Canadiens' Aces Hold Loop Leads

Montreal — (U.P.)—The Montreal Canadiens' four "icemen" delivered on schedule to retain their customary control of the National Hockey League's goal-production chart today.

After a one week slump, Bernie (Boom Boom) Geoffrion, Maurice (Rocket) Richard, Jean Beliveau and Ken Mosdell burst out in a scoring spree, featured by Richard's 40th NHL goal, to hold off a leadership bid by Gordie Howe of the Detroit Red Wings.

Geoffrion, with 22 goals and 15 assists totalling 37 points, led the league as he has done since the start of the season. Richard and Beliveau remained tied for second place with 32 points while Mosdell held fourth place with 28 points. Richard had an even count of 16 goals and 16 assists. Beliveau 14 goals and 18 assists and Mosdell 16 goals and 12 assists.

The four icemen had accounted for 68 of their team's goals, three more than the Chicago Blackhawks' team total and only one less than all of the Boston Bruins' output.

Howe and teammate Alex Delvecchio posed the only threat to the Montreal quartet. After being sidelined by an injury, Howe skated back to the form that won him six NHL scoring titles to move from deep in the pile two weeks ago to fifth place today. He had 10 goals and 16 assists for 26 points, a total matched by Delvecchio with 8 goals and 18 assists.

Lions Start Planning for Title Game

Detroit — (U.P.)—The champion Detroit Lions started preparations today for defense of their National Football League crown against the Browns at Cleveland Sunday but Coach Buddy Parker doesn't plan any strenuous practice sessions.

"We don't want to risk any injuries," Parker said. "We'll just go out and limber up for about an hour each morning through Saturday. If we aren't in shape now we never will be."

Could Make History
The Lions could make NFL history by whipping the Browns for the third straight year in the title game. No team has ever won the championship three years in a row.

Cleveland has been beaten in the title game for three straight years, a league record. Los Angeles defeated the Browns, 24-17, in 1951 and the Lions followed with 17-7 and 17-16 triumphs in 1952 and 1953, respectively.

Parker Confident
Parker is confident the Lions will continue their mastery over the Browns. Cleveland has tried eight times to defeat Detroit since Parker took over as head coach of the Lions four years ago and the best the Browns could manage was a tie.

Detroit's most recent success against Cleveland was a 14-10 triumph Sunday which came on an 11-yard touchdown pass from Bobby Layne to Jug Girard with only 50 seconds remaining in the game.

Pacific U. is the other unbeaten small college quintet in the Northwest.
