

Mothers' March Plans for Monday In Final Stages

The Mothers' March on Polio, scheduled as the climaxing event on the 1955 March of Dimes campaign, is in the final stages of preparation and will be held next Monday from 7 to 8 p.m., according to Mrs. Lew Miles, city chairman for the event.

During that hour marching mothers will call at every home in the city and many rural areas where a lighted porch light signifies an invitation for the block mother to call. For apartment and hotel dwellers, the signal will be a handkerchief or shoe tied to the door knob.

Entire City Divided

Mrs. Miles explained that the entire city has been mapped out into districts and many rural areas also have been organized. Each district is headed by a captain who in turn has selected a mother to cover each block in the district. Calls will be made only at those houses which extend the invitation by a lighted porch light, the chairman emphasized.

Persons who wish to give and who have not been called upon by 8:30 p.m. on Monday are asked to telephone 2-5002, the St. Marks Episcopal church parish house, and a car will be dispatched to pick up the contribution.

Areas To Be Covered

The areas to be covered are bounded by the following streets:

Pacific highway north to Beall lane, Merriman rd. to Table Rock rd., to the airport rd. and Biddle rd. to the Crater Lake highway, Ross lane to KMed and back on Sage rd. to McAndrews rd., Cherry st., Lozier lane, Oakgrove rd., Casino rd., Perrydale ave., and roads within that area between Belinger rd. and Jacksonville highway, the area between Myers lane, including King's highway, South Peach st., all of Orchard Home dr., Thomas rd. extending to Jacksonville Phoenix highway, Barnett rd. to North Phoenix rd., including Ellendale dr., South Modoc ave. and Murphy lane, Spring st. to Modoc ave., including Eastover Tr. and Country Club Estates, Biddle rd. to Morrow rd., Corona ave. to Crater Lake highway and Delta Waters rd., and the Grandview Market area.

Rex Harrison Divorce Rumors Meet Silence

London—(U.P.)—Rumors in the United States that Rex Harrison and Lili Palmer have separated met a wall of silence today in London where they are starring together in the play "Bell, Book and Candle."

The rumor could not be pinned down immediately.

It was apparently based on a London newspaper gossip columnist's report last week that the husband and wife acting team was seen at a night club sitting at separate tables, he with another woman, she with another man.

Neither Harrison, 46, nor Miss Palmer, 40, could be reached directly for comment.

Service Officer Says Fee Due for Papers

Veterans who file on or after Feb. 1 for certificates in place of lost separation papers will be required to pay a fee, according to Charles Holbrook, Jackson county veterans service officer.

Holbrook, whose office is located in the county courthouse, stressed the importance of making immediate application for certificates. Separation papers, or certificates, are required for filing for any important GI or Oregon state veterans benefits, he said.

Cost of obtaining certificates after Feb. 1 will be \$1.50.

Prineville Man on Agriculture Committee

Washington—(U.P.)—Robert T. Lister of Prineville, Ore., has been named to the Oregon State Agricultural Stabilization and Conservation Committee, Rep. Sam Coon (R-Ore.) announced. Lister will fill a place on the committee which administers price and acreage programs in Oregon under the Commodity Stabilization Service. The appointment was announced by the Department of Agriculture.

Lister is past president of the Oregon Cattleman's Association.
