Serve a Safeway
Oven-Ready
Turkey

For YOUR festive table, be sure to choose a Safeway, quick-frozen Turkey. Quick freezing is the modern miracle that makes it possible for Safeway to bring you Turkey at its best. Here's why: The birds go into the freezer within an hour after being completely cleaned inside and out. All the preparation is done as one continuous operation in spick and span plants by skilled workers... and under U.S. Department of Agriculture supervision. Every step of the way, special care is taken to assure that you get a turkey that will eat sweet and juicy, right down to the last tender morsel.

There's a delicious wine for every good food. Make your choice from the big selection at Safeway.
