Labor Unions, Lions Clubs Join in Plans For Dance Project

Members of organized labor and Lions clubs of Medford and Jacksonville have joined in co-sponsoring a united dance project to raise funds for the March of Dimes, it was announced today. The overall theme will be borrowed from an idea originated several years ago by Russ Jamison, of station KMED, called the "Bucket of Bucks Ball." Dances will be held simultaneously at several modern and western dance places on Tuesday, Jan. 25.

State Treasury Funds Decline

Salem—(U.P.)—Total funds in the Oregon state treasury at the end of 1954 showed a decline of \$30,044,285, according to State Treasurer Sig Unander.

The total balance at the end of the year was \$109,943,187 compared with \$139,987,472 at the end of the previous year.

Unander said the drop was due in large part to the lowering of the general fund balance from \$41,473,872 to \$29,706,701; to a decline in the State Unemployment Compensation fund from \$70,676,073 to \$59,164,841 and a reduction in the state building fund due to expenditures on new state buildings from \$4,966,013 to \$1,898,892.

Interest on state deposits and short term investments credited to the general fund during the calendar year of 1953 totaled \$1,293,945, compared with \$1,561,187 during 1953.

Lee Smith Elected By Butchers' Local

Lee Smith was elected 1955 president of Local Union 503, Amalgamated Meat Cutters and Butcher Workmen of North America, at a well attended meeting this week, according to officers of the local.

W. H. (Bill) Barker was elected vice-president; Mrs. Ruby Galaspay, recording secretary; Art Longhurst, financial secretary for a two-year term; A. L. Hastian, guard, and Russell Fowler, guide.

Trustees elected were Frank Strauss, Don Hamill and Jack Franz. Longhurst was elected as a delegate to the Medford Central Labor council and to the executive board of the Oregon Federation of Butchers. Cliff Riggan was elected to the Grants Pass Central Labor council.

BUSINESS MANAGER

San Francisco—(U.P.)—Fred J. Green, Pacific division manager for the United Press, today announced the appointment of Richard A. Litfin as Pacific division business manager.

Medford Lions club, pledged co-operation of his group in handling arrangements of dance supervision along with owners of participating dance floors. "Doc" Tweedie of the Jacksonville Lions club said his organization would make the facilities of the Jacksonville Community club available with Bill Livesly and his western band donating the music.

Musicians Donate Services

Vern Marshall of the Medford Musicians Union said musicians for all dances will be furnished at no charge. Marshall's band will play at Dreamland dance hall, the use of which has been donated by Amos Walker.

Buck and Sonny, owners of Rogue Valley ballroom, have donated use of their hall and said that Bobby Champion and his Melody Wranglers will furnish music at no charge.

The Jackson hotel has donated their Pioneer room, where Belle Van Dyke and her orchestra will play.

At York of the Teamsters Union pledged backing of that group in arranging for refreshments with George Potuack of the Carpenters Union participating. Other labor units wishing to help were asked to contact York.

Chuck Jones, special events chairman for the March of Dimes, asked that merchants wishing to help contact him at 2-9772 so that proper credit may be given.

Square Dancing Planned

Plans call for the addition of Square dancing to round out the schedule of dances to appeal to all tastes, committeemen said.

The "Bucket of Bucks" idea will be used to impress upon participants the need for dollars as well as dimes for the fight against polio. Price of admission to any dance will be a generous contribution to the March of Dimes at the time of admittance to the dance.

Tom Reeder, Medford campaign chairman, and Bob Smith, county chairman, have endorsed the overall dance project and encouraged residents of the area to participate.
