

**Restaurant Official Succumbs in Chicago**

Chicago—(U.P.)—Byron S. Harvey Sr., 78, chairman of the Fred Harvey restaurant and dining car service organization, died yesterday after a brief illness.

Harvey was the son of the founder of the chain of Harvey Houses which dotted the right of way of the Santa Fe railroad in the days before dining cars became popular.

Harvey was a native of Cleveland, Ohio. His wife died in 1948, but three sons survive, including Byron Jr., who is now president of the firm.

When shaping ground meat for loaf, hamburger or patties, try sprinkling a little flour on the waxed paper or board on which the meat is being prepared. This helps keep the meat from sticking while being shaped, and will give the meat a slight crust during cooking.
