

Packard-Bell RANGE-FINDER

88-98

Long-famous for outstanding cabinetry, Packard-Bell TV's new '55 Range-Finders are more thrillingly beautiful than ever! And Packard-Bell's performance matches its superb beauty! The Range-Finder chassis gives you a sharper, clearer picture. The View-Lock stabilizer completely locks the picture in place. The new Tru-Vue filtered lens eliminates hard light. The result: complete viewing pleasure...at the lowest prices in Packard-Bell history. See for yourself, tomorrow!

21" CONSOLE

Designed by Packard-Bell, this magnificent Range-Finder is equipped with the View-Lock stabilizer and the new Tru-Vue filtered lens. As shown, in walnut finish.
