and passes them on as public service, tells of communications with outer-space dwellers during interview in her Oak Park, Ill. home. One message told her a tidal wave would hit Lake Michigan on Dec. 21 and spread to other cities. Present at the interview was Dr. Charles Laughhead (left) who says, he too, received this message. Laughhead was fired from Michigan State College for his predictions.

Gleason Slates Big Television Contract

New York—(U.P.)—Television comedian Jackie Gleason said today he has "as good as signed" a three-year contract with the Columbia Broadcasting System and the Buick Division of General Motors which would pay him \$11,000,000.

The deal, described as "the biggest financial deal in TV history" actually involves a total cost to his new sponsor of 17 million dollars, Gleason said. Buick now sponsors rival comic Milton Berle on the National Broadcasting Company.

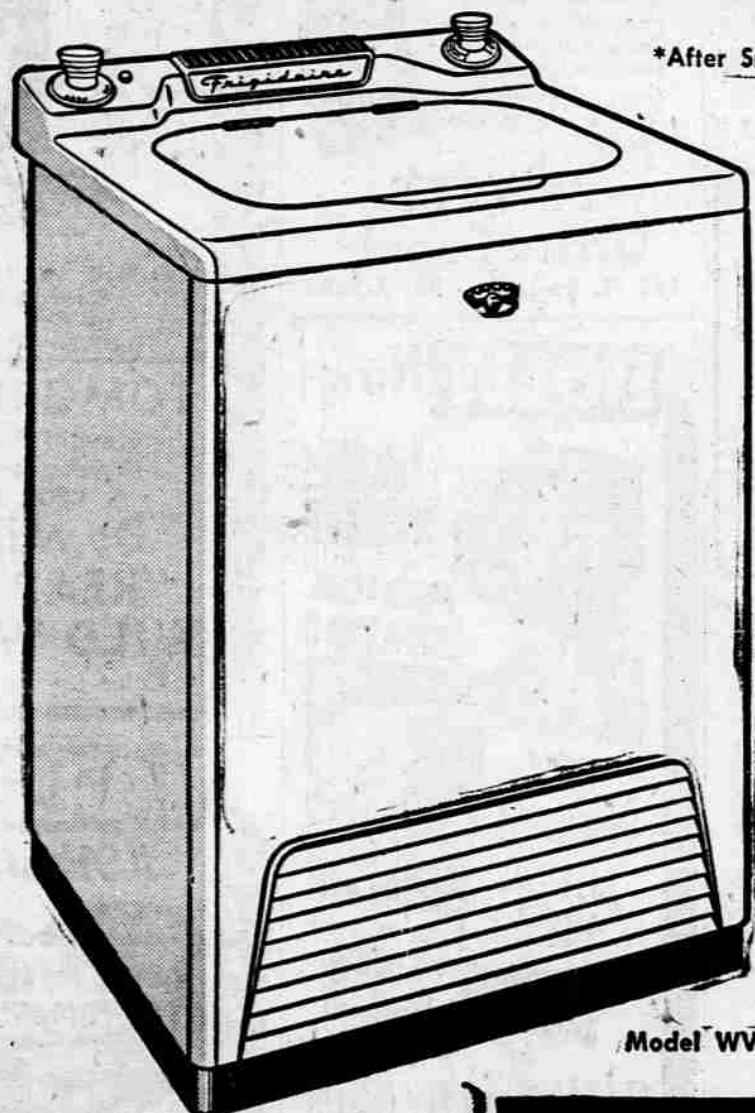

"My company Gleason Enterprises will get 11 millions," Gleason said. "But the total deal is for 17 millions. The rest goes to CBS for the time."

The contract calls for a \$9 million half hour shows of the "Honeymooner," a comedy sketch also featuring Audrey Meadows and Art Carney, which began as a small part of the Gleason show. Thirteen of these shows will be repeated during the summers.
