

Longshore Unions Ratify Pay Increase

San Francisco — (U.P.) — Major longshore union locals on the Pacific coast have ratified a 14-cent package pay increase negotiated last week with the Pacific Maritime association.

Union's Records Ordered To Court

San Francisco — (U.P.) — Harry Bridges' longshore union has been ordered to bring all financial records to federal court Thursday in connection with a \$1,013,156 judgment against the union.

The order, by Judge Louis Goodman, extended to all records of the Independent International Longshoremen's and Warehousemen's Union headquarters here from 1948 to the present.

U. S. marshals began freezing known assets of the union two weeks ago in an attempt by the Juneau Spruce Corp., Juneau, Alaska, to collect a judgment it was awarded in federal court May 20, 1949. The company was given \$750,000 damages because of longshoremen's tactics which caused the shutdown of the Juneau mill for a year. The amount has increased since 1949 by attorney fees and interest.

Brief Delays Listed On State's Highways

Salem — (U.P.) — Motorists may meet with minor delay from Big Eddy four miles east of The Dalles to Rufus because of construction, the State Highway department said today.

Brief delays may also be expected on the Willamette highway 7 miles east of Oakridge; The Dalles-California highway 12 miles north of Klamath Falls; the Pacific highway from Myrtle Creek four miles north; the Oregon coast highway 2 to 14 miles south of Port Orford; and the Umpqua highway from Reedsport to 1.36 miles east.

21ST FATALITY

Salem — (U.P.) — Oscar Martin Olsen, 70, of Keizer, who had been unconscious in a local hospital for 103 days after being injured in an automobile accident, died Sunday. It was Marion county's 21st traffic fatality of 1954.

The last big local to approve the increase was Local 10 of the International Longshoremen's and Warehousemen's Union in San Francisco. The local's 6000 members unanimously approved the increase at a meeting last night.

Other big locals that ratified the past were Wilmington, Eureka and Stockton, Calif., and Aberdeen and Seattle, Wash.

The agreement calls for an immediate 5 cent hourly wage increase, 6 cents more June 13, plus 3 cents an hour in welfare benefits.

Meanwhile, American President Lines' liner President Cleveland and Matson's Lurline were both scheduled to sail from San Francisco today on their annual Christmas cruises. Company spokesmen said they knew of no labor development likely to delay the sailings.

Robert Lee Elected Engineers' President

Robert Lee, superintendent of the Medford city water department, last night was elected president of the Rogue Valley section, Professional Engineers of Oregon. Lee succeeds Willis Ausland, Grants Pass.

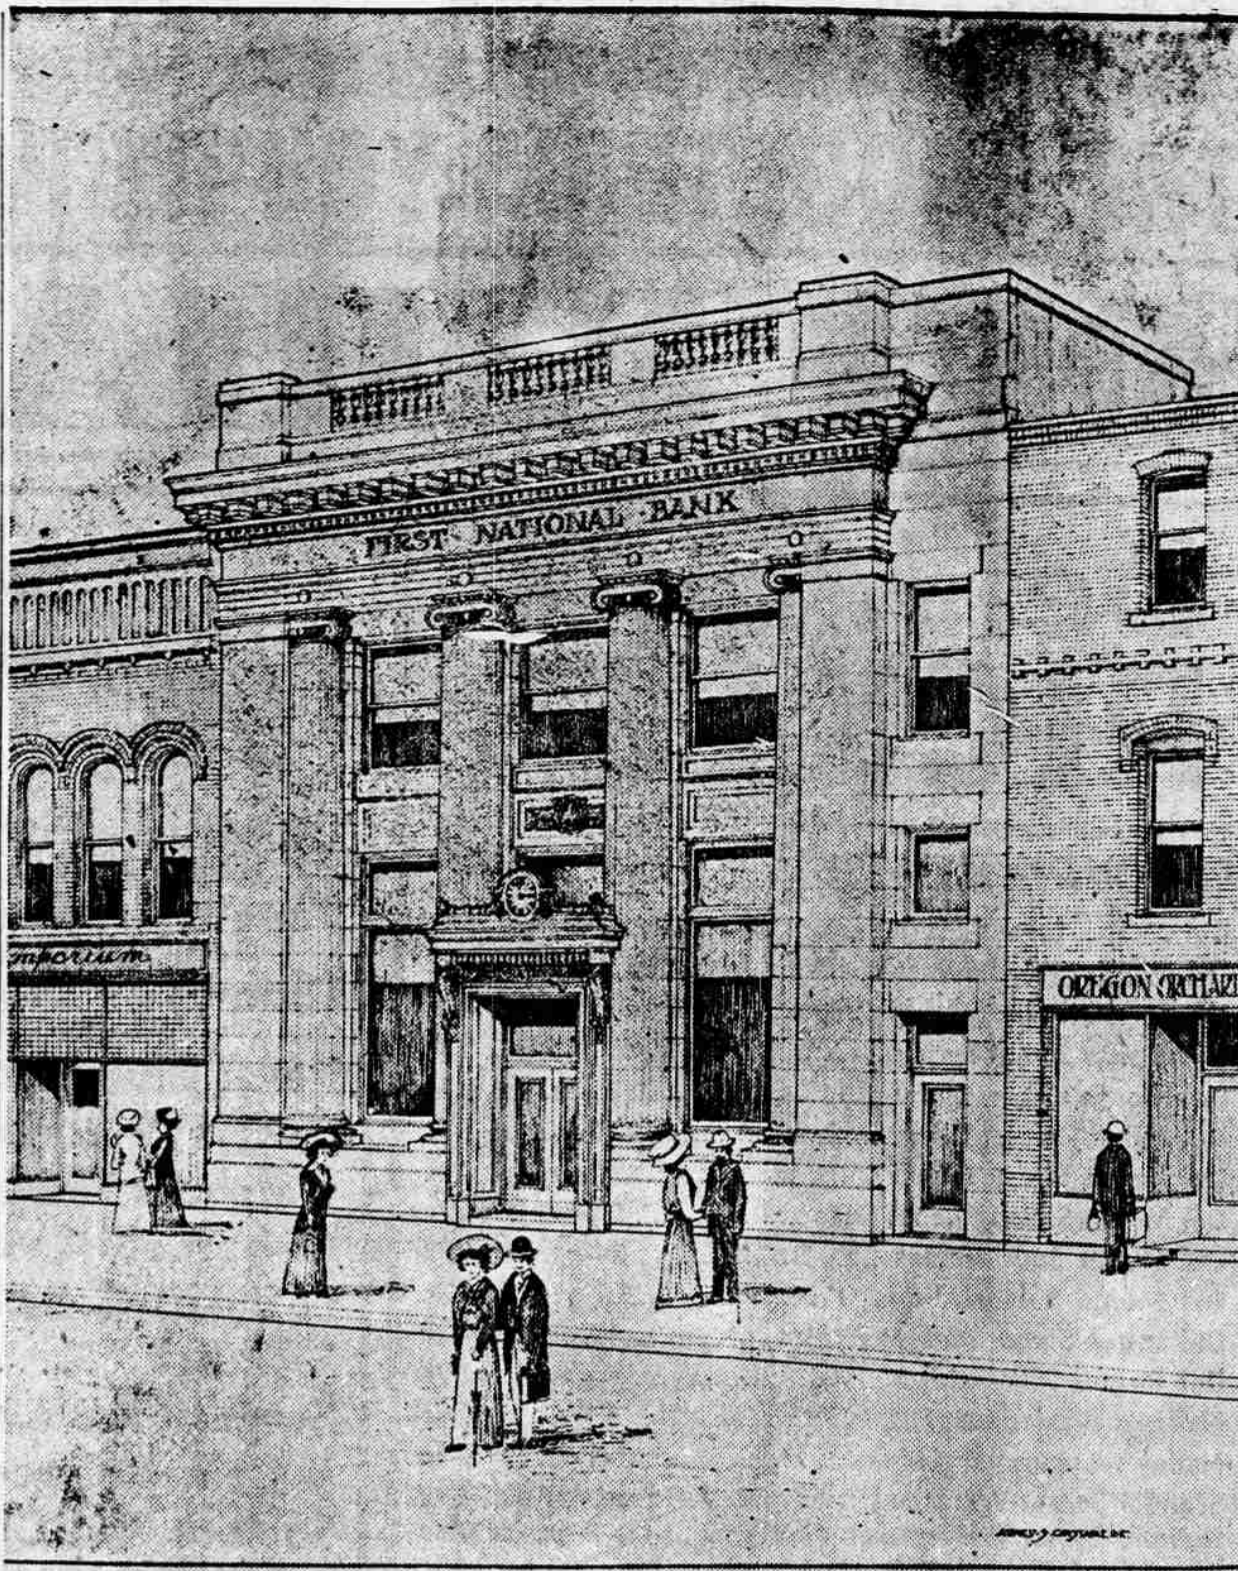

Others elected at last night's meet, held at the Jackson hotel, were Robert Larson, Grants Pass city engineer, who was named vice-president; Les Stinson, California Oregon Power company, secretary-treasurer, and Vern Thorpe, Medford superintendent of public works, trustee.

Speaker at last night's meeting was Jack Wood, superintendent of Rogue River National forest. Wood discussed the role of the engineer in forest service work.

Communists Use Ike's Grandson for Propaganda

Vienna — (U.P.) — The Communists seized on President Eisenhower's grandson, David, today as their latest propaganda target on the strength of a recent picture showing the child carrying a toy six-shooter.

The Red organ Volksstimme said "The revolver in the hand of Eisenhower's six-year-old grandson is the image of the group ruling America, which wants to plunge the country into an orgy of war."

BANK TO MOVE—Shown above is an old-time view of the Medford branch of the First National Bank of Portland, which will move into its new building sometime early in January. When the picture above was made, the bank was a Medford institution, and later affiliated

with the Portland organization. The clothing styles on the people in the picture show the age of the institution which will soon move into its new home. The building has been purchased by Ben Diercks, Grants Pass lumberman for investment purposes.

Hold-Up Man Tells About Wedding Plans

Chicago — (U.P.) — A handsome young man entered a dress store Monday and asked Mrs. Celia Friedkin to help him select a trousseau for his "gorgeous" fiancée.

As Mrs. Friedkin, 38, carefully wrapped a coat, three

dresses and some dainty lingerie the young man told her of his plans for a "beautiful, candle light" marriage. Then he pulled out a gun and escaped with the \$200 trousseau.

California has more different flowering plants than any other state. Of some 30,000 in the entire United States, about a sixth are found in California. Only Texas and Florida boast comparable concentrations.
