Back Stairs: Blue Cars at White House

many messages to Congress in the works.

If Mr. Eisenhower visits Palm Springs, Calif., again this year, it probably will not be before mid-February. Actually, he has not decided one way or the other about a California visit, although Paul G. Hoffman, one of his close friends, has high hopes of luring the Eisenhowers back to Palm Springs.

The old Cabinet Room at the White House is being fitted with a large bank of overhead tubular lights to make the room more useable for staff conferences.

The room was known during the Roosevelt administration as the Fish Room because of a decorative tank of tropical fish. The tank was moved long since to other regions of the White House.

The Eisenhower administration has been using the room for staff meetings, but the lighting was so poor that it was difficult for the staff to read from certain types of documents, particularly carbon copies.

While Mr. Eisenhower was in Augusta recently, technicians went to work installing an amazingly large bank of lights which virtually cover the ceiling of the big room.

Actually, the light is strong enough to be used for television and newsreels if Mr. Eisenhower so desires.

Favorite derisive remark around the White House this week was "How was your vacation?" said usually by the stay-at-homes to those who traveled south with the chief executive.

It seems that a lot of work had to be done on the Washington end as well as in Augusta. And a much more laborious winter season is in prospect.

For one thing, Mr. Eisenhower will hit the winter banquet circuit in Washington shortly. These affairs require a lot of work in scheduling and planning the President's attendance at an affair outside the White House.

He's already accepting banquet invitations for dates into March.

Funeral services for Mrs. Florence Corbin were held January 4 at Hope Presbyterian church by the Rev. D. F. Barnett. Burial was in Woodville cemetery. Out-of-town members of the family here to attend the funeral were Mr. and Mrs. Tom Slotten of Polson, Mont.; Mr. and Mrs. Sam Moreland and son Charles of Tacoma, Wash.; Mrs. Steve Corbin of Burbank, Calif. Unable to attend were Mrs. Anthony Heintz, a niece, of Minneapolis, Minn., and Mrs. Chas. Isaacson, an aunt, of Spicer, Minn.

Mr. and Mrs. J. Williams and small son and Mrs. Williams' father, Bert Markley, of Roseburg, visited at the Joe Golding home here January 2.

R. L. Hollins of Post Falls, Ida., stopped by for a short visit with his nephew Lloyd Smith and family while en route to Van Nuys, Calif., to spend the winter with his daughter.

Sealed bids will be received by the Board of Directors, Ruch School District No. 3, Jackson County, Oregon, at the Ruch School, until 8:30 o'clock P.M., P.S.T., on January 31, 1955, for the construction of a Single Class Room Building and a 50 ft. x 60 ft. Gymnasium Building, to be erected on the property of the District at Ruch, Oregon, located on the State Highway No. 238, approximately twelve miles west of Medford.

One set of Plans and Specifications may be obtained by General Contract bidders only, from James K. Hoey, Consulting Engineer, Sports Building, 405 E. Main Street, Medford, Oregon, upon the deposit of Forty Dollars. The deposit will be refunded at the return of the Plans and Specifications in good condition. Bids must be opened at 10 o'clock P.M. on the date set after the opening of bids by actual bidders, but to non-bidders only if returned not later than one week prior to the bid opening.

Plans and Specifications may be examined at the office of the Engineer, at the Builders Exchange Cooperative, Portland, Oregon; and at the Eugene Builders Exchange Cooperative, Eugene, Oregon.

All bidders must comply with the laws of the State of Oregon relating to the qualification of bidders: O. R. S. 27.010 to 27.028 inclusive.

No bid will be considered unless fully completed in the manner provided in the Instructions to Bidders, upon the Bid Form furnished by the Engineer, and is accompanied by a certified check or bid bond in the amount of not less than Ten per cent of the gross total amount of the bid; to be forfeited as fixed and liquidated damages should the bidder neglect or refuse to enter into a contract and provide a suitable bond for the faithful performance of the work, in the event the contract is awarded to him.

The Board of Directors, School District No. 3, Jackson County, Oregon, reserves the right to reject any or all bids and to waive all irregularities.

No bidder may withdraw his bid after the hour set for the opening thereof until after the lapse of Thirty days from the date of the bid opening. Board of Directors, Ruch School District No. 3, Jackson County, Oregon, Louis Straube, (Clerk)

Timber Group OKs Wage Increase

Portland—(UP)—An employer group, the Lumbermen's Industrial Relations Committee, has joined two big lumber unions in recommending acceptance of a 7 1/2 cent hourly wage increase.

H. J. Greeley of Longview, Wash., board chairman of the LIRC, said in a statement that "although the timber industries are not accustomed to long-term wage contracts, we are recommending the 1955-56 increase because we feel that such acceptance will assure peaceful union-employer relations for a considerable period of time."

Earlier the AFL Lumber and Sawmill Workers Union and the CIO Woodworkers Union recommended its locals go along with the increase, recommended by a seven-man governor's fact-finding panel. The increase would be effective Jan. 1, 1955 and runs to April 1, 1956.
