

Washington Edges Beavers 58-57 in Overtime Hassle

Seattle — (U.P.) — Tippy Dye, Washington basketball coach, has always had a lot of faith in forward Jim Coshow and last night the 6-foot, 6-inch hook shooter came through in the clutch.

Coshow canned a one-hander and added a foul shot in overtime play for the three points that gave the Huskies a 58-57 victory over Oregon State in the second game of a pre-conference Northern Division twin bill.

Washington State took Idaho 64-56 in the opener.

Dean Parsons, Washington center, set the stage for Coshow's act when he stole the ball in the dying seconds and raced for a lay-in that knotted the score at 55-55 at the end of regulation time and sent 9,000 fans into a dither.

The Huskies stalled out more

than a minute of the overtime before Coshow went on his one-man spree. Tony Vlastelica, who haunted the Huskies all night with his hook shot, dropped one of them in with seven seconds left to play but the Huskies ran out the clock.

Parsons with 26 points led all scorers and Vlastelica was high for OSC with 20.

Washington State led most of the way in notching its triumph over Idaho. Ron Bennick, all-division forward, paced the Cougars with 23 points while Harlan Melton with 19 topped Idaho in the battle of losers.

MH Jayvee Nabs Eighth

Medford high school's junior varsity today was wondering what may happen if they play the Crater jayvee basketball team again.

The Comet crew seems to be getting progressively tougher to beat and last night in the preliminary to the Medford-Cleveland mix the junior Tornado managed to slip by 37 to 31. It was the fourth win for the Medford crew over the Comets and the closest margin. Victory was the eighth without a loss this season for the Medfordites.

First quarter ended 8 to 7 for the Crater five. At halftime score was 15 all.

Neil Green was high point man with 12 for Crater. Charles Inskeep totalled 10 for Medford.

TALENT QUINT ENTERTAINS POWERS THURSDAY, FRIDAY

Talent—Talent high has swept to triumph in eight basketball games this season but its unblemished record meets a serious challenge tonight and again on Friday night. The Bulldogs are host to the Powers Cruisers.

It's hardly a pun to say that Powers is powerful this year. Its record on the coast so far this season provides the testimony. The Cruisers have laced Port Orford 74 to 26, Brookings 55 to 36, Gold Beach 52 to 24, Bandon 65 to 41 and Myrtle Point 80 to 52.

LaSalle Zone Beats UCLA

New York — (U.P.) — LaSalle will not hesitate to wrap All-America Tom Gola in a zone defense once again in an effort to beat Duquesne for the Holiday Basketball festival championship on New Year's Eve.

Coach Ken Loeffler of the Explorers concedes that the formula for beating the defending champion Dukers with their terrific twosome of Dick Ricketts and Si Green.

Loeffler frankly declared that the "zone defense, scorned in many parts of the country, was the key factor in LaSalle's 85-77 triumph over UCLA in the tournament semifinals Wednesday night at Madison Square garden.

Duquesne, with Ricketts setting a new Garden free throw shooting record 19-for-19 in a 39-point performance, had a much easier time trimming Dayton, 90-75. The setback was Dayton's first in nine games.

Loeffler ordered his team into the zone defense at 10:15 of the second half after Gola had picked up four personal fouls. LaSalle, down 12 points to UCLA in the first half, and behind 64-68 at that point, turned the switch in strategy into a victorious rally.

The Bruins could score only four field goals the rest of the game, while LaSalle broke out of the zone for the goals which earned it a berth in the final Friday night.

McKay Objects To Neuberger Charge

Portland — (U.P.) — Secretary of Interior Douglas McKay took issue with Senator-elect Richard L. Neuberger yesterday over the condition of national parks.

McKay, in an address to the Multnomah county chapter of the Oregon Republican Club, said, "Neuberger told a Chicago news conference the national parks 'have been allowed to deteriorate shamefully under the Republicans.'" He added, "There hasn't been much deterioration in the two years the Republicans have been in power. The big deterioration came in 20 years of Democratic administration."

McKay said later he believed the parks would benefit from the planned national road program since it would free other Interior Department money for parks improvement and maintenance.

McKay advised Republicans not to "cry over spilled milk" as a result of the recent elections but to "let it be a lesson" and to "go to work on organization."

Camp White—Joe W. Smith, assistant engineering officer at the Veterans Administration Domiciliary, is being transferred to the VA center at Temple, Tex., effective Jan. 16, it was announced today.

MEDFORD (OREGON) MAIL TRIBUNE—SEVEN

Contempt Trial Date Scheduled

Portland — (U.P.) — Four men accused of contempt of Congress yesterday were ordered to appear Jan. 19 in Federal District court here for trial. The four were uncooperative witnesses before the House Un-American Activities committee here last June.

Federal Judge George Boldt of Tacoma, before setting the trial date, rejected a defense motion to dismiss grand jury indictments against three of the defendants.

After nearly three hours of arguments, Judge Boldt said, "the questions raised in the charges are as grave as any that our generation is faced with," and he added that it is the "imperative duty of Congress to fully explore the threat of Communism and to take... appropriate action."

The motion was filed in behalf of Donald Wollam, John R. MacKenzie, and Herbert Simpson. They refused to answer certain questions asked by the Velde committee at its Portland hearings into Communist influences in Oregon.

A fourth witness, Thomas G. Moore, now of Los Angeles, indicted on a similar charge, pleaded innocent before Judge Boldt here yesterday. Court officials indicated Simpson may be tried separately from the other three members of the quartet.
